

Nexus of Self-Evident Plagiarisms

Jamir Ahmed Choudhury

Associate Professor of Philosophy

Abstract: *It is our fundamental duty & moral responsibility to communicate Equal & Opposite Apriori Framework of Natural Science and Un-contradicted Facts of this Equal & Opposite Manifested Nature [Verifiable Framework & Justifiable Curriculum of Natural Science] such as Sirius Binary System, Nine Planets as Nine Eye Opening Evidences, Upright Rectangular Universe, Galaxy of Stars like Diamonds, Immovable Hexagonal World, Appearing Pentagonal Earth like 9/11 Pentagon with Three Ascending Stairs, Prime Meridian since Manifestation, Manifested Region of the Prime Meridian, Two Zones [Eastern Daylight Time Zone and Western Daylight Time Zone], Four Basic Fields – Four Basic Forces – Four Cardinal Directions of Helium-4 Atom, Four Points of Light, Infallible & Unerring Statistics regarding Alteration of Day & Night in a Day, Newton’s Visual Binaries [Two Moons or Periodic Motion of the Planet Uranus (White Moon) of each Zone], Mercurial System, Uranian System, Natural Magnetism, Manifested Sign of Natural Magnetism & Scientific Proof of Natural Magnetic Directions, Morning Show & Evening Show of the Sister Planet Venus, Einstein’s Binary Pulsar, and Barrier between Equal and Opposite Natural Mechanism [Solar System] etc. without a Broken Bar. Communication of falsehood such as Global Framework of this Equal & Opposite Manifested Nature is called Plagiarism. Uninterrupted propagation of well established observational facts of global science [man-made natural sciences or self-contradictory & paradoxical sciences] such as nine moving & running global plants within the sole equal & opposite manifested nature, solar universe, common run of the so-called Sun, and common run of Neil Arm Strong’s visited Moon [NASA’s Moon] for the sake of global sustainability [anti-natural sustainability] establishing suitable rules – contrary formalities – contradictory guidelines – conspiracy parameters – *petitio principii* mandates – post hoc ergo propter hoc legitimacy is called Nexus of Self-evident Plagiarisms.*

Keywords: Common Sense, Science, Technology, Sanctity of Education, Significance of Scientific Certainty, Secularity, Democracy, Sovereignty of our Constitution, Legitimacy, Fundamental Duty, Moral Responsibility, Inherent Dignity, Freedom of Conscience, Liberty of Faith – Belief – Thought – Expression – Worship, Holistic Development of our Axiological Aspects, Existential Import of our One Dimensional Time, Inborn Human Rights, Truth, Justice, Utilitarian Liberation, Common End [Public Interest]

UN Universal Declaration of Inalienable Human Rights:

UN Universal Declaration of our Inalienable Human Rights includes First Generation: Natural & Environmental Rights, Second Generation: Essential & Fundamental Rights and Social & Cultural Rights, and Third Generation: Un-interfering & Inviolable Religious Rights (such as Four Foundational Solidarity Rights in Islam) and Guaranteed Child Rights & Uncompromising Constitutional Rights. In brief, UN Universal Declaration of Inalienable Human Rights represents **Inborn Human Rights**.

Four Foundational Solidarity Rights in Islam: (i) Firm Faith in Unique Creator of Sirius Binary System [Samawaati wal-Arz], (ii) Practical Belief in the Existential Imports of Unalterable Laws of Nature such as Newton’s Laws and Manifested Signs & Clear Proofs such as Einstein’s Binary Pulsar, (iii) Right Direction of Performing Prayer towards Upright West Region of the Appointed Kaba [Inviolable Place of Worship], and (iv) Appointed Day of Performing Hajj and Appointed Day of Observing Idd

Time has only one dimension called **succession**. Our Universal Acceptance, Unanimous Agreement, Mutual Understanding, or Global Declaration does not have any authority over one dimensional time. Finite rational beings are absolutely unable to recover our one dimensional time. More specifically, finite rational beings are absolutely unable to recover our past – our past compulsory prayer – our past hajj – our past idd. So, finite rational beings do not have any legitimate right to **spoil our one dimensional time projecting anti-natural framework of this equal & opposite manifested nature and communicating self-contradictory & paradoxical knowledge** [absolutely false information / identified nexus of self-evident plagiarisms]. An authority/organization does not have any legitimate right

to spoil our one dimensional time projecting references of suitable rules, contrary formalities, contradictory guidelines, conspiracy parameters, *petitio principii* mandates, or post hoc ergo propter hoc legitimacy.

There is sole Equal & Opposite Manifested Nature. This Equal & Opposite Manifested Nature was revealed [created & manifested] prior to the revelation [creation & manifestation] of finite rational beings. So, ‘Equal & Opposite’ is the Apriori Framework of this Manifested Nature. More specifically, **‘Equal & Opposite’ is the Apriori Framework of Natural Science**. Man-made Constitution, UN Universal Declaration, Universal Acceptance of the Global Scientific Community, Inventions of Finite Rational Beings, Well Established Observational Facts of Modern Science, Interpretations of Islamic Scholars, Fatwas of Muslim Leaders, 6310 Comments of the Researchers of IFTA on Verses of ‘Kitaaba bil-Haq’, Uncountable Global Science Books and Global Science Journals, and Innumerable Research Works for the sake of Global Sustainability do not have any authority over ‘Equal & Opposite Apriori Framework of Natural Science’. *It is our Inborn Human Rights [UN Universal Declaration of our Inalienable Human Rights] to communicate [share & receive] Equal & Opposite Apriori Framework of Natural Science*. An authority/organization does not have any legitimate right to conceal from us ‘Equal & Opposite Apriori Framework of Natural Science’ projecting ‘Anti-natural Framework of Natural Science’ [Global Framework of this Equal & Opposite Manifested Nature / Global Standard for Human Rights]. An authority/organization does not have any legitimate right to violate our Inborn Human Rights [UN Universal Declaration of our Inalienable Human Rights] communicating ‘Anti-natural Framework of Natural Science’ [Global Framework of this Equal &

Opposite Manifested Nature / Global Standard for Human Rights] at school. An authority/organization does not have any legitimate right to prohibit us from communicating [sharing & receiving] Equal & Opposite Apriori Framework of Natural Science projecting references of suitable rules, contrary formalities, contradictory guidelines, conspiracy parameters, *petitio principii* mandates, or *post hoc ergo propter hoc* legitimacy. This Equal & Opposite Manifested Nature appears as if a Global Sphere due to Elliptical Canopies [Ref. Kepler's Elliptical Axis] and Einstein's Gravitational Waves [Electron Cloud / Solar System].

UN Universal Declaration of Global Standard for Human Rights: “International human rights law lays down the obligations of Governments **to act in certain ways** or **to refrain from certain acts**, in order to promote and protect human rights and fundamental freedoms of individuals or groups. *Universal Declaration of Human Rights:* In 1948, two years after the assembly convened its inaugural session, it promulgated the Universal Declaration of Human Rights, which contained thirty articles outlining global standards [*] for human rights. A historic act, it proclaimed the “inherent dignity” and “equal and inalienable rights of all members of the human family.” As the chair of the UN Commission on Human Rights, U.S. First Lady Eleanor Roosevelt helped to draft and pass the declaration, saying that it “may well become the international Magna Carta for all men everywhere.”

‘UN Universal Declaration of Global Standard for Human Rights’ is an ‘Anti-natural – Anti-human – Anti-social – Anti-cultural – Anti-religious (completely Anti-Islamic) – Self-contradictory & Paradoxical – Vague & Absurd – Indefinite & Inconsistent – Fallacious & Hypocritical – Unscientific & Non-philosophical – Illogical & Immoral – Illicit & Illegitimate – Unlawful & Unconstitutional Parameter [Standard] for Human Rights. The UN Universal Declaration does not have any authority over ‘Equal & Opposite Apriori Framework’. So, it is self-evident that the ‘UN Universal Declaration of Global Standard for Human Rights’ is the **Prime Cause** [Root Cause / Causeless Cause / Vera Causa / Verifiable & Justifiable Cause / Real Cause] of human sufferings. ‘UN Universal Declaration of Global Standard for Human Rights’ has been uninterruptedly violating our Inborn Human Rights / UN Universal Declaration of our Inalienable Human Rights [First Generation: Natural & Environmental Rights, Second Generation: Essential & Fundamental Rights and Social & Cultural Rights, and Third Generation: Un-interfering & Inviolable Religious Rights (specifically Four Foundational Solidarity Rights in Islam) and Guaranteed Child Rights & Uncompromising Constitutional Rights] since antiquity. People of this Equal & Opposite Manifested Nature (specifically my family members) are the self-evident victims of nothing but the UN Universal Declaration of Anti-natural Parameter [Global Standard] for Human Rights. In this connection I wrote an article with the Title – ‘Protection of Inalienable Human Rights’ [Ref. **Protection of Inalienable Human Rights, International Journal of Science and Research (IJSR), ISSN: 2319-7064, Research Gate Impact Factor (2018): 0.28 | SJIF (2019): 7.583, Vol.9, Issue 7, July, 2020, Pages – 1568 to 1585**]. Now, it is the fundamental duty & moral responsibility of the

concerned authorities of United Nations to take necessary steps / to make necessary arrangements with a view to recover our past – our past compulsory prayer – our past hajj – our past idd for the sake of nothing but the existential imports of UN Universal Declaration of our Inalienable Human Rights, so far established International Humanitarian Laws, and International Treaties on our Inalienable Human Rights.

Un-contradicted Facts of this Equal & Opposite Manifested Nature such as Sirius Binary System [Binary Star System], Sirius A and White Dwarf Companion Sirius B, Helium-4 Atom, Two Horizons [East Horizon and West Horizon] and Two Hemispheres [Northern Hemisphere and Southern Hemisphere] of Helium-4 Atom, Four Basic Fields – Four Basic Forces – Four Cardinal Directions of Helium-4 Atom, Upright Rectangular Universe, Nine Planets as Nine Eye Opening Evidences, Galaxy of Approximately 124000 Stars like Diamonds, Immovable Hexagonal World, Two Zones [Eastern Daylight Time Zone and Western Daylight Time Zone] within the East Horizon, Six Manifested Regions, Straight Middle-East Region of Eartha 3D and Upright West Region of the Prime Meridian, Appearing Pentagonal Earth like 9/11 Pentagon, Three Ascending Stairs of the Appearing Pentagonal Earth like Spiders’ Net, Kepler’s Minor Axis – Semi-major Axis – Major Axis, Newton’s Visual Binaries, Periodic Motion of the Planet Uranus of each Zone, Uranian System, Manifested Sign of Natural Magnetism & Scientific Proof of Natural Magnetic Directions, E-Point [Aphelion] and T-Point [Perihelion], Morning Show & Evening Show of the Sister Planet Venus, Infallible & Unerring Statistics regarding Alteration of Day & Night in a Day, Natural Magnetism, Electromagnetic Force & Electroweak Force, Four Points of Light, Four Galilean Moons, Mercurial System, Einstein’s Binary Pulsar [Electromagnetic Waves and Gravitational Waves], Barrier [Lakshman Rekha] between Equal and Opposite Natural Mechanism [Solar System / Electron Cloud], Right Direction of Performing Prayer towards Upright West Region of the Appointed Kaba, Appointed Day of Performing Hajj, and Appointed Day of Observing Idd etc. were also revealed [created & manifested] prior to the revelation [creation & manifestation] of finite rational beings. So, **Un-contradicted Facts of this Equal & Opposite Manifested Nature are called Apriori Sciences** [Independent Sciences, Objective Sciences, Neutral Sciences, Common Sciences, Basic Sciences, Primary Sciences, Positive Sciences, Sciences-in-Themselves, or Pure Sciences Unmixed with Man-made Technologies].

Reference of Neutral Science [Apriori Science]: “**Science is neutral to all religions and is not specific to any religion or community.**” [NCERT, No. F. 1-1/DESM-PA/Misc./2017-18/2554 dated 16th April, 2018, F. No. 3-3/2018/DESM/RTI/Sh. Jamir Ahmed Choudhury /2793 [Ref. DARPG/P/2017/03052 dated 23.06.2017 & 07.06.18]; Department of Elementary Education, NCERT No. F. 1-24/Admn./RTI/DEE/2018/27 dated 20th April, 2018; NCERT F. No. 3-1/2004/DEdL/899 dated 23rd April, 2018 and NCERT F. No. 3-1/2004 /DEdL/897 dated 20th April, 2018] [Ref. *Pages – 526 to 559 of ‘UNO’s Contributions’ published by Notion Press with ISBN: 978-1-64899-974-1*]

Man-made Constitution, UN Universal Declaration, Universal Acceptance of the Global Scientific Community, Inventions of Finite Rational Beings, Well Established Observational Facts of Modern Science, Interpretations of Islamic Scholars, Fatwas of Muslim Leaders, 6310 Comments of the Researchers of IFTA on Verses of 'Kitaaba bil-Haq', so-called Tafsir-e-Quran, Uncountable Global Science Books and Global Science Journals, Innumerable Research Works for the sake of Global Sustainability, and **One Global Text & Excellent Curriculum of IBE-UNESCO** do not have any authority over 'Un-contradicted Facts of this Equal & Opposite Manifested Nature or Apriori Sciences'. *It is our Inborn Human Rights [UN Universal Declaration of our Inalienable Human Rights] to communicate [share & receive] Un-contradicted Facts of this Equal & Opposite Manifested Nature or Apriori Sciences.* An authority/organization does not have any legitimate right to conceal from us 'Un-contradicted Facts of this Equal & Opposite Manifested Nature or Apriori Sciences' projecting 'One Global Text & Conspiracy Curriculum of IBE-UNESCO'. An authority/organization does not have any legitimate right to violate our Inborn Human Rights [UN Universal Declaration of our Inalienable Human Rights] communicating 'One Global Text & Conspiracy Curriculum of IBE-UNESCO' [Invented Lies & Introduces Falsehoods / Man-made Natural Sciences / Handworks of Manifested Devils / Well Established Global Technologies / Well Established Observational Facts of Global Science / Self-contradictory & Paradoxical Sciences / Identified Nexus of Fallacious Sciences / Identified Nexus of Self-evident Plagiarisms] at school. An authority/organization does not have any legitimate right to prohibit us from communicating [sharing & receiving] 'Searched out Un-contradicted Facts of this Equal & Opposite Manifested Nature or Apriori Sciences' projecting references of suitable rules, contrary formalities, contradictory guidelines, conspiracy parameters, petitio principii mandates, or post hoc ergo propter hoc legitimacy.

This Equal & Opposite Manifested Nature is One – Common – Comprehensive – Unerring – Legitimate – Clear & Distinct – Open Text of Universal & Necessary Knowledge and Human Rights & Universal Education. This Equal & Opposite Manifested Nature is the Textbook of Newton's Laws [Unalterable Laws of Nature or Tawraat or Formal Grounds of Scientific Certainty] and Einstein's Sciences [Un-interfering Natural Mechanisms or Manifested Signs & Clear Proofs or Injiil or Material Grounds of Scientific Certainty]. It is our Inborn Human Rights / UN Universal Declaration of our Inalienable Human Rights [First Generation: Natural & Environmental Rights, Second Generation: Essential & Fundamental Rights and Social & Cultural Rights, and Third Generation: Un-interfering & Inviolable Religious Rights (specifically Four Foundational Solidarity Rights in Islam) and Guaranteed Child Rights & Uncompromising Constitutional Rights] to communicate [share & receive] this Common – Comprehensive – Unerring – Legitimate – Clear & Distinct – Manifested Text of Universal & Necessary Knowledge and Human Rights & Universal Education without a Broken Bar. Formal permission of an authority/organization is not necessary to communicate [share & receive] this Common –

Comprehensive – Unerring – Legitimate – Clear & Distinct – Manifested Text of Universal & Necessary Knowledge and Human Rights & Universal Education. I have been sharing this Common – Comprehensive – Unerring – Legitimate – Clear & Distinct – Manifested Text of Universal & Necessary Knowledge and Human Rights & Universal Education since 2016. My thirteen books published with ISBN, five scientific articles, and contents & contexts of our more than 3000 self-explanatory grievance petitions under grievance redress mechanism are the concrete examples in this regard. An authority/organization has not yet come forward to prohibit me from sharing this Common – Comprehensive – Unerring – Legitimate – Clear & Distinct – Manifested Text of Universal & Necessary Knowledge and Human Rights & Universal Education. If an authority/organization comes forward to prohibit me from sharing this Common – Comprehensive – Unerring – Legitimate – Clear & Distinct – Manifested Text of Universal & Necessary Knowledge and Human Rights & Universal Education, then that authority/organization will recover my past – my past compulsory prayer – my past idd for the sake of the existential imports of so far established Right to Education & Human Rights.

Necessary & Sufficient Conditions: "2.5.3 – Forms of Understanding - The Sciences, like the systems of mathematics, have their own concepts, often interconnected through theories, and are attempts to describe and explain the natural world. Concepts include atom, magnetic field, cell, and neuron. Scientific inquiry involves observation and experimentation to validate predictions made by theory (hypotheses), which may be aided by instruments and controls. Formalisation into theory and model building can sometimes involve mathematics, but it is only with reference to observations and not to mathematical accuracy that truth is tested. The attempt is to furnish a narrative that in some way 'corresponds' to reality." (*National Curriculum Framework, 2005, Page – 27, NCERT - India*)

Our National Curriculum Framework has been inspiring us to recognize & confirm Un-contradicted Facts of this Equal & Opposite Manifested Nature [Apriori Sciences] such as Magnetic Field in correspondence to Reality i.e. in correspondence to One – Common – Comprehensive – Unerring – Legitimate – Clear & Distinct – Manifested Text of Universal & Necessary Knowledge and Human Rights & Universal Education. It is certain like Equal & Opposite Apriori Framework of Natural Science that our scientists and competent academic authorities [including Islamic Scholars and Muslim Leaders] have not yet recognized & confirmed just Magnetic Field mentioned in our NCF in correspondence to Reality i.e. in correspondence to One – Common – Comprehensive – Unerring – Legitimate – Clear & Distinct – Manifested Text of Newton's Laws and Einstein's Sciences. They have not yet recognized & confirmed Manifested Sign of Natural Magnetism [Light mentioned in Einstein's Binary Pulsar / Einstein's Electromagnetic Wave] & Scientific Proof of Natural Magnetic Directions [E-Point and T-Point / Aphelion and Perihelion / Magnetic Field and Weak Field] in correspondence to Reality. Consequently, our scientists and competent academic authorities failed to provide us authentic information regarding 'Alteration of Day & Night

in a Day' for the Equal & Opposite Eastern Daylight Time Zone [North America and South America] and Western Daylight Time Zone [Africa, Asia, Australia, Arabian Peninsula, and Europe]. You will find references of the absolute failure of our scientists and competent academic authorities **in pages – 272 to 378 of 'Science & Constitution' published by Notion Press with ISBN: 978-1-64899-992-5.**

It is also certain like my existence as a finite rational being that you have not yet recognized & confirmed Manifested Sign of Natural Magnetism [Einstein's Electromagnetic Wave] & Scientific Proof of Natural Magnetic Directions [Magnetic Field and Weak Field]. I have recognized & confirmed Manifested Sign of Natural Magnetism [Einstein's Electromagnetic Wave] & Scientific Proof of Natural Magnetic Directions [Magnetic Field and Weak Field] in correspondence to Reality i.e. in correspondence to One – Common – Comprehensive – Unerring – Legitimate – Clear & Distinct – Manifested Text of Newton's Laws and Einstein's Sciences. In this connection I wrote an article with the Title – 'Natural Magnetism: Magnetic Field and Weak Field' [Ref. **Natural Magnetism: Magnetic Field and Weak Field, International Journal of Science and Research (IJSR), ISSN: 2319-7064, Research Gate Impact Factor (2018): 0.28 | SJIF (2019): 7.583, Vol.9, Issue 6, June, 2020, Pages – 1186 to 1194.** Finite rational beings do not have any authority over Manifested Sign of Natural Magnetism [Appointed Daylight or Einstein's Electromagnetic Wave] & Scientific Proof of Natural Magnetic Directions [Magnetic Field and Weak Field]. So, finite rational beings [including global scientific community referred by NCERT and Islamic Scholars] are absolutely unable to falsify & reject the searched out Un-contradicted Facts of this Equal & Opposite Manifested Nature [Apriori Sciences] such as Manifested Sign of Natural Magnetism [Appointed Daylight or Einstein's Electromagnetic Wave] & Scientific Proof of Natural Magnetic Directions [Magnetic Field and Weak Field].

Knowledge [Jnana] may be Tautologous, Contingent, or Self-contradictory. Knowledge which is true always [such as man is mortal and I am a mortal being] is called **tautologous knowledge** [vidya or wisdom or unerring knowledge or universal & necessary knowledge or human rights & universal education]. Possessors of tautologous knowledge [vidya or wisdom] are called wise men. A wise man is the possessor of universal & necessary knowledge [verifiable certain knowledge & justifiable valid knowledge or true knowledge or vidya or wisdom or unerring knowledge or verifiable framework & justifiable curriculum of knowledge].

Knowledge which is true in some cases and is also false in some cases [such as rose is red] is called contingent knowledge. In other words, knowledge which is true from a particular perspective is called **contingent knowledge**. Concerned authorities are the possessors of contingent knowledge.

Knowledge which is **false always** [such as man is immortal and I am an immortal being] is called **self-contradictory knowledge** [avidya or absolutely false knowledge]. In other

words, **knowledge which is either contrary to Formal Grounds** [Newton's Laws / Principle of the Uniformity of Nature and Law of Causation / Unalterable Laws of Nature / Synthetic Apriori Judgments of Kant / Universal Real Proposition / Vyapti / Tawraat / Universal Major Premises of Aristotle's Dictum De Omni Et Nullo / Coherence Truth / Truth-in-Itself / Complete Coded Shared Tautologies] **or contradictory to Materials Grounds** [Observation of Particular Instances under Natural Circumstances and Experiment / Crucial Instances / Clear Proofs / Unerring Witnesses / Eye Opening Evidences / Positive Cases / Manifested Signs & Scientific Proofs such as Einstein's Sciences / Un-interfering Natural Mechanisms / Paksa-dharmata / Injil / Affirmative Minor Premises of Aristotle's Dictum De Omni Et Nullo / Correspondence Truth / Thing-in-Itself] **of Unerring Knowledge** [Vidya or Universal & Necessary Knowledge] is called **Self-contradictory Knowledge** [Avidya or Absolutely False Knowledge]. **Propagators of Global Science** [Anti-natural Science or Universal Acceptance of Global Scientific Community referred by NCERT] **are the possessors of Self-contradictory Knowledge** [Avidya or Absolutely False Knowledge or Global Veil of Ignorance].

Uniform Guidelines: It is necessary to verify & justify Unerring Knowledge [Vidya or Wisdom] on the basis of Uniform Guidelines.

Infallible & Unerring Mandates [Three Fundamental Laws of Thought]

- 1) Law of Identity – A is A
- 2) Law of Contradiction – A cannot be both B and not-B
- 3) Law of Excluded Middle – A must be either B or not-B

Verifiable Scientific Quotes & Justifiable Logical Rules

- The truth of a Universal Proposition guarantees the Truth of its corresponding Particular Proposition, but not conversely. That means if a universal proposition is true, then its corresponding particular proposition must be true. But if a particular proposition is true, then its corresponding universal proposition is probable (doubtful).
- The falsity of a Particular Proposition guarantees the falsity of its corresponding Universal Proposition, but not conversely. That means if a particular proposition is false, then its corresponding universal proposition must be false. But if a universal proposition is false, then its corresponding particular proposition is probable (doubtful).
- Two contraries cannot be true together, though they both may be false together. That means if one of the contraries is true, then the other must be false. But if one of the contraries is false, then the other is probable (doubtful).
- Two sub-contraries cannot be false together, though they both may be true together. That means if one of the sub-contraries is false, then the other must be true. But if one of the sub-contraries is true, then the other is probable (doubtful).
- Two contradictories can neither be true together nor false together. That means if one of the contradictories is true, then the other must be false. If one of the contradictories is false, then the other must be true.

- Two alternatives in their exclusive senses cannot be true together, though they both may be false together.
- If the antecedent is true, then its corresponding consequent must also be true. It will not be the case that the antecedent is true, but its corresponding consequent turns out to be false.

Two Formal Grounds of Scientific Certainty [Established as Newton's Three Laws]: Principle of the Uniformity of Nature and Law of Causation – Principle of the Uniformity of Nature states that Nature behaves same under similar circumstances. Nature is not whimsical or capricious. 'Law of causation' states that nothing comes out of nothing [Ex Nihilo Nihil Fit]. Every event must have a cause. The same cause always produces the same effect [under similar circumstances].

Two Material Grounds of Scientific Certainty [Necessary & Sufficient Conditions]: Observation of Particular Instances in correspondence to Reality and Experiment

Four Fundamental Categories of Knowledge – Space, Time, Substance, and Causality

Un-interfering Natural Mechanisms – Sirius Binary System [Binary Star System], Mercurial System, Uranian System, Natural Magnetism, and Solar System [Barrier or Lakshman Rekha between Equal and Opposite Natural Mechanism]

Helium-4 Atom – Two Horizons [East Horizon and West Horizon] and Two Hemispheres [Northern Hemisphere and Southern Hemisphere]

Four Basic Fields – Gravitational Field, Strong Field, Magnetic Field, and Weak Field

Four Basic Forces – Gravitational Force, Strong Force, Magnetic Force, and Weak Force

Four Elements of an Atom – Electron, Proton, Neutron, and Neutrino

Four Gross Elements – Earth (Soil or Sign of Gravitational Field), Water [Sign of Strong Field], Fire (Light or Sign of Magnetic Field), and Air [Sign of Weak Field]

Four Cardinal Directions – East [Downward 3D Arrow], West [Upward 3D Arrow], North [Left of the Prime Meridian or Entering & Ending Point of Light or E-Point or Aphelion], and South [Right of the Prime Meridian or Setting – Turning – Rising Point of Light or T-Point or Perihelion]

Two Parts of the Land – Eastern Part of the Land [Front of the Prime Meridian] and Western Part of the Land [Back of the Prime Meridian]

Two Zones [Seashores] – East Zone [Lower Seashore or Eastern Daylight Time Zone or Zone of Morning Show of the Sister Planet Venus or Zone of Einstein's Electromagnetic Force] and West Zone [Upper Seashore or Western Daylight Time Zone or Zone of Evening Show of

the Sister Planet Venus or Zone of Einstein's Electroweak Force]

Six Manifested Regions – North-East, Straight Middle-East, and South-East of the East Zone [Eastern Daylight Time Zone] as well as South-West, Upright West, and North-West of the West Zone [Western Daylight Time Zone]

Aspects of Uniformity – Essence, Essential Behaviour, Co-existence, and Succession

Four Canons of Elimination –

- Whatever antecedent can be left out without frustrating the effect can never be the cause.
- Whatever antecedent cannot be left out without frustrating the effect must be the cause or a part of the cause.
- If two phenomena always vary together, they are causally connected.
- What is known to be the cause of some other phenomenon cannot be the cause of the phenomenon under investigation.

Experimental Methods of J. S. Mill –

- Method of Agreement
- Method of Difference
- Joint Method of Agreement and Difference
- Method of Concomitant Variations
- Method of Residues

Pythagorean Numbers –

- Point – 'One'
- Line – 'Two'
- Plain – 'Three'
- Solidity – 'Four'
- Quality – 'Five'
- Animation – 'Six'
- Manifestation – 'Seven'

Four Criteria (Standards / Scales / Indicators / Parameters / Units) of Truth –

- **Software:** Coherence Truth or Tawraat or Philosophy or Ground of Justifiability & Validity or Idea & Idea Relation
- **Display:** Correspondence Truth or Injil or Science or Ground of Verifiability & Certainty or Idea & Object Relation or Manifested Signs & Clear Proofs
- **Hardware:** Pragmatic Truth or Zabuur or Science & Technology or Workability or Practicability
- **Unerring Knowledge:** Self-evident Truth or Furqan or Humanistic Vision of Education or Recognition and Confirmation of Clear & Distinct Manifest Truth on the basis of necessary & sufficient conditions (uniform guidelines) and infallible & unerring mandates (verifiable scientific quotes & justifiable logical rules)

A Few Fallacies which often vitiate Scientific Certainty – Subjective Self-contradiction & Objective Paradox, Plurality of Causes, Post Hoc Ergo Propter Hoc, Non-Observation of Instances, Non-observation of Essential Circumstances, Individual Mal-observation, Universal Mal-observation,

Characteristic Imperfection, Practical Imperfection, Existential Fallacy, Petitio Principii [Arguing in a Circle], Argument Ad Infinitum [Infinite Regress], Ambiguity, Equivocation, Absurdity, Vagueness, Inconsistency, Excluded Middle, Illicit Fallacies etc.

Conspiracy & Hypocrisy [Maya] – Concealment of Real such as Equal & Opposite Apriori Framework of this Manifested Nature [Conscious Conspiracy] and Projection & Communication of Unreal such as Universally Accepted Global Framework of this Equal & Opposite Manifested Nature as if Real [Manifest Hypocrisy] [Ref. Upanisad and Advaita Vedanta]

Acid Test [Iron Test] – Clearness & Distinctness

One Common – Comprehensive – Unerring – Legitimate – Clear & Distinct Text of Universal & Necessary Knowledge – Sole Equal & Opposite Manifested Nature

This Equal & Opposite Manifested Nature is One – Common – Comprehensive – Unerring – Legitimate – Clear & Distinct **Textbook of Newton's Laws and Einstein's Sciences.**

A Few Methods: - Inductive and Deductive Methods, Empirical and Rational Methods, Conversational Method of Socrates, Dialectical Method of Hegel, Kantian Method, Method of Doubt of Rene Descartes [Cartesian Method], Cogito Ergo Sum of Descartes, Dictum De Omni Et Nullo of Aristotle, Mill's Experimental Methods, Experimentum Crusis & Crucial Instances (Ultimate Scientific Method), Aristotle's Dictum De Omni Et Nullo

Moral Grounds – Kant's Three Maxims

Moral Solidarity - Three Core Moral Teachings of Bhagavad Gita, such as, 'Do what is Right', 'Choose what is Good', and 'Sticking to what is True'

Inherent Dignity – Utility of One's Upright Logic

Un-interfering Grounds – Freedom of Conscience and Liberty of Faith – Belief – Thought – Expression – Worship

Inborn Human Rights [Solidified Solid Human Rights] – Right to communicate [share & receive] Tautologous Knowledge [Vidya or Wisdom or Verifiable Framework of this Manifested Nature and Justifiable Curriculum of Neutral Science] such as 'Man is mortal' and 'I am a mortal being'

Human Rights & Universal Education – Universal & Necessary Knowledge ['Humanistic Vision of Education' mentioned in the Article – 29 of CRC and 'Ensured Quality Education' mentioned in Section – 29 of the RTE Act – 2009]

No Right – To communicate Self-contradictory & Paradoxical Knowledge [Avidya or Absolutely False Knowledge or Identified Nexus of Self-evident Plagiarisms] such as 'Man is immortal' and 'I am an immortal being' or 'Universally Accepted Global Framework of this Equal & Opposite Manifested Nature and

Nine Moving & Running Global Planets within the sole Equal & Opposite Manifested Nature' [Well Established Observational Facts of Global Science]

Axiological Aspects – Satyam Shivam Sundaram / Truth – Goodness – Beauty

Sustainable Goal – Recognized Confirmation of Vidya [Tautologous Knowledge or Universal & Necessary Knowledge], Greatest Happiness of the Greatest Number [Public Interest], Utilitarian Liberation, and Holistic Development [Sahi Vikas] of our Axiological Aspects & One Dimensional Time

Activities of the Propagators of Global Science [Anti-natural Science or Universal Acceptance of the Global Scientific Community referred by NCERT or Self-contradictory & Paradoxical Knowledge or Nexus of Self-evident Plagiarisms or Nexus of Identified Fallacious Sciences or Avidya or Absolutely False Knowledge or Global Veil of Ignorance] **are absolutely contradictory to the above placed Uniform Guidelines for Verification & Justification of Unerring Knowledge.**

Our Sovereign Constitution of India has been inspiring us to **develop 'Scientific Temperament, Humanism and the Spirit of Inquiry & Reform'** and to **strive towards excellence in all spheres of individual and collective activity so that the nation constantly rises to higher levels of endeavour and achievement [Ref. Articles 51A (h) and (j) of our Sovereign Constitution of India]**

It is my fundamental duty as a citizen of India & moral responsibility as a possessor of common sense to develop 'Scientific Temperament, Humanism and the Spirit of Inquiry & Reform'. **Scientific Temperament [Search for Truth] categorically suggests search for the Rival Hypotheses.**

I had identified lacunae [self-contradiction] in the projected 'Global Standard for Human Rights' of the United Nations in the year 1987. I had recognized & confirmed 'Equal & Opposite Apriori Framework of Natural Science' in resemblance with Unalterable Laws of Nature [Newton's Laws] and in correspondence to Reality [One – Common – Comprehensive – Unerring – Legitimate – Clear & Distinct – Manifested Text of Universal & Necessary Knowledge and Human Rights & Universal Education] on the basis of Crucial Instances / Clear Proofs in the year 2015 i.e. after almost twenty eight years of search for truth. So, my searched out findings are called **Rival Hypotheses**. As I have searched out Rival Hypotheses, it is self-evident that I am able to prove both Identified Anti-natural Framework of Natural Science and Searched out Verifiable Framework of Natural Science removing all doubts and from all perspectives / disciplines.

I had identified several fallacies objectively present in One Global Text & Excellent Curriculum of IBE – UNESCO and Textbook of Natural Science prepared by NCERT/SCERT. I had searched out Necessary Remedial Measures for the Identified Nexus of Self-evident Plagiarisms [Identified Nexus of Fallacious Sciences objectively present in One

Global Text & Excellent Curriculum of IBE – UNESCO and Textbook of Natural Science prepared by NCERT/SCERT] in resemblance with Unalterable Laws of Nature [Newton's Laws] and in correspondence to Reality [One – Common – Comprehensive – Unerring – Legitimate – Clear & Distinct – Manifested Text of Universal & Necessary Knowledge and Human Rights & Universal Education] on the basis of Crucial Instances / Clear Proofs. So, my searched out findings are called **Rival Hypotheses**. As I have searched out Rival Hypotheses, so, it is self-evident that I am able to prove both Identified Nexus of Self-contradictory & Paradoxical Sciences [Identified Nexus of Self-evident Plagiarisms] and Searched out Un-contradicted Facts of this Equal & Opposite Manifested Nature removing all doubts and from all perspectives / disciplines.

Two Rival Hypotheses [Contradictories] cannot be true together or false together from the points of view of Four Fundamental Categories of Knowledge [such as Space, Time, Substance, and Causality]. Truth of one [such as Global Framework of this Manifested Nature] will categorically imply the falsity of its rival hypothesis [such as Equal & Opposite Apriori Framework of this Manifested Nature], and conversely. That means the falsity of one [such as Global Framework of this Manifested Nature] will categorically imply the truth of its rival hypothesis [such as Equal & Opposite Apriori Framework of this Manifested Nature]. **These are Infallible & Unerring Mandates [Verifiable Scientific Quotes & Justifiable Logical Rules]**. Man-made Constitution, UN Universal Declaration, Inventions of Finite Rational Beings, Fatwas of Muslim Leaders, Interpretations of Islamic Scholars, Unanimous Agreement of Evidence Sorcerers, Mutual Understanding of the Possessors of Self-contradictory & Paradoxical Knowledge, Universal Acceptance of the Global Scientific Community referred by NCERT, 6310 Comments of the Researchers of IFTA on Verses of 'Kitaaba bil-Haq', Uncountable Science Books and Science Journals, and Innumerable Research Works making use of Public Money & Govt. Funds for the sake of Global Sustainability do not have any authority over these Infallible & Unerring Mandates [Verifiable Scientific Quotes & Justifiable Logical Rules]. We are to recognize & confirm one of the Rival Hypotheses [Contradictories] as Verifiable & Justifiable Natural Science in resemblance with Unalterable Laws of Nature [such as Newton's Laws] and in correspondence to Reality [One – Common – Comprehensive – Unerring – Legitimate – Clear & Distinct – Manifested Text of Universal & Necessary Knowledge and Human Rights & Universal Education] on the basis of Crucial Instances / Clear Proofs [such as Einstein's Electromagnetic Wave].

Each day we perceive Alteration of Day & Night [Twice Day and Twice Night] for the Equal & Opposite Eastern Daylight Time Zone [North America and South America] and Western Daylight Time Zone [Africa, Asia, Australia, Arabian Peninsula, and Europe] within the East Horizon of the Upright Rectangular Universe. We have not yet perceived 'Common Run' of the so-called Sun [Sister Planet Venus] for the Equal & Opposite Eastern Daylight Time Zone [North America and South America] and Western Daylight Time Zone [Africa, Asia, Australia, Arabian Peninsula, and Europe] within the East Horizon of the

Upright Rectangular Universe. Moreover, Global Scientists have recognized & confirmed Morning Show and Evening Show of the Sister Planet Venus [so-called Sun] for the Equal & Opposite Eastern Daylight Time Zone [North America and South America] and Western Daylight Time Zone [Africa, Asia, Australia, Arabian Peninsula, and Europe] within the East Horizon of the Upright Rectangular Universe. Further, Einstein has recognized Electromagnetic Force and Electroweak Force for the Equal & Opposite Eastern Daylight Time Zone [North America and South America] and Western Daylight Time Zone [Africa, Asia, Australia, Arabian Peninsula, and Europe] within the East Horizon of the Upright Rectangular Universe. Again, Newton's Third Law – 'Equal & Opposite' is an Unalterable Law of Nature. So, it is self-evident that 'Equal & Opposite' is the Apriori Framework of Natural Science. In other words, 'Equal & Opposite' is the Verifiable & Justifiable Framework of this Manifested Nature [Natural Science].

Now, it is my fundamental duty & moral responsibility to place searched our Rival Hypotheses before concerned authorities from the local level to the United Nations [including Islamic Scholars and Muslim Leaders] seeking Scientific & Constitutional Remedies for the Identified Basic Scientific Issues [Rival Hypotheses or Contradictories] as per 'Sciences have their own Concepts and Science Education in correspondence to Reality' mentioned in Page – 27 of our NCF – 2005, 'Ensured Quality Education' mentioned in Section – 29 of the RTE Act – 2009, 'Necessary Humanistic Vision of Education' mentioned in the Article – 29 of CRC, 'A World Fit for Children' adopted on UN General Assembly – 2002, 'Human Rights & Universal Education' mentioned on UNESCO's Contributions, 'Quality Education' mentioned in our National Education Policy, and in conformity with the Values enshrined in our Constitution [Ref. Sub-section – 29 (1) (a) of the RTE Act – 2009].

Simultaneously, it is the fundamental duty & moral responsibility of the concerned authorities from the local level to the United Nations [including Islamic Scholars and Muslim Leaders] to take necessary steps / to make necessary arrangements with a view to provide us recognized confirmation of Verifiable Framework & Justifiable Curriculum of Natural Science [Necessary Remedial Measures for the Identified Basic Scientific Issues] for the sake of Sanctity of Education, Significance of Scientific Certainty, our Inherent Dignity & Moral Solidarity, Freedom of Conscience, Liberty of Faith – Belief – Thought – Expression – Worship, Holistic Development of our Axiological Aspects & One Dimensional Time, Existential Import of Secularity & Democracy, Sovereignty of our Constitution, Unalterable Laws of Nature, Un-interfering Natural Mechanisms, Un-contradicted Facts of this Manifested Nature, so far Established Right to Education & Human Rights, UN Universal Declaration of our Inalienable Human Rights, International Humanitarian Laws, International Treaties on our Inalienable Human Rights, Science & Constitution, Constitution & Legitimacy, Fundamental Duties & Moral Responsibilities, Grievance Redress Mechanism & Functioning of the Govt., Right & Justice, Truth & Justice, and Utilitarian Liberation & Common End [Public Interest].

Legitimate Grounds: References of a few legitimate grounds regarding our Fundamental Duties & Moral Responsibilities are as follows –

- UN Universal Declaration of our Inalienable Human Rights [First Generation: Natural & Environmental Rights, Second Generation: Essential & Fundamental Rights and Social & Cultural Rights, and Third Generation: Un-interfering & Inviolable Religious Rights (specifically Four Foundational Solidarity Rights in Islam) and Guaranteed Child Rights & Uncompromising Constitutional Rights]
- International Human Rights Laws [Specific Reference: International Convention on the Rights of the Child ('Necessary Humanistic Vision of Education' mentioned in the Article – 29 of CRC) – UN Universal Declaration of our Inalienable Human Rights [Specific Articles – 1, 2, 3, 5, 6, 7, 8, 10, 12, 16, 18, 19, 22, 23, 26, 27, 28, and 30] and 'A World Fit for Children' adopted on UN General Assembly (2002) – International Treaties on our Inalienable Human Rights]
- Fundamental Rights {13 (1), (2), (3)} – Right to Equality (14) – Right to Freedom {19 (1) (a) and 21} – Right to Freedom of Religion {25 (1)} – Fundamental Duties {51A (c), (d), (e), (h), (g), (j), and (k)} mentioned in our Sovereign Constitution of India
- National Education Policy (1986/2020), National Curriculum Framework (NCF – 2005), Right to Education Act (2009), Right to Information Act [2005], The Protection of Human Rights Act (1993), The National Commission for Minorities Act (1992), The Commissions for Protection of Child Rights Act (2005)
- University Grants Commission: Notification: University Grants Commission (Promotion of Academic Integrity and Prevention of Plagiarism in Higher Educational Institutions) Regulations, 2018 [New Delhi, the 23rd July, 2018]

There is no such **Justifiable Legitimacy** [Constitution, Law, Article, Act, Section, Rule, Regulation, Guideline, Parameter, Declaration, or Policy] which is inspiring us for communicating [sharing & receiving] projected Anti-natural Framework of Natural Science [Global Framework of this Equal & Opposite Manifested Nature or Global Standard for Human Rights] and identified Nexus of Self-evident Plagiarisms [Man-made Natural Sciences or Well Established Observational Facts of Global Science or Self-contradictory & Paradoxical Sciences or Identified Handworks of Manifested Devils or Universal Acceptance of an Anti-natural Community or Identified Nexus of Fallacious Sciences or One Global Text & Conspiracy Curriculum of IBE – UNESCO] going absolutely contradictory to the above placed references of Legitimate Grounds regarding our Fundamental Duties & Moral Responsibilities. On the contrary, the above placed references of Legitimate Grounds regarding our Fundamental Duties & Moral Responsibilities have been prohibiting us from communicating [sharing & receiving] projected Anti-natural Framework of Natural Science [Global Framework of this Equal & Opposite Manifested Nature or Global Standard for Human Rights] and identified Nexus of Self-evident Plagiarisms [Man-made Natural Sciences or Well Established Observational Facts of Global Science or Self-contradictory & Paradoxical Sciences or

Identified Handworks of Manifested Devils or Universal Acceptance of an Anti-natural Community or Identified Nexus of Fallacious Sciences or One Global Text & Conspiracy Curriculum of IBE – UNESCO] for the sake of the existential imports of Infallible & Unerring Revelations, Unalterable Laws of Nature such as Newton's Laws & Un-interfering Natural Mechanisms such as Einstein's Sciences, Un-contradicted Facts of this Equal & Opposite Manifested Nature, Science & Constitution, Constitution & Legitimacy, Sanctity of Education & Significance of Scientific Certainty, Inherent Dignity & Moral Solidarity, Freedom of Conscience & Liberty of Faith – Belief – Thought – Expression – Worship, Holistic Development of our Axiological Aspects [Truth – Goodness – Beauty / Satyam Shivam Shundaram] & One Dimensional Time, Secularity & Democracy, Sovereignty of the Constitution of each Member State of UN, Grievance Redress Mechanism & Functioning of the Govt., Right & Justice, Truth & Justice, Utilitarian Liberation & Common End [Public Interest].

It is our Inborn Human Rights / UN Universal Declaration of Inalienable Human Rights [First

Generation: Natural & Environmental Rights, Second Generation: Essential & Fundamental Rights and Social & Cultural Rights, and Third Generation: Un-interfering & Inviolable Religious Rights (specifically Four Foundational Solidarity Rights in Islam) and Guaranteed Child Rights & Uncompromising Constitutional Rights] to communicate [share & receive] **Unerring Knowledge** [Vidya or Tautologous Knowledge or Universal & Necessary Knowledge] i.e. Equal & Opposite Apriori Framework of Natural Science and searched out Un-contradicted Facts of this Equal & Opposite Manifested Nature such as Sirius Binary System, Four Basic Fields – Four Basic Forces – Four Cardinal Directions of Helium-4 Atom, Four Points of Light, Natural Magnetism, Uranian System, Mercurial System, Barrier between Equal and Opposite Natural Mechanism [Solar System], Right Direction of Performing Prayer towards Upright West Region of the Appointed Kaba, Appointed Day of Performing Hajj, and Appointed Day of Observing Idd etc. More specifically, it is our Uncompromising Constitutional Rights to communicate [share & receive] **Unerring Knowledge** [Vidya or Tautologous Knowledge or Universal & Necessary Knowledge] in correspondence to Reality mentioned in Page – 27 of our NCF – 2005 and in 'Conformity with the Values Enshrined in the Constitution' mentioned in Sub-section 29 (1) (a) of the RTE Act – 2009.

There is no such established legitimacy which will prohibit us from communicating [sharing & receiving] Unerring Knowledge [Vidya or Tautologous Knowledge or Universal & Necessary Knowledge] i.e. Equal & Opposite Apriori Framework of Natural Science and searched out Un-contradicted Facts of this Equal & Opposite Manifested Nature [Verifiable Framework of Natural Science and Justifiable Curriculum of Human Rights & Universal Education] as per 'Observation in correspondence to Reality' mentioned in Page – 27 of our NCF – 2005 and in 'Conformity with the Values Enshrined in the Constitution' mentioned in Sub-section 29 (1) (a) of the RTE Act – 2009. So, an authority/organization does not have any legitimate right to prohibit us from communicating [sharing &

receiving] Unerring Knowledge [Vidya or Tautologous Knowledge or Universal & Necessary Knowledge] i.e. Equal & Opposite Apriori Framework of Natural Science and searched out Un-contradicted Facts of this Equal & Opposite Manifested Nature [Verifiable Framework of Natural Science and Justifiable Curriculum of Human Rights & Universal Education] as per ‘Observation in correspondence to Reality’ mentioned in Page – 27 of our NCF – 2005 and in ‘Conformity with the Values Enshrined in the Constitution’ mentioned in Sub-section 29 (1) (a) of the RTE Act – 2009.

“Scientific Temperament, Humanism and the Spirit of Inquiry & Reform’ mentioned in the Article 51A (h) of our Sovereign Constitution of India has been inspiring us to recognize & confirm Unerring Knowledge [Vidya or Universal & Necessary Knowledge or Verifiable Science & Justifiable Philosophy or Verifiable Framework & Justifiable Curriculum of Human Rights & Universal Education]. In other words, it is our Fundamental Duty as citizens of India & Moral Responsibility as possessors of common sense to recognize & confirm Unerring Knowledge [Vidya or Universal & Necessary Knowledge or Verifiable Science & Justifiable Philosophy or Verifiable Framework & Justifiable Curriculum of Human Rights & Universal Education] as per ‘Science Education in correspondence to Reality’ mentioned in Page – 27 of our NCF – 2005, ‘Ensured Quality Education’ mentioned in Section – 29 of the RTE Act – 2009, ‘Necessary Humanistic Vision of Education’ mentioned in the Article – 29 of CRC, ‘A World Fit for Children’ adopted on UN General Assembly – 2002, ‘Human Rights & Universal Education’ mentioned on UNESCO’s Contributions, ‘Quality Education’ mentioned in our National Education Policy – 1986/2020, and in Conformity with the Values enshrined in the Constitution [Ref. Sub-section – 29 (1) (a) of the RTE Act – 2009].

Method – Aristotle’s Dictum De Omni Et Nullo

Aristotle’s Dictum De Omni Et Nullo presupposes that the Major Premise [**Framework or Constitution**] must be Universal and the Minor Premise [**Curriculum or Witness**] must be Affirmative.

Major Premise: Verifiable & Justifiable Framework or Formal Ground [**Universal Major Premise** or Necessary Relation between Equal and Opposite such as Necessary Relation between Equal & Opposite Birth and Death e.g. All men are mortal]

Minor Premise: Verifiable & Justifiable Curriculum or Material Ground [**Affirmative Minor Premise** i.e. Observation of Particular Instances under Natural Circumstances or Observation in correspondence to Reality or Marks of Manifest Truth or Unerring Witness or Positive Case e.g. Ram is a man]

Conclusion: Unerring Knowledge [**Self-evident Truth or Justice** e.g. Ram is mortal]

Method: Indian Logic

Major Premise: Verifiable & Justifiable Framework or Formal Ground [**Vyapti** i.e. Necessary Relation between

Equal and Opposite such as Necessary Relation between Equal & Opposite Birth and Death e.g. All men are mortal]

Minor Premise: Verifiable & Justifiable Curriculum or Material Ground [**Paksa-dharmata** i.e. Observation of Particular Instances under Natural Circumstances or Observation in correspondence to Reality or Marks of Manifest Truth e.g. Ram is a man]

Conclusion: Unerring Knowledge [Self-evident Truth or **Nigamana** e.g. Ram is mortal]

Method: Kitaaba bil-Haq

Major Premise: Verifiable & Justifiable Framework or Formal Ground [**Tawraat** i.e. Necessary Relation between Equal and Opposite such as Necessary Relation between Equal & Opposite Birth and Death e.g. All men are mortal]

Minor Premise: Verifiable & Justifiable Curriculum or Material Ground [**Injil** i.e. Observation of Particular Instances under Natural Circumstances or Observation in correspondence to Reality or Marks of Manifest Truth e.g. Ram is a man]

Conclusion: Unerring Knowledge [Self-evident Truth or **Furqan** e.g. Ram is mortal]

Method: Neutral Science

Major Premise: Verifiable & Justifiable Framework or Formal Ground of Scientific Certainty [Equal & Opposite Apriori Framework of Natural Science or Unalterable Law of Nature such as Newton’s Third Law – ‘Equal & Opposite’]

Minor Premise: Verifiable & Justifiable Curriculum or Material Ground of Scientific Certainty [Observation of Particular Instances under Natural Circumstances or ‘Observation in correspondence to Reality’ mentioned in Page – 27 of our National Curriculum Framework – 2005 or Crucial Instance or Clear Proof or Positive Case or Manifested Sign & Scientific Proof such as Einstein’s Binary Pulsar]

Conclusion: Unerring Knowledge [Self-evident Truth or Scientific Certainty e.g. Infallible & Unerring Statistics regarding Alteration of Day & Night in a Day for the Equal & Opposite Eastern Daylight Time Zone and Western Daylight Time Zone]

Let us consider Two Rival Hypotheses [Two Formally Valid Arguments].

Aristotle’s Dictum De Omni Et Nullo			
Two Formally Valid Arguments		FVA ₁	FVA ₂
Major Premise	‘A’ Proposition	Man is immortal.	Man is mortal.
Minor Premise	‘A’ Proposition	Ram is a man.	Ram is a man.
Conclusion	‘A’ Proposition	Ram is immortal.	Ram is mortal.
Valid Mood		BARBARA	BARBARA

Both FVA_1 and FVA_2 are formally valid arguments. The basic difference between FVA_1 and FVA_2 is that the Major Premise [Framework] of FVA_1 is absolutely contradictory to Unalterable Law of Nature such as Newton's Third Law – 'Equal & Opposite'; while the Major Premise [Framework] of FVA_2 resembles the Unalterable Law of Nature such as Newton's Third Law – 'Equal & Opposite'.

There is no Necessary Relation between Birth and Immortality. Moreover, we perceive death of particular persons. The Major Premise [Framework] of FVA_1 is absolutely contradictory to observation of particular instances ['observation in correspondence to reality' mentioned in Page – 27 of our NCF - 2005]. Further, we have not yet perceived immortal men. So, the Major Premise [Framework] of FVA_1 cannot be considered as Universal Major Premise [Verifiable Framework]. The Major Premise [Framework] of FVA_1 is the Foundation of Self-contradictory & Paradoxical Knowledge such as 'Ram is immortal'.

Similarly, Universally Accepted Global Framework of this Equal & Opposite Manifested Nature [UN Universal Declaration of Global Standard for Human Rights or Copernican Hypothesis] is absolutely contradictory to Unalterable Law of Nature such as Newton's Third Law – 'Equal & Opposite'. Each day we perceive Alteration of Day & Night [Twice Day & Twice Night] for the Equal & Opposite Eastern Daylight Time Zone [North America and South America] and Western Daylight Time Zone [Africa, Asia, Australia, Arabian Peninsula, and Europe]. We have not yet perceived the 'Common Run' of the so-called Sun for the Equal & Opposite Eastern Daylight Time Zone [North America and South America] and Western Daylight Time Zone [Africa, Asia, Australia, Arabian Peninsula, and Europe]. So, Universally Accepted Global Framework of this Manifested Nature [UN Universal Declaration of Global Standard for Human Rights or Copernican Hypothesis] is absolutely contradictory to observation of particular instances ['observation in correspondence to reality' mentioned in our NCF – 2005]. Moreover, Universally Accepted Global Framework of this Manifested Nature [UN Universal Declaration of Global Standard for Human Rights or Copernican Hypothesis] is absolutely contradictory to Sirius Binary System, Natural Magnetism, Uranian System, and Einstein's Binary Pulsar. Universally Accepted Global Framework of this Manifested Nature [UN Universal Declaration of Global Standard for Human Rights or Copernican Hypothesis] is also contradictory to the existential import of Solar System [Barrier between Equal and Opposite Natural Mechanism or Einstein's Gravitational Wave]. Universally Accepted Global Framework of this Manifested Nature [UN Universal Declaration of Global Standard for Human Rights or Copernican Hypothesis] is also contradictory to our National Curriculum Framework – 2005 i.e. 'Sciences-in-Themselves and Observation in correspondence to Reality' mentioned in '2.5.3 – Forms of Understanding', Page – 27 of our NCF - 2005. Universally Accepted Global Framework of this Manifested Nature [UN Universal Declaration of Global Standard for Human Rights or Copernican Hypothesis] is also contradictory to **Values enshrined in our Sovereign Constitution of India** i.e. Sub-section 29 (1) (a) of RTE Act - 2009. So, **Universally**

Accepted Global Framework of this Manifested Nature [UN Universal Declaration of Global Standard for Human Rights or Copernican Hypothesis] **cannot be considered as Universal Major Premise of Aristotle's Dictum De Omni Et Nullo** [Verifiable Framework of Universal & Necessary Knowledge / Formal Ground of Human Rights & Universal Education]. Universally Accepted Global Framework of this Manifested Nature [UN Universal Declaration of Global Standard for Human Rights or Copernican Universal Mal-observation] is the **Root** of Self-contradictory & Paradoxical Knowledge [Identified Nexus of Self-evident Plagiarisms]. **We are self-evident victims of nothing but Universally Accepted Global Framework of this Equal & Opposite Manifested Nature** [UN Universal Declaration of Global Standard for Human Rights or Copernican Universal Mal-observation] as the Framework of Universal & Necessary Knowledge / Formal Ground of Human Rights & Universal Education.

*There is a difference between a Hypothesis and a Law. A hypothesis such as Copernican Hypothesis is **yet to be proved**. A Law such as Newton's Third Law – 'Equal & Opposite' is verifiable & justifiable from all perspectives/disciplines i.e. **already proved**. We are absolutely unable to falsify & reject Newton's Third Law – 'Equal & Opposite'. Now, communication of Newton's Third Law – 'Equal & Opposite' is not plagiarism. On the contrary, it is our fundamental duty & moral responsibility to communicate Newton's Third Law – 'Equal & Opposite' for the sake of the existential imports of Universal & Necessary Knowledge and Human Rights & Universal Education.*

Both Copernican Hypothesis and Newton's Third Law – 'Equal & Opposite' are contradictory to each other [Rival Hypotheses]. So, both cannot be true together or false together from the points of view of four fundamental categories of knowledge such as space, time, substance, and causality. However, both Copernican Hypothesis and Newton's Third Law – 'Equal & Opposite' are objectively present within the Framework & Curriculum of Natural Science. This is called **Subjective**

Self-contradiction & Objective Paradox

If Copernican Hypothesis is a Verifiable Natural Science, then Newton's Third Law is an Anti-natural Science. If Newton's Third Law is a Verifiable Science, then Copernican Hypothesis is an Anti-natural Science. As Newton's Third Law – 'Equal & Opposite' is Verifiable & Justifiable from all perspectives/disciplines, so, **Copernican Hypothesis is an Anti-natural & Unscientific Hypothesis**. Now, communication of Copernican Hypothesis is called **Plagiarism**. Un-interrupted communication of Copernican Hypothesis is called **Nexus of Self-evident Plagiarisms**.

Similarly, Two Contradictories [Rival Hypotheses] such as 'Universally Accepted Global Framework' and 'Equal & Opposite Apriori Framework' cannot be the Framework of this Manifested Nature [Framework of Natural Science] from the points of view of Four Fundamental Categories of Knowledge [Space, Time, Substance, and Causality]. It is our fundamental duty & moral responsibility to recognize & confirm Verifiable Framework of Natural Science.

Simultaneously, it is our fundamental duty & moral responsibility to erase the Anti-natural Framework of Natural Science.

Each day we perceive Alteration of Day & Night for the Equal & Opposite Eastern Daylight Time Zone [North America and South America] and Western Daylight Time Zone [Africa, Asia, Australia, Arabian Peninsula, and Europe]. We have not yet perceived 'Common Run' of the so-called Sun for the Equal & Opposite Eastern Daylight Time Zone and Western Daylight Time Zone. Moreover, Un-contradicted Facts of this Equal & Opposite Manifested Nature such as Sirius Binary System, Mercurial System, Natural Magnetism, Uranian System, Newton's Visual Binaries, Morning Show & Evening Show of the Sister Planet Venus, Electromagnetic Force and Electroweak Force, and Einstein's Binary Pulsar etc. have been proving Equal & Opposite Apriori Framework of this Manifested Nature.

However, at present 'Universally Accepted Global Framework' is being taught as the 'Framework of Natural Science' at school going absolutely contradictory to Newton's Third Law – 'Equal & Opposite' and Un-contradicted Facts of this Equal & Opposite Manifested Nature such as Alteration of Day & Night in a Day, Sirius Binary System, Mercurial System, Natural Magnetism, Uranian System, Newton's Visual Binaries, Morning Show & Evening Show of the Sister Planet Venus, Electromagnetic Force and Electroweak Force, and Einstein's Binary Pulsar [Electromagnetic Waves and Gravitational Waves] etc.

The Major Premise [Framework] of FVA₂ resembles the Unalterable Law of Nature such as Newton's Third Law – 'Equal & Opposite'. There is a necessary relation between Equal & Opposite Birth and Death. Moreover, we perceive death of particular persons. We have not yet perceived immortal men. So, the Major Premise [Framework] of FVA₂ is a Universal Major Premise of Aristotle's Dictum De Omni Et Nullo [Verifiable Framework of Universal & Necessary Knowledge / Justifiable Formal Ground of Human Rights & Universal Education]. The deduced conclusion is called Unerring Knowledge [Self-evident Truth or Verifiable Certain Knowledge (Science) & Justifiable Valid Knowledge (Philosophy)]. It is our Inborn Human Rights [UN Universal Declaration of our Inalienable Human Rights] to communicate [share & receive] Unerring Knowledge [Self-evident Truth or Verifiable Certain Knowledge (Science) & Justifiable Valid Knowledge (Philosophy)]. Searched out Equal & Opposite Apriori Framework of Natural Science resembles the Universal Major Premise of FVA₂ i.e. Man is mortal. So, searched out 'Equal & Opposite Apriori Framework of Natural Science' is the Verifiable Framework of Universal & Necessary Knowledge / Justifiable Formal Ground of Human Rights & Universal Education.

It is our Inborn Human Right [UN Universal Declaration of our Inalienable Human Right] to communicate [share & receive] Equal & Opposite Apriori Framework of Natural Science [Verifiable Framework of this Manifested Nature] and Un-contradicted Facts of this Equal & Opposite

Manifested Nature such as Sirius Binary System [Binary Star System], Sirius A and White Dwarf Companion Sirius B, Helium-4 Atom, Four Basic Fields – Four Basic Forces – Four Cardinal Directions of Helium-4 Atom, Two Horizons [East Horizon and West Horizon] and Two Hemispheres [Northern Hemisphere and Southern Hemisphere] of Helium-4 Atom, Upright Rectangular Universe, Galaxy of Approximately 124000 Stars like Diamonds, Immovable Hexagonal World, Appearing Pentagonal Earth like 9/11 Pentagon, Three Ascending Stairs of the Appearing Pentagonal Earth like Spiders' Net, Four Points of Light, Four Galilean Moons, Newton's Visual Binaries, Einstein's Binary Pulsar, Einstein's Electromagnetic Waves and Gravitational Waves, Einstein's Electromagnetic Force and Electroweak Force, Leaning Tower of Galileo, Tallest Tree of Newton, Prime Meridian since Manifestation, Kepler's Minor Axis – Semi-major Axis – Major Axis, Infallible & Unerring Statistics regarding Alteration of Day & Night in a Day, Manifested Sign of Natural Magnetism & Scientific Proof of Natural Magnetic Directions, E-Point [Aphelion] and T-Point [Perihelion], Morning Show & Evening Show of the Sister Planet Venus, Periodic Motion of the Planet Uranus of each Zone, Natural Magnetism, Uranian System, Mercurial System, Barrier between Equal and Opposite Natural Mechanism [Solar System], Right Direction of Performing Prayer towards Upright West Region of the Appointed Kaba, Appointed Day of Performing Hajj, and Appointed Day of Observing Idd etc. without a Broken Bar.

It is our Formal & Legitimate Right to communicate One – Common – Comprehensive – Unerring – Clear & Distinct – Manifested Text of Newton's Laws [Unalterable Laws of Nature] and Einstein's Sciences [Manifested Signs & Clear Proofs] i.e. Un-contradicted Facts of this Equal & Opposite Manifested Nature.

If possessors of common sense [common people] and possessors of balanced good sense [Respected Lawyers and Hon'ble Judges] justify that the Major Premise [Framework] of FVA₁ is expressing **Necessary Relation between Birth and Immortality** going contradictory to observation of particular instances i.e. death of particular persons, then they will consider the Major Premise [Framework] of FVA₁ as Verifiable & Justifiable Framework [Universal Major Premise of Aristotle's Dictum De Omni Et Nullo or Formal Ground of Scientific Certainty]. More specifically, they will consider the UN Universal Declaration of 'Global Standard' as the Universal Major Premise of Aristotle's Dictum De Omni Et Nullo.

We have not yet perceived the 'Common Run' of the so-called Sun for the Equal & Opposite Eastern Daylight Time Zone [North America and South America] and Western Daylight Time Zone [Africa, Asia, Australia, Arabian Peninsula, and Europe]. We have not yet perceived 'Common Run' of Neil Arm Strong's visited Moon [NASA's Moon] for the Equal & Opposite West Zone and East Zone. We have not yet perceived Nine Moving & Running Global Planets within this Equal & Opposite Manifested Nature. Moreover, each day we perceive Alteration of Day & Night [Twice Day and Twice Night] for the Equal & Opposite Eastern Daylight Time Zone of North America and Western Daylight Time Zone of Asia. We also

perceive sporadic appearance of the White Moon of our Zone during broad daylight. We also perceive Solar Eclipse / Lunar Eclipse. Further, it is also being taught that when it is day-time for North America, it is night-time for Asia; when it is day-time for Asia, it is night-time for North America. Again, Morning Show & Evening Show of the Sister Planet Venus, Einstein's Electromagnetic Force & Electroweak Force, Einstein's Binary Pulsar, Periodic Motion of the Planet Uranus of each Zone [Newton's Visual Binaries], Uranian System, Natural Magnetism, and Einstein's Gravitational Wave [Solar System] are objectively present within the curriculum of Natural Science.

Now, if possessors of common sense [common people] and possessors of balanced good sense [Respected Lawyers and Hon'ble Judges] justify that **Universally Accepted Global Framework of an Anti-natural Community is the Verifiable Framework of Natural Science** [Universal Major Premise of Aristotle's Dictum De Omni Et Nullo or Formal Ground of Scientific Certainty] going contradictory to Unalterable Law of Nature such as Newton's Third Law – 'Equal & Opposite', 'Observation in correspondence to Reality' mentioned in Page – 27 of our NCF – 2005 such as Alteration of Day & Night in a Day for the Equal & Opposite Eastern Daylight Time Zone [North America and South America] and Western Daylight Time Zone [Africa, Asia, Australia, Arabian Peninsula, and Europe], Morning Show & Evening Show of the Sister Planet Venus, Einstein's Electromagnetic Force & Electroweak Force, Periodic Motion of the Planet Uranus of each Zone [Newton's Visual Binaries], Uranian System, Natural Magnetism, and Einstein's Binary Pulsar [Electromagnetic Waves and Gravitational Waves], then they will justify **UN Universal Declaration of Global Standard for Human Rights as the Verifiable & Justifiable Standard for our Inborn Human Rights** [Formal Ground of UN Universal Declaration of our Inalienable Human Rights].

We perceive death of particular persons. Perception of the death of a particular person is called **Crucial Instance** [Clear Proof or Eye Opening Evidence or Unerring Witness or Positive Case or Paksa Dharmata or Injiil or Affirmative Minor Premise of Aristotle's Dictum De Omni Et Nullo]. Now, if I communicate with my dear students and my beloved children that man is immortal and I am an immortal being going absolutely contradictory to perception of the death of particular persons i.e. Crucial Instance [Clear Proof or Eye Opening Evidence or Unerring Witness or Positive Case or Paksa Dharmata or Injiil or Affirmative Minor Premise of Aristotle's Dictum De Omni Et Nullo], then I am sharing self-contradictory knowledge [avidya or absolutely false knowledge]. **Communication of absolutely false knowledge [avidya or self-contradictory knowledge] is called Plagiarism.** Now, if each & every teacher communicates with his/her students that man is immortal and we are immortal beings going absolutely contradictory to perception of the death of particular persons i.e. Crucial Instance [Clear Proof or Eye Opening Evidence or Unerring Witness or Positive Case or Paksa Dharmata or Injiil or Affirmative Minor Premise of Aristotle's Dictum De Omni Et Nullo], then it is called **Nexus of Self-evident Plagiarisms.** Global Scientists and followers of the Global

Scientific Community referred by NCERT are the propagators of the Identified Nexus of Self-evident Plagiarisms.

Suppose there were 100 students in an examination hall. Only one student knew the answer to the question – $[(3 + 5) = ?]$. Rest of the students [99 students] copied from his/her answer script as $[(3 + 5) = 8]$. You were not present in the examination hall. Now, you are examining 100 answer scripts. You are absolutely unable to identify lacunae in their answer scripts because they copied truth. So, **copying the truth is not plagiarism.** If people of the entire world copy 'Equal & Opposite Apriori Framework of Natural Science' from my pen-paper-pencil works, then it is not plagiarism. On the contrary, it is the fundamental duty & moral responsibility of each & every individual endowed with conscience [sense of right & wrong] to communicate [share & receive] Equal & Opposite Apriori Framework of Natural Science.

Suppose there were 100 students in another examination hall. None knew the answer to the question – $[(3 + 5) = ?]$. One student answered on the basis of conjecture that $[(3 + 5) = 9]$. Rest of the students [99 students] copied from his/her answer script as $[(3 + 5) = 9]$. You were not present in the examination hall. Now, you are examining 100 answer scripts. If you know the truth that $[(3 + 5) = 8]$, then you will be able **to identify the nexus of self-evident plagiarisms.** Moreover, you will be able to recognize the quality of imparted basic mathematics in that particular institution and negligence of the invigilators. So, **copying falsehood is called plagiarism and uninterrupted communication of falsehood is called nexus of self-evident plagiarism.** However, if you do not know the truth that $[(3 + 5) = 8]$, then you are unable to identify the nexus of self-evident plagiarisms. Similarly, if you fail to recognize & confirm Universal Major Premise of Aristotle's Dictum De Omni Et Nullo such as Equal & Opposite Apriori Framework of Natural Science, then you are unable to identify the Nexus of Self-evident Plagiarisms.

I am an academic research scholar on 'Solidarity Rights in Islam' bearing Academic Ph. D. Registration No. 2491/14 under Assam University, India. I arranged searched out Rival Hypotheses [Contradictories] and Four Foundational Solidarity Rights in Islam [Firm Faith, Practical Belief, Right Direction, and Appointed Days] following Ultimate Scientific Method [Experimentum Crusis & Crucial Instances] and Aristotle Dictum De Omni Et Nullo. I got my first book self-published by Partridge Publishing on the 5th August, 2016. There was no pen-paper-pencil work on 'Equal & Opposite Apriori Framework of Natural Science and several Un-contradicted Facts of this Equal & Opposite Manifested Nature' prior to my first book 'Kitaaba Wal-Hikmata or Manifested Nature and the Utility of One's Upright Logic – I' published by Partridge Publishing on August 5, 2016. It is certain like Alteration of Day & Night in a Day that 'Kitaaba Wal-Hikmata or Manifested Nature and the Utility of One's Upright Logic – I' published by Partridge Publishing on the 5th August, 2016 is the First Pen-Paper-Pencil Work on Verifiable Framework & Justifiable Curriculum of Natural Science throughout the history of projected & communicated global epistemology.

Three hard copies of 'Kitaaba Wal-Hikmata or Manifested Nature and the Utility of One's Upright Logic – I' were submitted to Assam University on the 26th September, 2016 seeking an Evaluation Report of my preliminary works so that I might apply for the Final Registration of my Academic Ph. D. Research Work on the basis of 'Evaluation Report'. Simultaneously, 100 hard copies of 'Kitaaba Wal-Hikmata or Manifested Nature and the Utility of One's Upright Logic – I' were placed before concerned authorities from the local level to the United Nations [including Islamic Scholars and Muslim Leaders] for Verification & Justification of the Searched out Apriori Sciences [Equal & Opposite Apriori Framework of Natural Science and several Un-contradicted Facts of this Equal & Opposite Manifested Nature].

Assam University did not provide an Evaluation Report of my preliminary works. On the contrary, Assam University projected cancellation of my Academic Ph. D. Registration on Govt. PgPortal after 11 months from the date of submission of my searched out findings, within a valid period of my academic Ph. D. Registration, and without providing an Evaluation Report of my preliminary works. So, I could not apply for the Final Registration of my Academic Ph. D. Research Work on 'Solidarity Rights in Islam' bearing Academic Ph. D. Registration No. 2491/14 under Assam University, India.

I had placed hard copy of 'Kitaaba Wal-Hikmata or Manifested Nature and the Utility of One's Upright Logic – I' before Hon'ble Education Minister of Assam, India in the year 2016 for Verification & Justification of the searched out Natural Science as per our NCF – 2005. Hon'ble Education Minister of Assam, India decided to conduct Gunotsav: Assam [Evaluation of Imparted Ensured Quality Education & Celebration of our Achievements] as per our NCF – 2005 and RTE Act – 2009 on the basis of Six Gujarat Model Indicators. So, we placed just 25 Rival Hypotheses [Basic Scientific Issues / Contradictories] related to Class – II Standard Basic Scientific Knowledge [Human Rights & Universal Education] before concerned State Public Information Officers and concerned Central Public Information Officers seeking authentic information as per our NCF – 2005 and RTE Act – 2009.

"The information sought is of deep scientific background" [Ministry of Science & Technology, Govt. of India, **Letter No. A1/14/4/RTI/2017 dated 07/4/2017**] and "The subject matter is seeking information on 25 points which are of deep scientific background." [Ministry of Science & Technology, Govt. of India, **Letter No. SR/MF/Z-04/2017 dated 16/01/2018**]

There are uncountable science books and science journals [black & white records]. Moreover, each authority has been trying to communicate verifiable framework & justifiable curriculum of natural science as per our NCF – 2005 and RTE Act – 2009. More specifically, each authority has been trying to communicate unerring knowledge [vidya or wisdom] free from the nexus of self-evident plagiarisms [nexus of self-contradictory & paradoxical knowledge]. However, concerned State Public Information Officers and concerned Central Public Information Officers failed to

provide us authentic information regarding just 25 Basic Scientific Issues [Rival Hypotheses or Contradictories] related to Human Rights & Universal Education [Sarva Siksha] as per our NCF – 2005 and RTE Act – 2009. So, conscious & intentional violation of our Inborn Human Rights / UN Universal Declaration of our Inalienable Human Rights projecting Anti-natural Framework of Natural Science [Global Framework of this Equal & Opposite Manifested Nature / Global Standard for Human Rights] and propagating Identified Nexus of Self-evident Plagiarisms [Man-made Natural Sciences / Well Established Global Technologies / Identified Nexus of Fallacious Sciences] was crystal clear before concerned State Public Information Officers and concerned Central Public Information Officers in the year 2017-18. You will find references of the absolute failure of the concerned Public Information Officers in **Pages – 166 to 271 of 'Science & Constitution' published by Notion Press with ISBN: 978-1-64899-992-5**. However, Hon'ble Education Minister of Assam, India and concerned authorities to the Govt. of Assam successfully conducted Gunotsav: 2017 and Gunotsav: 2018 as per our NCF – 2005 and RTE Act – 2009. So, Hon'ble Education Minister of Assam, India and concerned authorities to the Govt. of Assam are able to provide us Scientific & Constitutional Remedies for the Identified 90 Basic Scientific Issues [Rival Hypotheses / Contradictories] as per our NCF – 2005 and RTE Act – 2009.

Two Rival Hypotheses regarding Alteration of Day & Night in a Day for the Equal & Opposite Eastern Daylight Time Zone [North America and South America] and Western Daylight Time Zone [Africa, Asia, Australia, Arabian Peninsula, and Europe] were placed before concerned Public Information Officers seeking authentic Information.

RH₁ – Post Hoc Ergo Propter Hoc Statistics – The so-called Sun [Sister Planet Venus or Einstein's Electromagnetic Wave or Light or BULLET of UNO] as the Manifested Sign of Natural Magnetism & Scientific Proof of Natural Magnetic Directions [Magnetic Field and Weak Field / E-Point and T-Point / Aphelion and Perihelion] rises once from the East and sets once in the West to cause the Alteration of Day & Night in a Day [Twice Day & Twice Night within 24 Hours] for the Equal & Opposite Eastern Daylight Time Zone [North America and South America] and Western Daylight Time Zone [Africa, Asia, Australia, Arabian Peninsula, and Europe] within the East Horizon of the Upright Rectangular Universe following Universal Acceptance of the Global Scientific Community referred by NCERT.

RH₂ – Infallible & Unerring Statistics – The so-called Sun [Sister Planet Venus or Einstein's Electromagnetic Wave or Light or BULLET of UNO] as the Manifested Sign of Natural Magnetism & Scientific Proof of Natural Magnetic Directions [Magnetic Field and Weak Field] rises twice and sets twice from North Pole [E-Point / Aphelion / Left of the Prime Meridian] to South Pole [T-Point / Perihelion / Right of the Prime Meridian] as Morning Show of the Sister Planet Venus [Einstein's Electromagnetic Force] before the Prime Meridian for the Eastern Daylight Time Zone [North America and South America] and turning back from South

Pole [T-Point / Perihelion / Right of the Prime Meridian] to North Pole [E-Point / Aphelion / Left of the Prime Meridian] as Evening Show of the Sister Planet Venus [Einstein's Electroweak Force] behind the Prime Meridian for the Western Daylight Time Zone [Africa, Asia, Australia, Arabian Peninsula, and Europe].

Concerned Public Information Officers failed to provide us authentic information regarding Alteration of Day & Night in a Day for the Equal & Opposite Eastern Daylight Time Zone [North America and South America] and Western Daylight Time Zone [Africa, Asia, Australia, Arabian Peninsula, and Europe]. You will find references of the absolute failure of the concerned Public Information Officers in **Pages – 272 to 378 of 'Science & Constitution' published by Notion Press with ISBN: 978-1-64899-992-5**. Absolute failure of the concerned Public Information Officers has been proving removing all doubts that the concerned higher authorities know nothing about Verifiable Framework of Natural Science [Equal & Opposite Apriori Framework of this Manifested Nature / Universal Major Premise of Aristotle's Dictum De Omni Et Nullo / Formal Ground of Human Rights & Universal Education] and several Un-contradicted Facts of this Equal & Opposite Manifested Nature such as Natural Magnetism, Manifested Sign of Natural Magnetism & Scientific Proof of Natural Magnetic Directions, Einstein's Binary Pulsar, Einstein's Electromagnetic Force and Electroweak Force, Morning Show and Evening Show of the Sister Planet Venus, Infallible & Unerring Statistics regarding Alteration of Day & Night in a Day, and Existential Import of Solar System [Einstein's Gravitational Wave] etc. after having know much about Identified Nexus of Self-evident Plagiarisms [Man-made Natural Sciences / Well Established Observational Facts of Global Science / Self-contradictory & Paradoxical Sciences / One Global Text & Conspiracy Curriculum of IBE – UNESCO].

We placed 90 Basic Scientific Issues [Rival Hypotheses or Contradictories] before concerned authorities to the govt. seeking Constitutional Remedies for the Identified Basic Scientific Issues [Rival Hypotheses or Contradictories] and recognized confirmation of Unerring Knowledge as per our NCF – 2005 and RTE Act – 2009. We placed (i) hard copies of 'Kitaaba Wal-Hikmata or Manifested Nature and the Utility of One's Upright Logic – I' published by Partridge Publishing with ISBN: 9781482875034, (ii) hard copies of 'The War of Authenticity' published by Partridge Publishing with ISBN: 9781543701869, (iii) hard copies of 'Anti-natural Framework – I & Its Consequences' published by Notion Press with ISBN: 9781645877066, (iv) hard copies of 'Anti-natural Framework – II & Its Consequences' published by Notion Press with ISBN: 9781645877103, (v) hard copies of 'Science vs. Technology' published by Fresh Pages Media Publication with ISBN: 9781951933142, (vi) hard copies of 'UNO's Contributions' published by Notion Press with ISBN: 9781648999741, (vii) hard copies of 'Science & Constitution' published by Notion Press with ISBN: 9781648999925, (viii) hard copies of 'United Nations vs. Human Rights' published by Filzo Publishers with ISBN: 9788194564126, and (ix) hard copies of 'Terrorism & Activism' published by URLink Print and Media with ISBN: 9781647535117 before concerned authorities to the

govt. for verification – justification – confirmation – recognition of the searched out Equal & Opposite Apriori Framework of Natural Science and several Un-contradicted Facts of this Equal & Opposite Manifested Nature such as Sirius Binary System, Four Basic Fields – Four Basic Forces – Four Cardinal Directions of Helium-4 Atom, Infallible & Unerring Statistics regarding Alteration of Day & Night in a Day, Natural Magnetism, and Uranian System etc.

Concerned authorities to the govt. have been uninterruptedly researching Unerring Knowledge as per our NCF – 2005 and RTE Act – 2009 making use of public money & govt. fund. **["Funding for the National Research Foundation: The NRF will be given an annual grant of ₹ 20,000 crores" (Ref. Page – 14 of the Highlights of New Education Policy – 2020)]**. However, concerned authorities to the govt. have not yet tried to provide us Scientific & Constitutional Remedies for the Identified Basic Scientific Issues [Rival Hypotheses or Contradictories] and recognized confirmation of Unerring Knowledge as per our NCF – 2005 and RTE Act – 2009. Verification, Justification, Confirmation, and Recognition of the Searched out Equal & Opposite Apriori Framework of Natural Science [Verifiable Framework of Universal & Necessary Knowledge / Universal Major Premise of Aristotle's Dictum De Omni Et Nullo / Formal Ground of Human Rights & Universal Education] and Un-contradicted Facts of this Equal & Opposite Manifested Nature do not come under Assigned Constitutional Duties [Fundamental Duties] & Moral Responsibilities of the concerned Higher Authorities to the Govt. Consequently, we have not yet received Scientific & Constitutional Remedies for the Identified 90 Basic Scientific Issues [90 Rival Hypotheses / 90 Contradictories] and recognized confirmation of Unerring Knowledge [Vidya / Wisdom / Universal & Necessary Knowledge / Human Rights & Universal Education].

We placed more than 3000 self-explanatory grievance petitions grounded on true antecedents before concerned authorities to the govt. under grievance redress mechanism seeking justice with searched out Inborn Human Rights [UN Universal Declaration of our Inalienable Human Rights]. Consequently, we received more than 2000 Formal Documents from the concerned authorities to the govt. However, we have not yet received Constitutional Remedies for the Identified 90 Basic Scientific Issues [Rival Hypotheses or Contradictories] and recognized confirmation of Unerring Knowledge as per our NCF – 2005 and RTE Act – 2009. Formal Documents received from the concerned authorities to the govt. are called **Crucial Instances** [Clear Proofs / Unerring Witnesses / Eye Opening Evidences / Pakka Sovut]. You will find references of more than 700 Scanned Formal Documents [Crucial Instances / Clear Proofs / Eye Opening Evidences / Pakka Sovut] included in my two books – 'UNO's Contributions' and 'Science & Constitution' published by Notion Press. Formal Documents received from the concerned authorities to the govt. will manifest clearly [prove / justify] nothing but following factual truths on the basis of Crucial Instances [Unerring Witnesses / Authentic Proofs] –

- 1.1 Concerned authorities to the govt. failed to do justice with searched out Inborn Human Rights [UN Universal Declaration of Inalienable Human Rights].
 - 1.2 Concerned authorities to the govt. failed to face class – II standard scientific & constitutional task as per our NCF – 2005 and RTE Act – 2009.
 - 1.3 Concerned authorities to the govt. failed to provide us constitutional remedies for the identified basic scientific issues [rival hypotheses or contradictories] in resemblance with universal acceptance of the global scientific community referred by NCERT.
 - 1.4 Concerned authorities to the govt. failed to provide us constitutional remedies for the identified basic scientific issues [rival hypotheses or contradictories] in resemblance with Framework & Curriculum of Natural Science prepared by NCERT / SCERT.
 - 1.5 Concerned authorities to the govt. failed to provide us recognized confirmation of unerring knowledge [ensured quality education] in resemblance with reading materials of compulsory education for all [sarva siksha] prepared by NCERT / SCERT.
 - 1.6 Concerned authorities to the govt. failed to falsify & reject searched out Verifiable Framework & Justifiable Curriculum of Natural Science identifying lacunae in the logical thread [Equal & Opposite Apriori Framework of Natural Science] and proving fallacies in the searched out Un-contradicted Facts of this Equal & Opposite Manifested Nature.
 - 1.7 Concerned authorities to the govt. did not provide us formal permission for communicating [sharing & receiving] searched out Equal & Opposite Apriori Framework of Natural Science and several Un-contradicted Facts of this Equal & Opposite Manifested Nature [Verifiable Framework & Justifiable Curriculum of Natural Science].
 - 1.8 Concerned authorities to the govt. consciously & intentionally played unscientific & unconstitutional games with verifiable contents & justifiable contexts of our more than 3000 self-explanatory grievance petitions grounded on true antecedents under grievance redress mechanism.
 - 1.9 Projected anti-natural framework of natural science [global framework of this equal & opposite manifested nature / global standard for human rights] is the causeless cause [prime cause] of human sufferings.
 - 1.10 Identified nexus of self-evident plagiarisms [well established observational facts of global science / nexus of self-contradictory & paradoxical sciences] has been uninterruptedly violating Inborn Human Rights / UN Universal Declaration of Inalienable Human Rights [First Generation: Natural & Environmental Rights, Second Generation: Essential & Fundamental Rights and Social & Cultural Rights, and Third Generation: Un-interfering & Inviolable Religious Rights (specifically Four Foundational Solidarity Rights in Islam) and Guaranteed Child Rights & Uncompromising Constitutional Rights] since antiquity.
 - 1.11 Negligence of the concerned authorities in the eradication of the identified nexus of self-evident plagiarisms has been uninterruptedly violating Guaranteed Child Rights & Uncompromising Constitutional Rights [specifically since 2016].
 - 1.12 We are the self-evident victims of projected anti-natural framework of natural science [global framework of this equal & opposite manifested nature / global standard for human rights] and communicated well established observational facts of global science [man-made natural sciences or self-contradictory & paradoxical sciences or identified nexus of self-evident plagiarisms].
 - 1.13 We are the self-evident victims of nothing but the nexus of mechanical barbarism, cultured terrorism, civilized activism, intellectual crime, conscious conspiracy, manifest hypocrisy, teleological evidence sorcery, extreme epistemic persecution, and propagated self-evident plagiarism.
 - 1.14 Concerned authorities to the govt. failed to discharge assigned constitutional duties & moral responsibilities honestly & sincerely.
 - 1.15 Concerned authorities have been consciously & intentionally violating our Inborn Human Rights / UN Universal Declaration of our Inalienable Human Rights [specifically since 2016].
- I had placed RTI Applications before concerned State Public Information Officers and concerned Central Public Information Officers seeking information regarding just 21 points related to our assigned constitutional duties & moral responsibilities as per our NCF – 2005 and RTE Act - 2009. Concerned Public Information Officers failed to furnish information regarding just 21 points. You will find references of the absolute failure of the concerned Public Information Officers in **Pages – 591 to 609 of ‘UNO’s Contributions’ published by Notion Press with ISBN: 978-1-64899-974-1**. Absolute failure of the concerned Public Information Officers will manifest clearly [prove / justify] that at present there is no educational institution in India where Unerring Knowledge [Verifiable Framework & Justifiable Curriculum of Natural Science] is being communicated as per our NCF – 2005 and RTE Act – 2009. Formal Documents related to 21 Points will also manifest clearly [prove / justify] that the concerned authorities to the govt. have been un-interruptedly violating Inborn Human Rights / UN Universal Declaration of Inalienable Human Rights [First Generation: Natural & Environmental Rights, Second Generation: Essential & Fundamental Rights and Social & Cultural Rights, and Third Generation: Un-interfering & Inviolable Religious Rights (specifically Four Foundational Solidarity Rights in Islam) and Guaranteed Child Rights & Uncompromising Constitutional Rights] since antiquity [particularly since 2016] preparing/maintaining bogus black & white records and projecting references of suitable rules – contrary formalities – contradictory guidelines – conspiracy parameters – petitio principii mandates – post hoc ergo propter hoc legitimacy. Consequently, there is no authentic information regarding just 21 points.
- Scanned Formal Documents included in **Pages – 392 to 570 of ‘Science & Constitution’ published by Notion Press with ISBN: 978-1-64899-992-5** will manifest clearly [prove / justify] nothing but absolute failure of the concerned authorities to the Govt. of Assam, India to do justice with our Inborn Human Rights / UN Universal Declaration of our Inalienable Human Rights. These formal documents will also manifest clearly [prove / justify] that the concerned

authorities to the Govt. of Assam, India have been consciously & intentionally violating our Inborn Human Rights / UN Universal Declaration of our Inalienable Human Rights [First Generation: Natural & Environmental Rights, Second Generation: Essential & Fundamental Rights and Social & Cultural Rights, and Third Generation: Un-interfering & Inviolable Religious Rights (specifically Four Foundational Solidarity Rights in Islam) and Guaranteed Child Rights & Uncompromising Constitutional Rights] [specifically since 2016] propagating Identified Nexus of Self-evident Plagiarisms [Identified Nexus of Self-contradictory & Paradoxical Sciences or Man-made Natural Sciences or Well Established Observational Facts of Global Science].

Scanned Formal Documents included in **Pages – 248 to 569 of ‘UNO’s Contributions’ and Pages – 93 to 570 of ‘Science & Constitution’** published by Notion Press will manifest clearly [prove / justify] nothing but absolute failure of the concerned authorities to the Govt. of India to do justice with our Inborn Human Rights / UN Universal Declaration of our Inalienable Human Rights. These formal documents will also manifest clearly [prove / justify] that the concerned authorities to the Govt. of India have been consciously & intentionally violating our Inborn Human Rights / UN Universal Declaration of our Inalienable Human Rights [First Generation: Natural & Environmental Rights, Second Generation: Essential & Fundamental Rights and Social & Cultural Rights, and Third Generation: Un-

interfering & Inviolable Religious Rights (specifically Four Foundational Solidarity Rights in Islam) and Guaranteed Child Rights & Uncompromising Constitutional Rights] [specifically since 2016] propagating Identified Nexus of Self-evident Plagiarisms [Identified Nexus of Self-contradictory & Paradoxical Sciences or Man-made Natural Sciences or Well Established Observational Facts of Global Science].

We had placed several self-explanatory grievance petitions and hard copies of my published books before Special Agencies of UNO [UNICEF – Assam, UNESCO – New Delhi, IHRC, WPMO, OHCHR, UN-DESA] seeking recognized confirmation of Verifiable Framework & Justifiable Curriculum of Natural Science i.e. Necessary Remedial Measures for the Identified 90 Basic Scientific Issues [Rival Hypotheses or Contradictories]. Special Agencies of UNO failed to provide us recognized confirmation of Verifiable Framework & Justifiable Curriculum of Natural Science i.e. Necessary Remedial Measures for the Identified 90 Basic Scientific Issues [Rival Hypotheses or Contradictories]. Special Agencies of UNO have been working for the sake of Global Sustainability i.e. Anti-natural Framework of Natural Science [Global Framework of this Equal & Opposite Manifested Nature / Global Standard for Human Rights] and Identified Nexus of Self-evident Plagiarisms [Man-made Natural Sciences / Well Established Observational Facts of Global Science].

Division for Sustainable Development Goals, UN-DESA
Sustainable Development – Knowledge Platform
[Time for Global Action for People and Planet]
United Nations Department of Economic and Social Affairs
Dated – the 3rd June, 2019

Thank you. Your message has been sent.

We will get back to you as soon as possible.

Your reference number in this regard is **179183**.

A copy of the message has also been sent to your registered email address (jmirachy@gmail.com)

UNO is neither a nation nor a constitution. UNO is an International Organization of Cursed Human Persons [Possessors of Maya / Manifested Devils]. UNO and its Special Agencies have recognized & confirmed Verifiable Framework of Natural Science [Equal & Opposite Apriori Framework of this Manifested Nature]. However, they have been consciously & intentionally concealing from us Verifiable Framework of Natural Science [Equal & Opposite Apriori Framework of this Manifested Nature] projecting Anti-natural Framework of Natural Science [Global Framework of this Equal & Opposite Manifested Nature / Global Standard for Human Rights]. Consequently, people of this Equal & Opposite Manifested Nature are far away from Verifiable Framework of Natural Science [Equal & Opposite Apriori Framework of this Manifested Nature / Universal Major Premise of Aristotle’s Dictum De Omni Et Nullo / Formal Ground of Human Rights & Universal Education].

UNO and its Special Agencies have searched out several Un-contradicted Facts of this Equal & Opposite Manifested Nature in resemblance with ‘Kitaaba bil-Haq’ and in correspondence to Reality such as Ultimate Substratum [Diamond Operator or Sirius], Sirius Binary System [Binary

Star System], Sirius A and White Dwarf Companion Sirius B, Nine Planets as Nine Eye Opening Evidences, Upright Rectangular Universe [End of Proof], Four Basic Fields – Four Basic Forces – Four Cardinal Directions of Helium-4 Atom, Two Horizons and Two Hemispheres of Helium-4 Atom, Galaxy of Stars like Diamonds, Immovable Hexagonal World [Star of David / Planet Pluto], Six Manifested Regions [Asterisk], Appearing Pentagonal Earth like 9/11 Pentagon [Star Operator], Three Ascending Stairs of the Appearing Pentagonal Earth like Spiders’ Net [Superscripts / Kepler’s Minor Axis – Semi-major Axis – Major Axis], Two Zones [Eastern Daylight Time Zone and Western Daylight Time Zone], Upright West Region of the Appointed Kaba [Leaning Tower of Galileo], Straight Middle-East Region of Eartha 3D [Planet Mars], Prime Meridian since Manifestation [Tallest Tree of Newton], Four Galilean Moons, Four Points of Light, Manifested Sign of Natural Magnetism & Scientific Proof of Natural Magnetic Directions [Magnetic Field and Weak Field], E-Point and T-Point, Aphelion and Perihelion, Morning Show and Evening Show of the Sister Planet Venus, Natural Magnetism [Broken Bar], Newton’s Visual Binaries [Two Moons], Uranian System [Periodic Motion of the Planet Uranus (White Moon) of each Zone], Mercurial System, Einstein’s

Binary Pulsar [Electromagnetic Waves and Gravitational Waves], Electromagnetic Force and Electroweak Force, Existential Import of the Barrier between Equal and Opposite Natural Mechanism [Solar System / Danger and Double Danger], Right Direction of Performing Prayer towards Upright West Region of the Appointed Kaba, Appointed Day of Performing Hajj, and Appointed Day of Observing Idd etc.

However, UNO and its Special Agencies have been consciously & intentionally concealing from us searched out Un-contradicted Facts of this Equal & Opposite Manifested Nature [Apriori Sciences] inventing several Man-made Natural Sciences [Well Established Global Technologies] and propagating One Global Text & Conspiracy Curriculum of IBE – UNESCO such as Solar Universe, Nine Moving & Running Global Exoplanets, Space Station, Neil Armstrong's visited sole Moon [NASA's Moon], Running Global World – Moving Global Earth – Running & Moving Global Universe, Straight Middle-East Region of the Appointed Kaba, Appointed Kaba at the Centre & Junction of the Seas, Man-made Natural Magnetic Directions, Two North and Two South, Running & Moving East and West, Qibla Finder (Qibla Indicator), Greenwich (1851) as the Prime Meridian since Manifestation, and Chandrayaan etc. Consequently, people of this Equal & Opposite Manifested Nature are far away from several Un-contradicted Facts of this Equal & Opposite Manifested Nature [Apriori Sciences].

Observation of Particular Instances is the Necessary Condition & First Stage of Scientific Hypothesis. If it is asked – ‘Have you ever perceived Nine Moving & Running Global Planets within this Equal & Opposite Manifested Nature?’, then the sole definite answer of the people of this equal & opposite manifested nature will be nothing save ‘NO’. This definite answer of the people of the entire world will prove removing all doubts that projected Solar Universe and propagated Nine Moving & Running Global Exoplanets failed to fulfill Necessary Condition & First Stage of Scientific Hypothesis. Projected Solar Universe and Propagated Nine Moving & Running Global Planets are vitiated by all established fallacies [specifically Fallacy of Non-observation and Existential Fallacy].

The question – ‘Is Globalization really necessary?’ categorically suggests that ‘Global Framework’ is not an apriori framework of this Manifested Nature. On the contrary, **‘Projected & Communicated Global Framework’ is a ‘Well Established Conspiracy Framework’** [Anti-natural Framework of Natural Science and Vera Causa of Human Sufferings]. UN Universal Declaration of Global Standard for Human Rights is the Causeless Cause [Prime Cause or Root Cause] of our long term sufferings i.e. Conscious & Intentional Violation of our Inalienable Human Rights [First Generation: Natural & Environmental Rights, Second Generation: Essential & Fundamental Rights and Social & Cultural Rights, and Third Generation: Un-interfering & Inviolable Religious Rights (specifically Four Foundational Solidarity Rights in Islam) and Guaranteed Child Rights & Uncompromising Constitutional Rights].

People of this Equal & Opposite Manifested Nature are the self-evident victims of an Equal & Opposite Game of Cursed Human Persons [Possessors of Maya / Manifested Devils]. More specifically, people of this equal & opposite manifested nature are the self-evident victims of nothing but UN Universal Declaration of our Inalienable Human Rights and UNO's Universal Violation of our Inborn Human Rights [projecting Global Standard for Human Rights and propagating One Global Text & Conspiracy Curriculum of Human Rights & Universal Education]. Consequently, people of the entire world are far away from Verifiable Framework of Natural Science [Equal & Opposite Apriori Framework of this Manifested Nature / Universal Major Premise of Aristotle's Dictum De Omni Et Nullo / Formal Ground of Human Rights & Universal Education] and Class – II Standard Basic Scientific Knowledge [Un-contradicted Facts of this Equal & Opposite Manifested Nature].

I have identified several contradictions in my acquired & possessed global epistemology. So, I have been trying to recognize & confirm self-evident truth [unerring knowledge] on the basis of criterion of truth such as Software [Coherence Truth or Tawraat], Display [Correspondence Truth or Injiil], and Hardware [Pragmatic Truth or Zabuur] following Aristotle's Dictum De Omni Et Nullo and Ultimate Scientific Method [Experimentum Cruxis & Crucial Instances]. In this connection I have been running the Greatest Self-financed Natural Science Project for a long period of time sacrificing several basic needs & justified desires of my family members. I did not take just a coin from public money & govt. fund projecting reference of my natural science project. So, my searched out scientific findings and corresponding pen-paper-pencil works are free from so far established suitable rules – contrary formalities – contradictory guidelines – conspiracy parameters – petitio principii mandates – post hoc ergo propter hoc legitimacy – wrong interpretations of Verses of ‘Kitaaba bil-Haq’ – 6310 comments of the researchers of IFTA on Verses of ‘Kitaaba bil-Haq’ – identified nexus of self-evident plagiarisms. Consequently, concerned authorities from the local level to the United Nations [including Islamic Scholars and Muslim Leaders] have been failing to face my searched out scientific findings and corresponding pen-paper-pencil works since 2016. Moreover, it is an impossible task before finite rational beings to falsify & reject the searched out Apriori Sciences [Un-contradicted Facts of this Equal & Opposite Manifested Nature].

Probably, you have not yet identified several self-contradictions in your acquired & possessed global epistemology [UN Universal Declaration of Global Standard for Human Rights and One Global Text & Excellent Curriculum of IBE – UNESCO]. If you try to provide us scientific & constitutional remedies for the identified 90 basic scientific issues [rival hypotheses or contradictories] in resemblance with your acquired & possessed global epistemology and in correspondence to Reality [One – Common – Comprehensive – Legitimate – Unerring – Clear & Distinct – Manifested Text of Newton's Laws and Einstein's Sciences], then you will be able to identify several contradictions in your acquired & possessed global epistemology [UN Universal Declaration of Global Standard for Human Rights and One Global Text & Excellent

Curriculum of IBE – UNESCO]. In this connection I wrote an article with the Title – ‘UNO-Phobia vs. Islam-Phobia’ [Ref. ‘UNO-Phobia vs. Islam-Phobia’ published by International Journal of Advance Research, Ideas and Innovations in Technology, ISSN: 2454-132X, Volume 6, Issue 4, Pages – 600 to 629].

UNO-Phobia [Set – A] has been representing Identified Nexus of Self-evident Plagiarisms. Islam-Phobia [Set – B] has been representing searched out Un-contradicted Facts of this Equal & Opposite Manifested Nature. You are honestly requested to make sincere attempts with a view to provide us recognized confirmation of Class – II Standard Basic Scientific Knowledge [Verifiable Framework & Justifiable Curriculum of Natural Science / Universal & Necessary Knowledge / Human Rights & Universal Education / Sarva Siksha] in resemblance with your acquired & possessed global epistemology [uncountable global science books and global science journals / UN universal declaration of global standard for human rights and one global text & excellent curriculum of IBE-UNESCO] and in correspondence to Reality [One – Common – Comprehensive – Legitimate – Clear & Distinct – Manifested Text of Human Rights & Universal Education]. Your absolute failure will manifest clearly [prove / justify] the existential import of my Self-financed Natural Science Project. More specifically, your absolute failure will manifest clearly that you are far away from Self-evident Truth [Verifiable Framework of Natural Science and Class – II Standard Basic Scientific Knowledge]. Consequently, you are far away from Infallible & Unerring Guidance [Natural – Humanistic – Legitimate – Clear & Distinct – Manifested Path]. Your acquired & possessed anti-natural epistemology [global epistemology] has been forcefully leading you towards wrong direction.

Concerned authorities of Axom Sarva Siksha Mission, Assam conducted Gunotsav: 2017 and Gunotsav: 2018 as per our NCF – 2005 and RTE Act - 2009. They also recognized content of my RTI Application as - “*Matter is related to Quality Education.*” [Ref. *Axom Sarva Siksha Mission, Assam, Letter No. SSA/RTI/JAC/792/2017 dated 02/3/2017*]. However, concerned authorities of Axom Sarva Siksha Mission, Assam failed to provide us recognized confirmation of Class – II Standard Basic Scientific Knowledge [Universal & Necessary Knowledge / Human Rights & Universal Education / Sarva Siksha / Verifiable Framework & Justifiable Curriculum of Natural Science] as per our NCF – 2005 and RTE Act - 2009.

I am working as an Associate Professor under Office of the Director of Higher Education, Govt. of Assam, India. I had placed searched out Rival Hypotheses before Office of the Director of Higher Education, Govt. of Assam seeking Scientific & Constitutional Remedies as per our NCF – 2005 and National Education Policy. Office of the Director of Higher Education, Govt. of Assam recognized the content of my self-explanatory grievance petition as - “The matter has been examined by this directorate and state that the matter is purely academic” [Ref. Office of the Director of Higher Education, Govt. of Assam, India [Ref. *DHE/CE/Misc/148/2017/4 dated 03/03/2018*]]. However, Office of the Director of Higher Education, Govt. of Assam failed to provide us Scientific & Constitutional Remedies for

the Identified Basic Scientific Issues [Rival Hypotheses] as per our NCF and NEP.

I declared ‘War of Authenticity’ seeking recognized confirmation of Verifiable Framework & Justifiable Curriculum of Natural Science [Universal & Necessary Knowledge / Human Rights & Universal Education] as per ‘Sciences have their own Concepts and Science Education in correspondence to Reality’ mentioned in Page – 27 of our NCF – 2005, ‘Ensured Quality Education’ mentioned in Section – 29 of the RTE Act – 2009, ‘Necessary Humanistic Vision of Education’ mentioned in the Article – 29 of CRC, ‘A World Fit for Children’ adopted on UN General Assembly – 2002, ‘Human Rights & Universal Education’ mentioned on UNESCO’s Contributions, ‘Quality Education’ mentioned in our NEP, and in conformity with the values enshrined in our Sovereign Constitution [Ref. Sub-section – 29 (1) (a) of the RTE Act – 2009]. Concerned authorities from the local level to the United Nations failed to face ‘War of Authenticity’. You will find references of ‘War of Authenticity’ in my fourth book – ‘**The War of Authenticity**’ published by Partridge Publishing with ISBN: 9781543701869.

I declared ‘Jihad-e-Akbar or Greatest War’ seeking Justice with my Fundamental Duties [Assigned Constitutional Duties] & Moral Responsibilities. Concerned authorities from the local level to the United Nations [specifically UNICEF – Assam and UNESCO – New Delhi] failed to face ‘Jihad-e-Akbar or Greatest War’ declared by an academic authority to the govt. ‘Jihad-e-Akbar or Greatest War’ was forwarded to University Grants Commission [UGC, India] from the Department of Higher Education, Govt. of India. University Grants Commission [UGC, India] recognized the contents of my ‘Jihad-e-Akbar or Greatest War’ as - “The contents of the grievance are very generic in nature.” [University Grants Commission (UGC), India, Registration No. **DSEHE/P/2019/00185**]. University Grants Commission [UGC, India] recognized contents of my ‘Jihad-e-Akbar or Greatest War’ as very generic in nature i.e. verifiable & justifiable from all perspectives / disciplines. However, University Grants Commission [UGC, India] failed to do justice with my Fundamental Duties & Moral Responsibilities.

National Academy of Sciences, India [NASI] repeatedly examined my searched out scientific findings. Finally, National Academy of Sciences, India [NASI] furnished evaluation report as - “The author deserves applaud for his interest about the elementary education in the country by taking a lot of pain in collecting the contradictions in the facts of nature” [Ref. National Academy of Sciences India, **Letter No. NAS/716/3/017-18 dated 16/3/2018**]. However, National Academy of Sciences, India [NASI] failed to provide us Scientific & Constitutional Remedies for the Identified 90 Basic Scientific Issues [Rival Hypotheses or Contradictories] as per our NCF – 2005. So, it is crystal clear that we have not yet received Scientific & Constitutional Remedies for the Identified 90 Basic Scientific Issues [Rival Hypotheses or Contradictories] as per our NCF – 2005 and RTE Act – 2009.

There is a difference between science and technology. Natural Mechanism such as Natural Magnetism or Sunlight is called Science. Man-made Mechanism such as Man-made Magnetism or Lamplight is called Technology. **Science [Natural Mechanism such as Natural Magnetism] is prior to Technology [Man-made Mechanism such as Man-made Magnetism].** Science [Natural Mechanism] is neither Traditional nor Modern. Science [Natural Mechanism] is apriori. Technology [Man-made Mechanism] is either Traditional or Modern. Technology [Man-made Mechanism] is a posteriori. Identified UNO-Phobia [Set – A] is representing the Set of Well Established Technologies. Searched out Islam-Phobia [Set – B] is representing the Set of Apriori Sciences [Un-contradicted Facts of this Equal & Opposite Manifested Nature].

There is no doubt that Science [Natural Mechanism] is not specific to any religion or community. Science [Natural Mechanism] is neutral [common] to all. However, it is certain like Equal & Opposite Apriori Framework of this Manifested Nature that at present Neutral Science is not being taught at school. On the contrary, at present science of a particular community [global scientific community] vitiated by all established fallacies is being taught at school.

Competent academic authorities of NCERT, India have prepared our National Curriculum Framework – 2005. Competent academic authorities of NCERT, India have prepared reading materials for human rights & universal education [sarva siksha]. Competent academic authorities of NCERT, India failed to provide us authentic information regarding just 25 basic scientific issues [rival hypotheses or contradictories] related to framework & curriculum of human rights & universal education [sarva siksha]. Competent academic authorities of NCERT, India failed to provide us authentic information regarding Alteration of Day & Night in a Day. Competent academic authorities of NCERT, India failed to provide us Scientific & Constitutional Remedies for the Identified 90 Basic Scientific Issues [Rival Hypotheses or Contradictories] as per our NCF – 2005. Competent academic authorities of NCERT, India failed to falsify & reject the searched out Un-contradicted Facts of this Equal & Opposite Manifested Nature. However, competent academic authorities of NCERT, India have provided us formal & authentic information that at present neutral science [apriori science] free from all established fallacies [specifically identified nexus of self-evident plagiarisms] is not being taught at school as human rights & universal education [sarva siksha]. On the contrary, at present science of a particular community [global scientific community] vitiated by all established fallacies [specifically subjective self-contradiction & objective paradox] is being taught at school as human rights & universal education [sarva siksha] violating so far established right to education & human rights. Consequently, concerned authorities from the local level to the United Nations have been failing to provide us Scientific & Constitutional Remedies for the Identified 90 Basic Scientific Issues [Rival Hypotheses or Contradictories] and Recognized Confirmation of Unerring Knowledge in correspondence to Reality [One – Common – Comprehensive – Unerring – Legitimate – Clear & Distinct

– Manifested Text of Newton’s Laws and Einstein’s Sciences] since 2016.

“The scientific facts, principles, theories, and laws currently being taught at school level are universally accepted by the global scientific community.” [NCERT, No. F. 1-1/DESM-PA/Misc./2017-18/2554 dated 16th April, 2018, F. No. 3-3/2018/DESM/RTI/Sh. Jamir Ahmed Choudhury /2793 [Ref. DARPG/P/2017/03052 dated 23.06.2017 & 07.06.18]; Department of Elementary Education, NCERT No. F. 1-24/Admn./RTI/DEE/2018/27 dated 20th April, 2018; NCERT F. No. 3-1/2004/DEdL/899 dated 23rd April, 2018 and NCERT F. No. 3-1/2004/DEdL/897 dated 20th April, 2018] [Ref. Pages – 526 to 559 of ‘UNO’s Contributions’ published by Notion Press with ISBN: 978-1-64899-974-1]

Now, concerned authorities to the govt. [concerned ministers and respective authorities] are absolutely unable to prove/justify that at present neutral science free from the identified nexus of self-evident plagiarisms [free from universal acceptance of a particular community] is being taught at school as Universal & Necessary Knowledge and Human Rights & Universal Education. On the contrary, possessors of common sense [common people] and possessors of balanced good sense [Respected Lawyers and Hon’ble Judges] of this Equal & Opposite Manifested Nature are able to prove on the basis of the above placed references that at present science of a particular community [global scientific community] vitiated by all established fallacies [Identified UNO-Phobia / Identified Nexus of Self-evident Plagiarisms] is being taught at school **violating** our Inborn Human Rights [UN Universal Declaration of our Inalienable Human Rights], **projecting** Anti-natural Framework of Natural Science [Global Framework of this Equal & Opposite Manifested Nature / Global Standard for Human Rights]; **preparing** Unscientific & Unconstitutional Reading Materials in resemblance with Universal Acceptance of the Global Scientific Community referred by NCERT [One Global Text & Conspiracy Curriculum of IBE – UNESCO]; **communicating** Self-contradictory & Paradoxical Compulsory Education for All [Absolutely False Knowledge or Avidya]; **propagating** Identified Nexus of Self-evident Plagiarisms [Man-made Natural Sciences or Well Established Anti-natural & Unscientific Hypotheses or Well Established Observational Facts of Global Science or Identified Fallacious Sciences or Self-contradictory & Paradoxical Knowledge]; **spoiling** Sanctity of Education & Significance of Scientific Certainty; **spoiling** our Inherent Dignity & Moral Solidarity [Three Core Moral Teachings of Bhagvad Gita: Do what is Right, Choose what is Good, and Sticking to what is True]; **spoiling** our Freedom of Conscience & Liberty of Faith – Belief – Thought – Expression – Worship; **spoiling** Holistic Development [Sahi Vikas] of our Axiological Aspects [Truth – Goodness – Beauty / Satyam Shivam Shundaram] & One Dimensional Time; **spoiling** Secularity & Democracy; **defaming** Sovereignty of our Constitution; **misrepresenting** our National Education Policy and National Curriculum Framework; **wrong interpreting** RTE Act – 2009; **wrong interpreting** Guaranteed Child Rights & International Convention on the Rights of the Child; **wrong interpreting** International Humanitarian Laws & International Covenants

on our Inalienable Human Rights; **misusing** All Forms of Mass Communication [including Publication Media]; and **persecuting** our Practical Belief in the Existential Imports of Infallible & Unerring Revelations, Unalterable Laws of Nature such as Newton's Laws, Un-interfering Natural Mechanisms such as Einstein's Sciences, Un-contradicted Facts of this Equal & Opposite Manifested Nature such as Sirius Binary System, Science & Constitution, Constitution & Legitimacy, Grievance Redress Mechanism & Functioning of the Govt., Fundamental Duties & Moral Responsibilities [Duty for Duty's Sake or Three Yogas (Karma Yoga, Jnana Yoga, and Bhakti Yoga)], Right & Justice, Truth & Justice, and Utilitarian Liberation [Greatest Happiness of the Greatest Number] & Common End [**Public Interest**]. **Conscious & Intentional persecution is worse than killing.**

Now, it is the fundamental duty & moral responsibility of each & every individual endowed with conscience [sense of right & wrong] to file Public Interest Litigation seeking Scientific & Constitutional Remedies for the Identified 90 Basic Scientific Issues [Rival Hypotheses or Contradictories] included in the Article – UNO-Phobia vs. Islam-Phobia [Ref. '**UNO-Phobia vs. Islam-Phobia**' published by International Journal of Advance Research, Ideas and Innovations in Technology, ISSN: 2454-132X, Volume 6, Issue 4, Pages – 600 to 629] in correspondence to Reality [One – Common – Comprehensive – Legitimate – Clear & Distinct – Manifested Text of Newton's Laws and Einstein's Sciences]. In this regard scanned formal documents included in my two books – 'UNO's Contributions' and 'Science & Constitution' published by Notion Press will serve as Crucial Instances [Clear Proofs / Eye Opening Evidences / Unerring Witnesses / Pakka Sovut]. Possessors of balanced good sense [Respected Lawyers and Hon'ble Judges] are unable to go either contrary or contradictory to Crucial Instances [Clear Proofs / Eye Opening Evidences / Unerring Witnesses].

If possessors of balanced good sense [Respected Lawyers and Hon'ble Judges] are able to recognize Infallible & Unerring Statistics regarding Alteration of Day & Night in a Day [Twice Day & Twice Night within 24 Hours] for the Equal & Opposite Eastern Daylight Time Zone [North America and South America] and Western Daylight Time Zone [Africa, Asia, Australia, Arabian Peninsula, and Europe], then they will be able to identify the Nexus of Self-evident Plagiarisms i.e. Uninterrupted Propagation of Post Hoc Ergo Propter Hoc Statistics regarding Alteration of Day & Night in a Day. Moreover, they will be able to do Justice with Verifiable Contents & Justifiable Contexts of Public Interest Litigation.

Each Member State of UN is sincerely requested to place 90 Basic Scientific Issues [Rival Hypotheses or Contradictories] included in the Article – UNO-Phobia vs. Islam-Phobia [Ref. '**UNO-Phobia vs. Islam-Phobia**' published by International Journal of Advance Research, Ideas and Innovations in Technology, ISSN: 2454-132X, Volume 6, Issue 4, Pages – 600 to 629] before United Nations [UN] –

[Point – 01] Seeking Scientific & Constitutional Remedies for the Identified 90 Basic Scientific Issues [90 Rival Hypotheses or 90 Contradictories] in correspondence to Reality [One – Common – Comprehensive – Legitimate – Clear & Distinct – Manifested Text of Universal & Necessary Knowledge and Human Rights & Universal Education]

[Point – 02] Seeking Formal Permission for communicating [sharing & receiving] Verifiable Framework & Justifiable Curriculum of Natural Science [Equal & Opposite Apriori Framework of Natural Science and Un-contradicted Facts of this Equal & Opposite Manifested Nature] such as Sirius Binary System [Binary Star System], Sirius A and White Dwarf Companion Sirius B, Helium-4 Atom, Two Horizons [East Horizon and West Horizon] and Two Hemispheres [Northern Hemisphere and Southern Hemisphere] of Helium-4 Atom, Four Basic Fields – Four Basic Forces – Four Cardinal Directions of Helium-4 Atom, Four Points of Light, Four Galilean Moons, Mercurial System, Uranian System, Natural Magnetism, Barrier between Equal and Opposite Natural Mechanism [Solar System], Einstein's Binary Pulsar, Electromagnetic Waves and Gravitational Waves, Einstein's Electromagnetic Force and Electroweak Force, Morning Show and Evening Show of the Sister Planet Venus, Infallible & Unerring Statistics regarding Alteration of Day & Night in a Day [Twice Day & Twice Night within 24 Hours] for the Equal & Opposite Eastern Daylight Time Zone [North America and South America] and Western Daylight Time Zone [Africa, Asia, Australia, Arabian Peninsula, and Europe], Manifested Sign of Natural Magnetism & Scientific Proof of Natural Magnetic Directions, E-Point [Aphelion or Equal & Opposite Entering and Ending Point of Light] and T-Point [Perihelion or Equal & Opposite Setting and Rising Point of Light], Newton's Visual Binaries, Periodic Motion of the Planet Uranus of each Zone, Kepler's Minor Axis – Semi-major Axis – Major Axis, Eastern Daylight Time Zone and Western Daylight Time Zone, Prime Meridian since Manifestation, Manifested Region of the Prime Meridian, Eastern Part of the Land and Western Part of the Land, Right Direction of Performing Prayer [Qibla], Appointed Day of Performing Hajj, and Appointed Day of Observing Idd etc. in resemblance with Newton's Laws [Unalterable Laws of Nature or Complete Coded Shared Tautologies] and in correspondence to Reality [Observation of Particular Instances under Natural Circumstances or Manifested Signs & Clear Proofs or Einstein's Sciences]

[Point – 03] Seeking Necessary Scientific & Constitutional Steps for eradication of 'Anti-natural Framework of Natural Science' [Global Framework of this Equal & Opposite Manifested Nature / Global Standard for Human Rights] and Identified Fallacious Sciences [Self-contradictory & Paradoxical Knowledge or Nexus of Self-evident Plagiarisms or Man-made Natural Sciences] from Verifiable Framework & Justifiable Curriculum of Natural Science and Human Rights & Universal Education [Inborn Human Rights to communicate Equal & Opposite Apriori Framework of Natural Science and Un-contradicted Facts of this Equal & Opposite Manifested Nature]

Regarding Point – 03, it is necessary to inform that NCERT, India failed to provide us recognized confirmation of Verifiable Framework & Justifiable Curriculum of Natural Science as per our National Curriculum Framework [NCF] – 2005 because at present ‘Neutral Science’ free from all established fallacies [specifically identified nexus of self-evident plagiarisms] is not being taught at school. On the contrary, at present ‘Science of a Particular Community’ [Universal Acceptance of the Global Scientific Community] vitiated by all established fallacies [specifically subjective self-contradiction & objective paradox, petitio principii, post hoc ergo propter hoc, plurality of causes, characteristic imperfection, practical imperfection, non-observation, mal-observation, and existential fallacy etc.] is being taught at school violating so far established Right to Education & Human Rights and UN Universal Declaration of our Inalienable Human Rights [First Generation: Natural & Environmental Rights, Second Generation: Essential & Fundamental Rights and Social & Cultural Rights, and Third Generation: Un-interfering & Inviolable Religious Rights and Guaranteed Child Rights & Uncompromising Constitutional Rights].

Reference of the Identified Nexus of Self-evident Plagiarisms: “The scientific facts, principles, theories, and laws currently being taught at school level are universally accepted by the global scientific community.” [NCERT, No. F. 1-1/DESM-PA/Misc./2017-18/2554 dated 16th April, 2018, F. No. 3-3/2018/DESM/RTI/Sh. Jamir Ahmed Choudhury /2793 [Ref. DARPG/P/2017/03052 dated 23.06.2017 & 07.06.18]; Department of Elementary Education, NCERT No. F. 1-24/Admn./RTI/DEE/2018/27 dated 20th April, 2018; NCERT F. No. 3-1/2004/DEdL/899 dated 23rd April, 2018 and NCERT F. No. 3-1/2004/DEdL/897 dated 20th April, 2018] [*Ref. Pages – 526 to 559 of ‘UNO’s Contributions’ published by Notion Press with ISBN: 978-1-64899-974-1*]

A Few Identified Fallacious Sciences [Identified Nexus of Self-evident Plagiarisms or Invented Lies & Introduced Falsehoods] of the Possessors of Maya

- Projected & Communicated Global Framework of this Equal & Opposite Manifested Nature [UN Universal Declaration of Global Standard for Human Rights] is vitiated by all established fallacies [particularly Petitio Principii and Existential Fallacy]. Nothing comes out of nothing [Ex Nihilo Nihil Fit]. Finite rational beings can create nothing out of nothing. A non-existent thing such as Global Framework of this Equal & Opposite Manifested Nature or Common Run of the so-called Sun or Common Run of Neil Arm Strong’s visited Moon [NASA’s Moon] or Nine Moving & Running Global Planets cannot be made into existence even by global scientists of the entire world.
- Projected & Communicated Nine Moving & Running Global Planets [Exoplanets] within the sole Equal & Opposite Manifested Nature are vitiated by all established fallacies [particularly Fallacy of Non-observation and Existential Fallacy]. Teaching of Projected & Communicated Nine Moving & Running Global Planets [Exoplanets] within the sole Equal & Opposite Manifested Nature is absolutely contradictory to our NCF – 2005 i.e. Observation & Experiment in

correspondence to Reality mentioned in Page – 27 of our NCF – 2005.

- Copernican Hypothesis [Copernican Revolution] is absolutely contradictory to Newton’s Third Law – ‘Equal & Opposite’. Both cannot be true together or false together from the points of view of four fundamental categories of knowledge [space, time, substance, and causality]. Each day we perceive alteration of day & night for the Equal & Opposite Eastern Daylight Time Zone [North America and South America] and Western Daylight Time Zone [Africa, Asia, Australia, Arabian Peninsula, and Europe]. It is self-evident that Newton’s Third Law is an Unalterable Law of Nature. Moreover, Copernican Hypothesis is yet to be proved. So, it is crystal clear that Copernican Hypothesis [Copernican Revolution] is an Invented Lie of Cursed Human Persons [Possessors of Maya] within the Framework & Curriculum of Natural Science. Further, Copernican Hypothesis [Copernican Revolution] is vitiated by all established fallacies [particularly Fallacy of Universal Mal-observation].
- Projected & Communicated International Space Station of Global Scientific Community [International Organization of Cursed Human Persons] is vitiated by all established fallacies [particularly Existential Fallacy].
- Projected & Communicated Common Run of the so-called Sun for the Equal & Opposite Eastern Daylight Time Zone [North America and South America] and Western Daylight Time Zone [Africa, Asia, Australia, Arabian Peninsula, and Europe] is vitiated by all established fallacies [particularly Fallacy of Post Hoc Ergo Propter Hoc Statistics]. Moreover, Projected & Communicated Common Run of the so-called Sun for the Equal & Opposite Eastern Daylight Time Zone [North America and South America] and Western Daylight Time Zone [Africa, Asia, Australia, Arabian Peninsula, and Europe] is absolutely contradictory to Equal & Opposite Morning Show and Evening Show of the Sister Planet Venus. Further, Projected & Communicated Common Run of the so-called Sun for the Equal & Opposite Eastern Daylight Time Zone [North America and South America] and Western Daylight Time Zone [Africa, Asia, Australia, Arabian Peninsula, and Europe] is absolutely contradictory to Einstein’s Electromagnetic Force and Electroweak Force. Again, Projected & Communicated Common Run of the so-called Sun for the Equal & Opposite Eastern Daylight Time Zone [North America and South America] and Western Daylight Time Zone [Africa, Asia, Australia, Arabian Peninsula, and Europe] is absolutely contradictory to Einstein’s Binary Pulsar. Projected & Communicated Post Hoc Ergo Propter Hoc Statistics regarding Alteration of Day & Night in a Day for the Equal & Opposite Eastern Daylight Time Zone [North America and South America] and Western Daylight Time Zone [Africa, Asia, Australia, Arabian Peninsula, and Europe] has been manifesting that Solar System [Einstein’s Gravitational Waves or Barrier between Equal and Opposite Natural Mechanism] has no existential import.
- Projected & Communicated Common Run of Neil Arm Strong’s visited Moon [NASA’s Moon] for the Equal & Opposite Western Daylight Time Zone [Europe, Arabian

Peninsula, Australia, Asia, and Africa] and Eastern Daylight Time Zone [South America and North America] instead of Newton's Visual Binaries [Two Moons] is vitiated by all established fallacies [particularly Characteristic Imperfection and Practical Imperfection]. Moreover, Projected & Communicated Common Run of Neil Arm Strong's visited Moon [NASA's Moon] for the Equal & Opposite Western Daylight Time Zone [Europe, Arabian Peninsula, Australia, Asia, and Africa] and Eastern Daylight Time Zone [South America and North America] is absolutely contradictory to Newton's Visual Binaries. Further, Projected & Communicated Common Run of Neil Arm Strong's visited Moon [NASA's Moon] for the Equal & Opposite Western Daylight Time Zone [Europe, Arabian Peninsula, Australia, Asia, and Africa] and Eastern Daylight Time Zone [South America and North America] is absolutely contradictory to Periodic Motion of the Planet Uranus of each Zone. Again, Projected & Communicated Common Run of Neil Arm Strong's visited Moon [NASA's Moon] for the Equal & Opposite Western Daylight Time Zone [Europe, Arabian Peninsula, Australia, Asia, and Africa] and Eastern Daylight Time Zone [South America and North America] is absolutely contradictory to Uranian System.

- Gravitational Force and Strong Force are Equal & Opposite Forces. Magnetic Force and Weak Force are Equal & Opposite Forces. An apple falls from the tree towards Dead Land [East Horizon] due to Gravitation Force [Ref. Newton's Law of Gravitation]. So, it is obvious that the Upward Direction represents towards Strong Field [West Horizon]. Projected & communicated Upward Direction as Northern Hemisphere [Magnetic Field] and Downward Direction as Southern Hemisphere [Weak Field] are vitiated by all established fallacies [particularly Subjective Self-contradictions & Objective Paradoxes]. Now, Upward Direction of the Global Scientific Community represents towards Strong Field & Northern Hemisphere [Strong Force & Magnetic Force]. Correspondingly, Downward Direction of the Global Scientific Community represents towards Gravitational Field & Southern Hemisphere [Gravitational Force and Weak Force]. Consequently, people of the entire world [including so-called scientists and competent academic authorities] are far away from Four Basic Fields – Four Basic Forces – Four Cardinal Directions of Helium-4 Atom [Upright Rectangular Universe or End of Proof of the Global Scientific Community] and Four Points of Light.
- Universe is the Substratum of all created things and beings [including Nine Planets, Galaxy of Approximately 124000 Stars like Diamonds, Sirius Binary System, Mercurial System, Uranian System, Natural Magnetism, and Solar System]. More specifically, Universe is the Ultimate Substratum of Sirius A and White Dwarf Companion Sirius B. Sirius A is the Substratum of Physics. White Dwarf Companion Sirius B is the Substratum of Astronomy and Astrophysics. So, our Universe is a Sirius Binary System. Solar System cannot be the Ultimate Substratum of all created things and beings [including Nine Planets, Galaxy of Approximately 124000 Stars like Diamonds, Sirius Binary System, Mercurial System, Uranian

System, and Natural Magnetism]. So, our Universe is not a Solar Universe. Projected & Communicated Solar Universe is not a Natural Science. Projected & Communicated Solar Universe is a Well Established Digital Science of an International Organization of Cursed Human Persons [Possessors of Maya or Manifested Devils]. Moreover, Projected & Communicated Solar Universe is vitiated by all established fallacies [particularly Practical Imperfection and Existential Fallacy].

References of my purely academic & incontestable constitutional activities on Equal & Opposite Apriori Framework of Natural Science and Un-contradicted Facts of this Equal & Opposite Manifested Nature [Verifiable Framework of Natural Science and Justifiable Curriculum of Human Rights & Universal Education or Neutral Science] as per 'Science Education in correspondence to Reality' mentioned in Page – 27 of our National Curriculum Framework [NCF] – 2005, 'Ensured Quality Education' mentioned in Section – 29 of the RTE Act – 2009, 'Necessary Humanistic Vision of Education' mentioned in the Article – 29 of CRC [International Convention on the Rights of the Child], 'A World Fit for Children' adopted on UN General Assembly – 2002, 'Human Rights & Universal Education' mentioned on UNESCO's Contribution, 'Quality Education' mentioned in our National Education Policy, and in Conformity with the Values enshrined in our Constitution [Ref. Sub-section – 29 (1) (a) of the RTE Act – 2009] bearing academic Ph. D. Registration No. 2491/14 under Assam University, India are as follows –
