**Abstract:** *There is a Divine Plan which involves many, many beings, human and otherwise, from within and without the Earth's planetary structure. It will behoove all men to open their minds and their hearts to at least consider these possibilities. It will be far better to cooperate and work with the Divine Plan and to reap the Divine Love, Light, Life, Peace, Truth and Joy that it offers, than to oppose it and reap eons of misery and regrets. The Divine Plan is for all human life within our solar system to achieve at least the awareness of cosmic consciousness by the end of the Great Cycle Orbits of our solar system around the Greatest Central Sun which is reaching its conclusion now with the time of Kali (Chaos). This means that man of Earth must immediately become aware of what cosmic consciousness is and take the necessary steps to raise his individual level of consciousness to that state of knowing awareness. Failure to do so will result in self-destruction! Our planet is populated with more clones than there are humans, and the evil souled controllers are determined to carry out Satan's plan 2000 of the Evil segment of Elite Human Puppet Masters for this planet which was to destroy her and her people, as they have done to all the other planets in our Solar System, Apsu. That's why it is required that you call in ten thousand times a day the protection of the Higher Light Source to protect and surround you as a Plasmic Shield! Instead of calling in the God's protection ten thousand times a day, as it is required, you could acquire through my website [www.teslastyle101.com](http://www.teslastyle101.com) the divine protection which would protect you permanently 24/7.*

**Keywords:** divine plan, divine protection, Atlantis

## Quoting From [1]

### 1. Atlantis; What and Why

To understand why Earth is in its present turmoil, you must look back in time and remember the great civilization of Atlantis and that of Lemuria. I need not go further back at this time for these remnants hold enough to give verification of your 'present'. Atlantis, for instance, is not a figment of science fiction, but was a tangible civilization in Earth's past history. It, however, only represents the more recent experience, the uplifting of civilization and then, again, the downfall--beyond the continents and civilizations upon which it was built. Because it plays such a linking portion of your historical travels as human man upon planet Earth I shall briefly focus upon it for a minute before moving on to the portions and locations which have more in-depth and pointed information intended for one or two to receive in the silence within.

### 2. Master this Third Dimension

How can you master the third dimensional environment of Earth? **Firstly, by getting to truly "know yourselves"--who you ARE, what you ARE, why you ARE here. Next, by learning to control all aspects of this wondrous environment of learning--in a positive manner bringing you back within God's intended path and into balance and harmony--not chaos. Thirdly, you must come into understanding this "Earth" Shan and its relationship to what lies beyond the third dimensional environment.**

In Atlantis, man had advanced to a remarkable degree of control and understanding of the third dimensional environment, and was at a point where **he could have led Earth Shan and its inhabitants into the fourth**

### dimensional experience of physical/spiritual growth.

Instead, some who possessed advanced knowledge began to abuse and pervert this knowledge by enslaving other men, and by misusing their spiritual POWERS in various other ways. When this abuse of spiritual power became too widespread, it set into motion certain forces which resulted in the eventual disintegration and destruction of the civilization. This destruction did not occur in one giant cataclysm, as may be commonly supposed. Rather, it occurred as a process of decline that lasted over thousands of years. During this period of degeneration, the continent gradually broke apart and yielded its majority portions to the ocean. Gradually, the inhabitants of this once great civilization migrated to various parts of Earth, taking with them the remembered skills and technologies that resulted in the archaeological wonders that fascinate you today. Modern archeology is for the most part at a loss to explain such evidences as still exist in Central and South America, in England and Egypt and elsewhere around Earth. There is most certainly a total lack of any kind of understanding of the "beings" who dwell on two planets (two dimensions) as are found in places about the globe. But always there would be forms sent **forth in guardian capacity in both the underground facilities and within the etheric realms** to attend the sacred history and treasures of each segment of unfoldment. You must realize that the "creation" is as old as "Creator"--therefore ye cannot be in the dating or timing of existence--on your place or anywhere else within the whole of Universe. This is why I can only speak of "historical" remembering as handed down and as overseen by we who have already passed that way and already "remember".

### 3. Philippines Spotlited

How many of you would believe that the Philippines, as currently located, hold the keys of transition and reformation as well as rebuilding of the remnant upon the beautiful Creation Shan? There are other portions in other places but central to the reclamation of this cycle of life-stream of you

as a civilization and experience of God self upon that land-mass manifest--shall come to balance and focus within the wondrous places rising in the Sea of Peace, called Philippines.

Ah yes, ye can take the ministers and touters, missionaries and gurus into the places of the Lions--BUT YOU CANNOT TAKE THE PLACES OF THE LIONS AND BIRD TRIBES FROM THE HEARTS OF THE PEOPLE!

As with all tarnished writings and histories under tampering, eventually the memory of the glorious civilization that once existed, faded entirely except in the awareness of the adepts who possessed the arcanum, and in the subconscious minds of former Atlanteans to be remembered through the ORAL traditions and legends of the passage of great sequences and cycles. The stories bore meaning even if the subject as present was seemingly pagan and ritualistic in behavior--nay, nay, the Truth would always be present for the ones come forth in the remembering in the time of service unto Creation/Creator.

#### 4. Unfolding Divine Plan

So, you would ask, what has this to do with the unfoldment of the Divine Plan? Just this--Atlantis was not the only great civilization that has evolved upon Earth. There have been many others lost to antiquity such as Lemuria. But you are so attached to some ones such as Lemuria that the memory cannot be erased for you who experienced therein are destined to serve again NOW. **Each time that mankind has advanced to the level of a Lemuria or an Atlantis, it has had within its reach the opportunity to raise Earth's level of consciousness to fourth dimensional awareness and it has failed. Each failure was due to the misuse of spiritual powers which allowed total takeover by evil intent locked within the "physical" expression, in turn entrapping the soul and delaying its passage into glorious radiance.**

*In the past, this could be condoned because there was still yet another chance. Now, however, you have reached a point in Earth's history and in galactic evolution where the transition into fourth dimensional consciousness must be made so that you can perceive the dimensional expression of understanding and KNOWING the principles of LIFE-STREAM experience.*

Let me explain a bit more clearly. ***The Divine Plan is based upon the Will of God (Spirit, Universal Mind, or whatever name you might choose to call the indefinable Infinite Intelligence***). Divine Mind always proceeds in an orderly, evolutionary pattern predicated upon its principles of Universal Law. Wherever this Divine Plan affects man, he is always made aware so that he will have the opportunity to cooperate and grow upward in this evolutionary spiral.

Man is now being made aware, through many means, such as this very discourse, of certain galactic facts of universal, immortal life. **As you know, your solar system is a part of the Milky Way galaxy as you have identified it. Your solar system revolves around the Milky Way in an orbit that takes some 206 million years as you would calculate in your numbers. We can refer to this revolution of your**

**solar system around the galaxy as the Great Cycle Orbit. Your solar system (our solar system--for you are a segment within the solar system (actually) of Pleiades with our Central Sun), was created some time in your type of counting at least 4-1/2 billion years ago. This rough estimate will serve us well enough for our purposes herein. I am not going to teach you "truth in astronomy" nor "astrological divining". This corresponds to 22 Great Cycle Orbits of your solar system around the Greatest Central Sun, not to be confused with the Central Sun, Alcione, of Pleiades. You see and must understand that the Divine Plan as regards YOU is not finished--only progressing into other expression of the continuing "play" in action.**

In the Will of Divine Mind, as communicated to the Spiritual Echelon of our solar system, this completes the time cycle in which our entire solar system is to remain in its present state of evolution. **As the age of understanding and higher knowing moves into a new frequency vibration where no expression below the fourth dimension will long continue to exist, comes the need to reconstruct and have guidance into this higher state of experience. Man has a basic set of "phases" in experience as a whole, and the "whole" concept will be moving into that which is higher in experience, while some fragments will continue in ignorance within an experience of limitations and bondage and others will experience in the total void of Lightlessness--and others who serve as simple "lesson creations" will be removed and cease to experience.**

Man began to experience life in your system centuries in the millions past, at the beginning of the present Greatest Cycle Orbit. The Divine Plan is for all human life within your solar system to achieve at least the awareness of cosmic consciousness by the end of this orbit which is reaching its conclusion now with the time of Kali (Chaos). This means that man of Earth must immediately become aware of what cosmic consciousness is and take the necessary steps to raise his individual level of consciousness to that state of knowing awareness. **Failure to do so will result in self-destruction! Man of Earth, in your present state, simply cannot tolerate the new incoming change in physical frequencies even if he could survive the physical bombardment thrust against him by the evil intent and projection of man.**

Within this Great Cycle Orbit, there have been a number of lesser cycles. **When the Atlantean civilization failed to reach its development potential, this left only the so called 26,000 year "minor" cycle of the zodiac (as you call it) to complete the Plan.** As this present age draws to a close, this cycle, concurrently with the Great Cycle Orbit, comes to an ending.

**Right now, planet Earth is the only planet in your solar system where man has not yet reached the cosmic level of awareness. This level of consciousness must now be rapidly attained in order to fulfill the Divine Plan and insure your continuity of passage as a species of this civilization.**

## 5. Other Planets of Our Sun

Because you cannot find life on other planets in your solar system does not mean there were no life-forms prior to now, now or will be in the future perception. YOU are too limited in your understanding of factual progression to begin to understand the evolution of life-forms. YOU are stuck with the limitations of your UNREALITY for you must rely solely upon your five physical senses, and upon the findings of conventional Earth science, to tell you whether or not intelligent human life might exist on other planets of even your own solar system. Worse yet, you rely on ANOTHER'S perception and speculation and pronouncement regarding "other places out there".

**At the close of every civilization as you now face--through man's progression along the binding physical plane while denying the spiritual aspects of divinity and infinite journey there is wondrous contact and inter-relations formed and experienced between Cosmic intelligence.**

**When Atlantis was at its height, there was open communication between Earth and the other planets of your system. After the fall, however, this open communication was removed for you no longer had desire for "balance" and had sank into the mire of total humanistic experience. Now that man of Earth has again evolved to a point where he can make the transition into higher consciousness, communication and contacts with extraterrestrial beings has again increased and will become most "common". This being the "Greatest" Cycle, there will be present many changes undreamt of except through the minds of the ones sent forth to enlighten you of the truth of it.**

**Indeed, there is a Divine Plan. Do not believe for one moment that the ONLY plan afoot is the Plan 2000 of the Evil segment of Elite Human Puppet Masters. The Plan involves many, many beings, human and otherwise, from within and without the Earth's planetary structure. It will behoove all men to open their minds and their hearts to at least consider these possibilities. It will be far better to cooperate and work with the Divine Plan and to reap the Divine Love, Light, Life, Peace, Truth and Joy that it offers, than to oppose it and reap eons of misery and regrets. The "coming back" is indeed a long, hard journey.**

## 6. Who Will Hear

You ones of Truth will find it very difficult, especially as you witness the Truth unfolding in your very presence, to believe that anyone hearing what I have just told you could ignore it or cast it aside without further investigation. It would seem to take an extremely prejudiced and unthinking mind to simply disregard this information but there ARE those minds abounding upon your physical placement.

There are many, however, wise and beautiful souls upon your Earth Shan. When they are made aware of an intelligent Divine Plan which offers tangible and visible proof beyond the limited teachings of "religions" (which

actually build to a point of total entrapment and then fizzle into agonizing deceit) they will awaken and be made aware of an intelligent Divine Plan. They will want more and more to participate in bringing the Plan into fruition. The most difficult obstacle for most of them is to scale those orthodox walls of entrapment. The second most difficult obstacle will be to rise above the self-imposed limitation of relying only upon the five physical senses. You all, readers herein, have that very bondage nagging at your very senses constantly. We will continue to allow insight into the Divine Plan unfolding--but it must be in proper sequence and it must flow unto the "leaders" who come forth again as representatives of the higher Commands and "Sky People".

Will ALL come "home"? No, for the play is not finished--when the play is finished ALL will come again, in Truth, unto and within the ONE.

## 7. Unlearning the False

Before the "few" can come into the knowing (remembering) of purpose and journey, there must be a period of reminding, recognition of status and unlearning false precepts. God never leaves his fledglings flapping mindlessly for very long. As with all great cycle changes, preparations are laid forth for tangible use during your time of change that the changes brought forth can build a bridge into infinite MIND in a dimensional manner appropriate to the experience. Great treasures of wisdom and wealth are placed for use and guarded by the "guardians" sent (and remaining in higher states of presentation) until such time as an unveiling of purpose can be recognized, proven and integrated within.

Each time that man's evolution upon Earth has reached a point where he could advance to a much higher level, this "treasure", if you will, has been brought forth and made available to a worthy custodian to use for the benefit of all mankind--simply, quietly and in logical, reasonable manner to draw no attention from the masses or adversary. This has not taken place since the fall of Atlantis, yea, these 26,000 years ago. Since that time the very items in point have been placed in the appropriate locations for use against the day of final and incredible change and transition. Until the proper ones are in place and into enough understanding to move "with purpose" and "under direction" of highest intent, nothing shall be presented for corruption at man's hands. Always will come the accompanying opening-up of opportunity at Earth level of experience to continue to "cover" carefully the building and needs of the remnant in security.

In recent history, there have been numerous individuals who have sought unsuccessfully to uncover this vast wealth as you might guess. There have been the deceivers and this is WHY the adversary clings to and bombards the workers of Lighted Cause--to get on the "inside" and garner wealth without honor in Truth or production.

However, this is so well guarded that **accidental discovery IS IMPOSSIBLE**. The reason for this is obvious. Were this "wealth" and "knowledge" to fall into the wrong hands it could literally destroy the whole of mankind--and in addition, at least destroy the Divine Plan in interruption and

flow. Contacts would be made in "strange" ways into the hearts and minds of "guardians" and participants and what would be needed would be presented in most logical manner of presentation. All of these things are yet to be unfolded unto you. You who are coming into recognition of purpose will KNOW when it is time to KNOW. Until such timing is proper, ye will continue to do thine works as guided in integration with us of the Hosts sent forth for the sorting, testing and ultimate instructions, guidance and actual building of that which is necessary.

Many fail the testing and sorting--MANY! In fact, until this day--almost ALL. Aren't we lucky that I can say "**almost**" and not ALL?

Before this vast abundance can be presented for use, much must be taught and directed so that no errors in placement are allowed. Hearts and directions change when wealth is presented into any equation--this be for God's involvement--not for the "hell of it" for "man's further foolishness". So be it.

QUOTING FROM [2]:

## 8. You must ask for Protection

You are going to find, my precious friends, that there are no "accidents" or "coincidences" (def: coincidence means to "co-incident" or "come together" as part of God's Divine Plan) in life. Everything has meaning, and all things "happen" for a Divine Lesson you are not yet fully aware of. However, at soul-level, you know exactly why this or that experience was made manifest for you. In spirit—the Real YOU—you chose your parents and the life stream to be born in so that you can accomplish your mission. When, for instance, Jonur's father had a first-hand account of THE CONSPIRACY as a paperboy, and when his mother saw a large "penny-colored" floating Disc craft sitting above the trees "watching me"—before zooming off into the sky—these are signposts to let you know you have been doing your purpose all along. So never underestimate your individual parts in God's overall divine planning. Serve God and serve The Creation by learning His Laws—so you can wisely follow them! That is the highest command of The Lord thy God.

END OF QUOTING FROM [2]

QUOTING FROM [3]:

That is why the ultimate goal of a man is to pursue any course of action with God uppermost in consideration. You will have The Hosts protection and your enemies can be kept at bay. This is called using your God-power. **In no other "way" can you defeat the adversary....**

**You will call in the protection of the Higher Light Source to protect and surround you as a Plasmic Shield ten thousand times a day if required - and it is required!** Our help is directly balanced with your own effort - past that we cannot step; so do not be found asleep at your switches. This

is a WARNING to all to whom this message will contact. **I Speak with URGENCY to all who stand with the Lighted Forces in this greatest of all confrontations. The time for piddling about is coming to a halt.**

**"Delta Forces" are trained in unique and horrific ways in which to "take out" those who try to bring the truth to you. The Jews do not want their world take-over plans revealed for all to see! Because once you REALLY SEE AND UNDERSTAND what is going on around you - THEIR PLAN WILL NOT WORK! Once you SEE the puppeteer pulling the strings, and throwing his voice to make it talk, it ceases to be an illusion! This is what we of God Aton's HOSTS are about - REVEALING THE HIDDEN "STRINGS" OF THE ANTI-CHRIST/ANTI-GOD! By the way, always stay within the protection of the WHITE CHRISTED LIGHT - IT WILL PROTECT YOU FROM ANYTHING! You can be damn well sure the adversary knows who we are, and they know the line in the sand they cannot cross! For, if they do, then we of God's Army are allowed to step in. And our technology is infinitely more advanced than Earthman's! This scribe and family, and "ground crew" - AND ALL WHO BUT ASK - are protected by God and His Mighty HOSTS come from afar. Ask for the White Light Shield-continuously - until it becomes "second nature" (automatic). "Jesus" taught you to do this, in preparation for THIS DAY, two thousand years later. UFO's were present then, and they are present now. The Christed Light is an ACTUAL "ENERGY" SHIELDING that disperses "Directed Energy Weapons" (DEW), aimed at you. This is the only protection you have against the constant barrage of frequency and beam weapon assault to your physical and mental body. Keep God with you moment-by-moment, and this will be your protection against Lucifer's Jewish Khazars!**

ELF fields bombard you everywhere, with the human body's resonant frequency acting as an antenna or a tower. In fact, ambient ELF systems overlap frequencies and pulse your bodies, interfering with your bio-cycle timing and thus undermining your immune systems.

The Red Road to Truth on Planet Earth is a difficult road with the Dark Ones at work constantly with those souled beings trying to get them off the track, and to keep sleeping. That way the souled ones stay slumbering, and do not awaken as planned.

Your planet is populated with more clones than there are humans, and the evil souled controllers are determined to carry out Satan's plan for this planet. **What was this plan? It was to destroy her and her people, as they have done to all the other planets in your Solar System, Apsu.** Oh, you see the other planets in your solar system with 3rd dimension vision with unlivable conditions that no human could withstand. That is their plan for Mother Earth.

This is why we continually tell you ones to keep God's Light Shield tightly about thee, and ask for the Lighted Protection around your President, the First Family, and all those in service to God, family, and nation. **Only the Christed Light can protect you from your most bitter**

foe! Do not neglect thy responsibility in this matter.

END OF QUOTING FROM [3]

Instead of calling in the God's protection ten thousand times a day, as it is required, you could acquire through my website [www.teslastyle101.com](http://www.teslastyle101.com) the divine protection which would protect you permanently 24/7.

## 9. Conclusions

## Author Profile

I was born on August 6, 1950 in Grab, Montenegro (former Yugoslavia).

1982 – Acquired my PhD in the field of atomic and plasma physics, at the Faculty in Belgrade, under the title: "Regularities and Systematic trends of Stark Width and Shift Parameters of Spectral Lines in Plasmas".

1985 -1987 Spent two years as fellow of the Alexander von Humboldt Foundation from Bonn (Germany) at the University Düsseldorf developing plasma UV-spectroscopy at the tokamak UNITOR and performing measurements of the plasma instabilities in the scrape-off layer at the tokamak TEXTOR in Jullich (Germany).

1987 – 1991 Worked as the guest scientist at the Max-Planck-Institute for Plasma Physics in Garching by Munich (Germany) performing measurements of the magnetic field configuration at the stellarator W7AS as well as the measurements of the limiter heat load.

1991 – 2000 Was working in the Institute of Physics in Zemun (Serbia) on investigations of the plasma force-free configurations and in 1995 I acquired the Research Professor degree.

2000 – At the end of 2000 I chose to leave the Institute of Physics and went my own way to discover and learn God Aton's principles and laws of creation.

After 10 years of progression toward that sacred goal, I have finally succeeded and now know many of God's creational principles and laws (unknown until now) and can apply them to simple and efficient creations which constitute the basis for a new quality of life on this planet.

I am a pioneer in creating with the New Conscious Energy and building a new civilization without electricity.

**My discoveries as independent researcher in last 20 years:**

- 1) Discovery of the truth about human being, consciousness, relation of the human being to physical body, relation of human being to God Creator Aton and Creation (this material universe) and the true laws and concepts of creation.
- 2) Experimental verification of the true "ATON" cell, atom and particle concept: light rings spinning around the centering Mind point which is the source of energy and from which the light rings borrow energy in order to spin, to move.
- 3) Discovery of so called "centeredness" of wave fields and on that base invention of Tesla Radiation Balancer, the first certified device without electricity for balancing (centering) of imbalanced (not centered) wave fields.
- 4) Discovery of the Natural Nuclear Waste Management System RBI101NWM – the ONLY solution for the nuclear challenge on the global scale. My natural nuclear waste management system (RBI101NWM) enables promotion of Nature's supreme principle that there is GOOD in everything, i.e., it turns this "negative" precept into the following great GOOD for this civilization: enables the integration of all nuclear waste (low, middle and high level) into the natural life cycle in a manner that solves the immense challenge of nuclear waste disposal FOREVER (100% efficiency), enables the release of water from underneath and creation on the surface of a few feet of decayed fertile soil and water necessary for organic life thus adding materially to the world's food supply, enables foresting of vast areas of the world with date palms and carpeting them with a verdure, enables the release of enormous amounts of oxygen which together with the enormous reduction of radioactive emission into the atmosphere will contribute to the stopping of both the negative earth's climate changes (global warming) and the oxygen depletion, as well as to the earth's rebalancing: reestablishment of the optimal environmental temperature range and reestablishment of the optimal oxygen content in both the atmosphere and the waters, and enables creation of millions of new work opportunities worldwide.
- 5) Discovery of the true value of the PI number and solution of the in science unsolvable problem of "squaring the circle".
- 6) Discovery of the power of human conscious intent and rebalancing within two months of the damaged brain (Alzheimer) of a 5 year old girl with power of verbally expressed conscious intent. Watch the video here: <https://www.youtube.com/watch?v=iU-C7x0rXTQ&feature=youtu.be>
- 7) Discovery of the true concepts of energy, mass, speed of light, gravity and electricity and derivation of my equation of creation which properly describes both generation (compression) phase of creation and degeneration (radiation) phase of creation, as well as their simultaneous occurrence and sequential repetitiveness. This right equation definitely retires the famous Einstein's wrong equation from 1905 of "equivalence of mass and energy".
- 8) Discovery of the presence on our planet of the new conscious energy and its unit Deca and its many unique characteristics and ways of conscious unlimited creation with it in order to build a new civilization without electricity.
- 9) Discovery of the relationship between consciousness and energy: energy belongs to consciousness to create with and energy is server of consciousness fulfilling every our desire if we ALLOW energy to serve us.
- 10) Discovery of the Nature's radar principle which is the great intercommunication system for recording of all effects of motion and repeating them to all other effects in the universe at the speed of light.
- 11) Discovery of the absolute protection (protection from anything at all times) with The White Christed Light remotely (distance-less), instantly and permanently using my **I-Change** technology and my new energy Deca101 conscious chip.
- 12) Discovery of the conscious chip Deca101 with which every human desire could be fulfilled without electricity.
- 13) Discovery of the natural way for enlightenment (ascension, realization) using unlimited power of human conscious intent and allowance.

I wrote two books: "We are yet coming into the knowledge" (Belgrade, 1997), and "Jesus Christ: "The Truth About My Life"" (Belgrade, 2009) and I wrote two e-books: "GOD IN THE ATOM" and "DODECA 101 LOVE ENERGY" which are available on my website.

I speak English, German and Russian.
