Abstract: (Remember) when the wife of Imraan said: O Allah! I do dedicate to You what is in my womb for Your special service, accept this from me, for You hears and knows all things. And when she was delivered, she said: My Rab! Lo! I am delivered of a female. Allah knew best what she brought forth. The male is not as the female; and Lo! I have named her Maryam, and Lo! I desire Your protection for her and her off springs from Shaytan the outcast. And her Rab accepted her (Maryam) with full acceptance. Allah made her grow in purity and beauty and appointed Zakariya her guardian. Whenever Zakariya enters into the sanctuary where she (Maryam) is, he finds her supplied with sustenance. He asks: O Maryam! Whence [comes] this to you? She answered: It is from Allah, for Allah provides sustenance to whom He pleases without measure. [Sura (2) – Alal-Imraan – Verses – 35 to 37]

1. Method

Observation & Experiment in correspondence to Reality.

2. Purpose

To communicate the searched out Manifested Sign of Natural Magnetism & Scientific Proof of Natural Magnetic Directions [Magnetic Field and Weak Field] i.e. Infallible & Unerring Statistics regarding Alteration of Day & Night in a Day for the Equal & Opposite Eastern Daylight Time Zone [Ground Stair of North America and South America] and Western Daylight Time Zone [Middle Stair of Africa – Asia – Australia – Europe and Mountain Top Stair of Arabian Peninsula] as well as the Existential Import of the Barrier between Equal and Opposite Natural Mechanism [Solar System]

Maryam [Sister of Haruun] supplied with Sustenance [Natural Magnetism]: The so-called Sun [Appointed Daylight / Wash-Shamsi] is the She-camel of Allah. Global Scientists have recognized the so-called Sun [Appointed Daylight / Tarash-Shamsa] as Sister Planet Venus. The so-called Sun [Tarash-Shamsa / Sister Planet Venus] is the BULLET of UNO [Ref. Unicode (hex) 2022]. Einstein has recognized the so-called Sun [Tarash-Shamsa or Sister Planet Venus or BULLET of UNO] as **Electromagnetic Waves**. Einstein's Electromagnetic Wave represents Snake of Muusaa's Staff. Light mentioned in Einstein's Binary Pulsar represents the so-called Sun [Tarash-Shamsa or Sister Planet Venus or Einstein's Electromagnetic Wave or BULLET of UNO]. Each day we perceive Alteration of Day & Night i.e. Twice Day & Twice Night within 24 Hours for the Equal & Opposite Eastern Daylight Time Zone [Ground Stair of North America and South America] and Western Daylight Time Zone [Middle Stair of Africa – Asia – Australia – Europe and Mountain Top Stair of Arabian Peninsula]. We have not yet perceived the 'Common Run' of the so-called Sun [Appointed Daylight or Tarash-Shamsa or Sister Planet Venus or Einstein's Electromagnetic Waves or BULLET of UNO] for the Equal & Opposite Eastern Daylight Time Zone [Ground Stair of North America and

South America] and Western Daylight Time Zone [Middle Stair of Africa – Asia – Australia – Europe and Mountain Top Stair of Arabian Peninsula].

Moreover, it is being taught at school that when it is day-time for North America, it is night-time for Asia; and when it is day-time for Asia, it is night-time for North America. So, Alteration of Day & Night in a Day i.e. Twice Day & Twice Night within 24 Hours for the Equal & Opposite Eastern Daylight Time Zone [Ground Stair of North America and South America] and Western Daylight Time Zone [Middle Stair of Africa – Asia – Australia – Europe and Mountain Top Stair of Arabian Peninsula] is being taught at school.

Zakariya (Guardian of Maryam) [Solar System]: There is a Barrier called Lakshman Rekha [Electron Cloud / Screen / Veto] between Equal & Opposite Eastern Daylight Time Zone [Zone of Ravana or Lower Seashore] and Western Daylight Time Zone [Ram Rajya or Upper Seashore]. This Barrier [Lakshman Rekha or Electron Cloud or Screen or Veto] is called Solar System. We have not yet perceived the 'Common Run' of the so-called Sun or the 'Common Run' of Neil Arm Strong's visited Moon [NASA's Moon] for the Equal & Opposite Eastern Daylight Time Zone [Zone of Ravana or Lower Seashore] and Western Daylight Time Zone [Ram Rajya or Upper Seashore] due to Solar System [Barrier or Lakshman Rekha or Electron Cloud or Screen or Veil or Veto]. Einstein has recognized Solar System [Barrier or Lakshman Rekha or Electron Cloud or Screen or Veto] as **Gravitational Waves**. Solar System is nothing but DANGER and DOUBLE DANGER of UNO [Ref. Unicode (hex) 2020 and Unicode (hex) 2021]. We cannot perceive the 'Common Run' of the so-called Sun [Appointed Daylight or Tarash-Shamsa or Sister Planet Venus or Einstein's Electromagnetic Waves or BULLET of UNO] for the Equal & Opposite Eastern Daylight Time Zone [Ground Stair of North America and South America] and Western Daylight Time Zone [Middle Stair of Africa – Asia – Australia – Europe and Mountain Top Stair of Arabian Peninsula] due to Solar System [Einstein's Gravitational Waves or DANGER and DOUBLE DANGER of UNO or Barrier between Equal and Opposite Natural Mechanism or

Einstein’s Binary Pulsar: Just as **accelerating charges can emit electromagnetic waves, accelerating masses can emit gravitational waves.** However gravitational waves are difficult to detect because they are very weak and no conclusive evidence has yet been reported for their direct observation. *They have been observed indirectly in the binary pulsar.* Because the arrival time of pulses from the pulsar can be measured very precisely, it can be determined that the period of the binary system is gradually decreasing.

The electromagnetic field can have waves in it that carry energy and that we call **light**. Likewise, the gravitational field can have waves that carry energy and are called *gravitational waves*. These may be thought of as ripples [waves] **in the curvature of space-time that travel at the speed of light.**

Then Albert Einstein shook the foundations of physics with the introduction of his **Special Theory of Relativity** in 1905, and his **General Theory of Relativity** in 1915 (Here is an example of a thought experiment in special relativity). The first showed that Newton's Three Laws of Motion were only approximately correct, breaking down when velocities approached that of light. The second showed that Newton's Law of Gravitation was also only approximately correct,

breaking down in the presence of very strong gravitational force.

Einstein's Electromagnetic Wave [Light or so-called Sun or Tarash-Shamsa or Sister Planet Venus or BULLET of UNO] is the Manifested Sign of Natural Magnetism & Scientific Proof of Natural Magnetic Directions [Magnetic Field and Weak Field / E-Point and T-Point / Shimal and Yamin / Left and Right of the Prime Meridian / Aphelion and Perihelion / Natural North and Natural South]. Natural Magnetism is the **BROKEN BAR** [Unicode (hex) 00A6] of UNO [Global Scientific Community referred by NCERT]. **Einstein's Gravitational Wave** is representing Solar System [Barrier or Screen or Veto or Lakshman Rekha or Electron Cloud]. Solar System is the **DANGER** and **DOUBLE DANGER** of UNO. So, **Einstein's Binary Pulsar is representing Natural Magnetism and Solar System.**

Each day **Light** [Einstein's Electromagnetic Wave or so-called Sun or Tarash-Shamsa or Sister Planet Venus or BULLET of UNO] **enters** from Magnetic Field [E-Point / Aphelion / Left of the Prime Meridian / Shimal] in correspondence with North-East Region of North America and **sets** in Weak Field [T-Point / Perihelion / Right of the Prime Meridian / Yamin] in correspondence with South-East Region of South America before the Prime Meridian (Appointed Kaba) for the Eastern Daylight Time Zone [Ground Stair of North America and South America]. More specifically, in the Eastern Daylight Time Zone [Ground Stair of North America and South America] **the entering direction of Light represents Natural North Direction and the setting direction of Light represents Natural South Direction.** This is the TOP SEMI-ANTICLOCKWISE journey of Light [Einstein's Electromagnetic Wave or so-called Sun or Tarash-Shamsa or Sister Planet Venus or BULLET of UNO] **before the Prime Meridian** for the Eastern Daylight Time Zone [Ground Stair of North America and South America]. This Top Semi-anticlockwise Journey of Light [Einstein's Electromagnetic Wave or so-called Sun or Tarash-Shamsa or Sister Planet Venus or BULLET of UNO] before the Prime Meridian for the Eastern Daylight Time Zone [Ground Stair of North America and South America] is called **Einstein's Electromagnetic Force.** Global Scientists have recognized this Top Semi-anticlockwise Journey of Light [Einstein's Electromagnetic Wave or so-called Sun or Tarash-Shamsa or Sister Planet Venus or BULLET of UNO] before the Prime Meridian for the Eastern Daylight Time Zone [Ground Stair of North America and South America] as **Morning Show of the Sister Planet Venus.** Morning Show of the Sister Planet Venus [Light] before the Prime Meridian represents **Safa.** Global Scientists have also recognized this Top Semi-anticlockwise Journey of Light [Einstein's Electromagnetic Wave or so-called Sun or Tarash-Shamsa or Sister Planet Venus or BULLET of UNO] before the Prime Meridian for the Eastern Daylight Time Zone [Ground Stair of North America and South America] as **VULGAR FRACTION ONE HALF** [Ref. Unicode (hex) 00BD]. So, Light [Einstein's Electromagnetic Wave or so-called Sun or Tarash-Shamsa or Sister Planet Venus or BULLET of UNO] **enters** from Natural North [Magnetic Field / Shimal / Left of the Prime Meridian] and **sets** in

Natural South [Weak Field / Yamin / Right of the Prime Meridian] for the Eastern Daylight Time Zone [Ground Stair of North America and South America]. People of the Western Daylight Time Zone [Middle Stair of Africa – Asia – Australia – Europe and Mountain Top Stair of Arabian Peninsula] cannot perceive Morning Show [Safa] of the Sister Planet Venus [Einstein's Electromagnetic Force or Light] due to Solar System [Einstein's Gravitational Wave or Barrier or Screen or Veto or Lakshman Rekha or Electron Cloud or DANGER of UNO].

Light [Einstein's Electromagnetic Wave or so-called Sun or Tarash-Shamsa or Sister Planet Venus or BULLET of UNO] turns back from the setting point due to Equal & Opposite Apriori Framework of this Manifested Nature, Unalterable Law of Nature such as Newton's Third Law – 'Equal & Opposite', and Un-interfering Natural Mechanism such as Natural Magnetism [BROKEN BAR of UNO].

Einstein's theory predicts that **the direction of light propagation should be changed** in a gravitational field, contrary to the Newtonian predictions. **Precise observations indicate that Einstein is right**, both about the effect and its magnitude. A striking consequence is gravitational lensing.

Light [Einstein's Electromagnetic Wave or so-called Sun or Tarash-Shamsa or Sister Planet Venus or BULLET of UNO] **rises** from Weak Field [T-Point / Perihelion / Right of the Prime Meridian / Yamin] in correspondence with South-West Region of Africa – Asia - Australia and **ends** in Magnetic Field [E-Point / Aphelion / Left of the Prime Meridian / Shimal] in correspondence with North-West Region of Europe covering Upright-West Region of Arabian Peninsula for the Western Daylight Time Zone [Middle Stair of Africa – Asia – Australia – Europe and Mountain Top Stair of Arabian Peninsula]. More specifically, in the Western Daylight Time Zone [Middle Stair of Africa – Asia – Australia – Europe and Mountain Top Stair of Arabian Peninsula] **the rising direction of Light represents Natural South Direction and the ending direction of Light represents Natural North Direction.** This is the TOP SEMI-CLOCKWISE journey of Light [Einstein's Electromagnetic Wave or so-called Sun or Tarash-Shamsa or Sister Planet Venus or BULLET of UNO] **behind the Prime Meridian** for the Western Daylight Time Zone [Middle Stair of Africa – Asia – Australia – Europe and Mountain Top Stair of Arabian Peninsula]. This Top Semi-clockwise Journey of Light [Einstein's Electromagnetic Wave or so-called Sun or Tarash-Shamsa or Sister Planet Venus or BULLET of UNO] behind the Prime Meridian for the Western Daylight Time Zone [Middle Stair of Africa – Asia – Australia – Europe and Mountain Top Stair of Arabian Peninsula] is called **Einstein's Electroweak Force.** Global Scientists have recognized this Top Semi-clockwise Journey of Light [Einstein's Electromagnetic Wave or so-called Sun or Tarash-Shamsa or Sister Planet Venus or BULLET of UNO] behind the Prime Meridian for the Western Daylight Time Zone [Middle Stair of Africa – Asia – Australia – Europe and Mountain Top Stair of Arabian Peninsula] as **Evening Show of the Sister Planet Venus.** Evening Show of the Sister Planet Venus [Light] behind the Prime Meridian represents **Marwa.** Global Scientists have also recognized this Top Semi-clockwise Journey of Light

[Einstein's Electromagnetic Wave or so-called Sun or Tarash-Shamsa or Sister Planet Venus or BULLET of UNO] behind the Prime Meridian as **VULGAR FRACTION THREE QUARTERS** [Ref. Unicode (hex) 00BE] for the Middle Stair [of Africa, Asia, Australia, and Europe] and **VULGAR FRACTION ONE QUARTER** [Ref. Unicode (hex) 00BD] for the Mountain Top Stair of Arabian Peninsula. So, Light [Einstein's Electromagnetic Wave or so-called Sun or Tarash-Shamsa or Sister Planet Venus or BULLET of UNO] **rises** from Natural South [Weak Field / Yamin / Right of the Prime Meridian] and **ends** in Natural North [Magnetic Field / Shimal / Left of the Prime Meridian] for the Western Daylight Time Zone [Middle Stair of Africa – Asia – Australia – Europe and Mountain Top Stair of Arabian Peninsula]. People of the Eastern Daylight Time Zone [Ground Stair of North America and South America] cannot perceive Evening Show of the Sister Planet Venus [Einstein's Electroweak Force] due to Solar System [Einstein's Gravitational Waves or Barrier or Screen or Veto or Lakshman Rekha or Electron Cloud or DOUBLE DANGER of UNO].

Four Points of Light: North-East is the entering point of Light [so-called Sun] for the Eastern Daylight Time Zone [Ground Stair of North America and South America]. **South-East** is the setting point of Light [so-called Sun] for the Eastern Daylight Time Zone [Ground Stair of North America and South America]. **South-West** is the rising point of Light [so-called Sun] for the Western Daylight Time Zone [Middle Stair of Africa – Asia – Australia – Europe and Mountain Top Stair of Arabian Peninsula]. **North-West** is the ending point of Light [so-called Sun] for the Western Daylight Time Zone [Middle Stair of Africa – Asia – Australia – Europe and Mountain Top Stair of Arabian Peninsula]. E-Point and T-Point [Aphelion and Perihelion / Shimal and Yamin]: Light [Einstein's Electromagnetic Wave or so-

called Sun or Tarash-Shamsa or Sister Planet Venus or BULLET of UNO] is the Manifested Sign of Natural Magnetism & Scientific Proof of Natural Magnetic Directions [Natural North and Natural South / Aphelion and Perihelion / Shimal and Yamin / Magnetic Field and Weak Field / Left of the Prime Meridian and Right of the Prime Meridian]. Light [Einstein's Electromagnetic Wave or so-called Sun or Tarash-Shamsa or Sister Planet Venus or BULLET of UNO] **enters from North-East** for the Eastern Daylight Time Zone [Ground Stair of North America and South America] as Morning Show of the Sister Planet Venus [Einstein's Electromagnetic Force or Safa]. Light [Einstein's Electromagnetic Wave or so-called Sun or Tarash-Shamsa or Sister Planet Venus or BULLET of UNO] **ends in North-West** for the Western Daylight Time Zone [Middle Stair of Africa – Asia – Australia – Europe and Mountain Top Stair of Arabian Peninsula] as Evening Show of the Sister Planet Venus [Einstein's Electroweak Force or Marwa]. So, **Natural North** [Shimal or Aphelion or Left of the Appointed Kaba] is the Equal & Opposite Entering and Ending Point of Light [so-called Sun]. This Equal & Opposite Entering & Ending Point of Light is called **E-Point** [Aphelion / Shimal / Magnetic Field / Natural North / Left of the Prime Meridian / Left of the Appointed Kaba].

Light [Einstein's Electromagnetic Wave or so-called Sun or Tarash-Shamsa or Sister Planet Venus or BULLET of UNO] **sets in South-East** for the Eastern Daylight Time Zone [Ground Stair of North America and South America] as Morning Show of the Sister Planet Venus [Einstein's Electromagnetic Force or Safa]. Light [Einstein's Electromagnetic Wave or so-called Sun or Tarash-Shamsa or Sister Planet Venus or BULLET of UNO] turns back from South-East due to Natural Magnetism and **rises from South-West** for the Western Daylight Time Zone [Middle Stair of Africa – Asia – Australia – Europe and Mountain Top Stair of Arabian Peninsula] as Evening Show of the Sister Planet Venus [Einstein's Electroweak Force or Marwa]. This setting – turning – rising point of Light is called **T-Point** [Perihelion / Yamin / Weak Field / Natural South / Right of the Prime Meridian / Right of the Appointed Kaba].

So, Light [Einstein's Electromagnetic Wave or so-called Sun or Tarash-Shamsa or Sister Planet Venus or BULLET of UNO] rises twice and sets twice from E-Point to T-Point [Shimal to Yamin / Natural North to Natural South] and turning back from T-Point to E-Point [Yamin to Shimal / Natural South to Natural North] to cause the Alteration of Day & Night in a Day [Twice Day & Twice Night within 24 Hours] for the Equal & Opposite Eastern Daylight Time Zone [Ground Stair of North America and South America] and Western Daylight Time Zone [Middle Stair of Africa – Asia – Australia – Europe and Mountain Top Stair of Arabian Peninsula] within the East Horizon of the Upright Rectangular Universe. This is the searched out **Infallible & Unerring Statistics regarding Alteration of Day & Night in a Day** [Twice Day & Twice Night within 24 Hours] for the Equal & Opposite Eastern Daylight Time Zone [Ground Stair of North America and South America] and Western Daylight Time Zone [Middle Stair of Africa – Asia – Australia – Europe and Mountain Top Stair of Arabian Peninsula] within the East Horizon of the Upright

Rectangular Universe. It is our Inborn Human Rights to communicate [share & receive] the searched out Infallible & Unerring Statistics regarding Alteration of Day & Night in a Day. It is also the fundamental duty & moral responsibility of each & every individual endowed with conscience [sense of right & wrong] to propagate the searched out Infallible & Unerring Statistics regarding Alteration of Day & Night in a Day for the sake of Sanctity of Education & Significance of Scientific Certainty, our Inherent Dignity & Moral Solidarity, our Freedom of Conscience & Liberty of Faith – Belief – Thought – Expression – Worship, Holistic Development of our Axiological Aspects & One Dimensional Time, Secularity & Democracy, Sovereignty of our Constitution, so far established Right to Education & Human Rights, Science & Constitution, Constitution & Legitimacy, Right & Justice, Truth & Justice, and Utilitarian Liberation & Common End [Public Interest].

Conscious Conspiracy & Manifest Hypocrisy: Global Scientists have recognized Manifested Sign of Natural Magnetism [Light or Einstein's Electromagnetic Wave] & Scientific Proof of Natural Magnetic Directions [E-Point and T-Point or Aphelion and Perihelion]. They have recognized Morning Show and Evening Show of the Sister Planet Venus. They have recognized Electromagnetic Force and Electroweak Force. They have recognized the existential import of the Barrier [Screen or Veto] between Equal and Opposite Natural Mechanism called Solar System. They have recognized Four Points of Light. They have also recognized the Infallible & Unerring Statistics regarding Alteration of Day & Night in a Day [Twice Day & Twice Night within 24 Hours] for the Equal & Opposite Eastern Daylight Time Zone [Ground Stair of North America and South America] and Western Daylight Time Zone [Middle Stair of Africa – Asia – Australia – Europe and Mountain Top Stair of Arabian Peninsula]. However, they have been consciously & intentionally concealing from us Manifested Sign of Natural Magnetism [Light] & Scientific Proof of Natural Magnetic Directions [E-Point and T-Point / Aphelion and Perihelion / Magnetic Field and Weak Field / Shimal and Yamin / Natural North and Natural South / Left of the Prime Meridian and Right of the Prime Meridian] projecting Anti-natural Framework of Natural Science [Global Framework of this Equal & Opposite Manifested Nature / Global Standard for Human Rights] and Solar Universe, inventing several man-made mechanisms such as Man-made Magnetism and Qibla Indicator, communicating Well Established Observational Facts of Global Science [Self-contradictory & Paradoxical Sciences], misusing publication media, and violating our Inalienable Human Rights [Inborn Human Rights]. Consequently, we are far away from Manifested Sign of Natural Magnetism [Light] & Scientific Proof of Natural Magnetic Directions [E-Point and T-Point / Aphelion and Perihelion / Magnetic Field and Weak Field / Shimal and Yamin / Natural North and Natural South / Left of the Prime Meridian and Right of the Prime Meridian].

North-East is the Entering Point of Light for the Eastern Daylight Time Zone [Ground Stair of North America and South America] and **North-West** is the Ending Point of Light for the Western Daylight Time Zone [Middle Stair of Africa – Asia – Australia – Europe and Mountain Top Stair of Arabian Peninsula]. Now, **concealment of North from**

North-East and North-West projecting Man-made Natural Magnetism (Qibla Finder) has been manifesting that **Light** [Einstein's Electromagnetic Wave or so-called Sun or Tarash-Shamsa or Sister Planet Venus or BULLET of UNO] **enters from the East and ends in the West**. So, concealment of real & projection of unreal as if real is the Prime Cause [Causeless Cause / Root Cause] of human sufferings. Epistemic persons have been uninterruptedly propagating the Nexus of Self-evident Plagiarism [**Post Hoc Ergo Propter Hoc Statistics regarding Alteration of Day & Night in a Day**] that the so-called Sun [Light or Einstein's Electromagnetic Wave or Tarash-Shamsa or Sister Planet Venus or She-camel of Allah or BULLET of UNO] **rises once from the East and sets once in the West** to cause Alteration of Day & Night in a Day following Universal Acceptance of the Global Scientific Community. Consequently, people of this Equal & Opposite Manifested Nature are far away from Manifested Sign of Natural Magnetism & Scientific Proof of Natural Magnetic Directions and Four Basic Fields – Four Basic Forces – Four Cardinal Directions of Helium-4 Atom [Upright Rectangular Universe].

Each day the so-called Sun [Light or Tarash-Shamsa or Einstein's Electromagnetic Wave or BULLET of UNO] enters from North-East in correspondence to North East Region of North America and sets in South-East in correspondence to South-East Region of South America for the Eastern Daylight Time Zone [Ground Stair of North America and South America] as **Morning Show of the Sister Planet Venus**. So the concept of Day [Morning] begins from the Eastern Daylight Time Zone [Ground Stair of North America and South America]. In other words, **in the Eastern Daylight Time Zone [Ground Stair of North America and South America] the concept of Day is prior to the concept of Night**.

When the so-called Sun [Light or Tarash-Shamsa or Einstein's Electromagnetic Wave or BULLET of UNO] enters from North [E-Point / Shimal / Magnetic Field], the New Moon of the Western Daylight Time Zone [Middle Stair of Europe – Australia – Asia – Africa and Mountain Top Stair of Arabian Peninsula] arises from the same Root i.e. North [E-Point / Shimal / Magnetic Field]. So, the concept of Night [Evening] begins from the Western Daylight Time Zone [Middle Stair of Europe – Australia – Asia – Africa and Mountain Top Stair of Arabian Peninsula]. In other words, **in the Western Daylight Time Zone [Middle Stair of Europe – Australia – Asia – Africa and Mountain Top Stair of Arabian Peninsula] the concept of Night is prior to the concept of Day**.

The so-called Sun [Light or Tarash-Shamsa or Einstein's Electromagnetic Wave or BULLET of UNO] turns back from the setting point and rises from South-West in correspondence to South West Region of Africa – Asia – Australia and ends in North-West in correspondence to Europe covering Upright West Region of Arabian Peninsula as **Evening Show of the Sister Planet Venus**. So, **in the Western Daylight Time Zone [Middle Stair of Europe – Australia – Asia – Africa and Mountain Top Stair of Arabian Peninsula] the concept of Day is posterior to the concept of Night**.

When the so-called Sun [Light or Tarash-Shamsa or Einstein's Electromagnetic Wave or BULLET of UNO] rises from South [T-Point / Yamin / Weak Field], New Moon of the Eastern Daylight Time Zone [Ground Stair of North America and South America] appears from the same Root i.e. South [T-Point / Yamin / Weak Field]. So, **in the Eastern Daylight Time Zone [Ground Stair of North America and South America] the concept of Night is posterior to the concept of Day.**

Right Direction of Qibla

It is an easy task to recognize & confirm Right Direction of Qibla. If we are able to recognize & confirm Natural Magnetic Directions [Shimal and Yamin / Magnetic Field and Weak Field / E-Point and T-Point / Aphelion and Perihelion / Natural North and Natural South / Haiyalas-Swalaah and Haiyalal-Falaah / Left of the Appointed Kaba and Right of the Appointed Kaba] on the basis of Manifested Sign of Natural Magnetism [Light or so-called Sun or Tarash-Shamsa or Einstein's Electromagnetic Wave or Sister Planet Venus or BULLET of UNO] & Clear Proof of Natural Magnetic Directions [Natural North and Natural South], then we will be able to recognize & confirm Right Direction of Qibla towards Upright West Region of the Appointed Kaba [Shatral-Masjidil-Haraam / Inviolable Place of Worship] removing all doubts and from all perspectives/disciplines for the first time throughout the history of projected & communicated global epistemology and qibla finder (man-made natural magnetism). More specifically, so-called Sun [Light] is the Manifested Sign of Natural Magnetism & Clear Proof of Haiyalas-Swalaah and Haiyalal-Falaah [Left and Right of the Appointed Kaba] [Ref. Verse – 17 of Sura – Ashaabal-Kahf and Einstein's Electromagnetic Wave].

Eastern Daylight Time Zone [Ground Stair of North America and South America]: In the Eastern Daylight Time Zone, Light [so-called Sun or Tarash-Shamsa or Sister Planet Venus or Einstein's Electromagnetic Wave or BULLET of UNO] enters from Natural North [Left of the Appointed Kaba or Shimal or Magnetic Field or Haiyalas-Swalaah] and sets in Natural South [Right of the Appointed Kaba or Yamin or Weak Field or Haiyalal-Falaah]. If we stand up upright in the Eastern Daylight Time Zone in such a position that our right-hand [rightward] direction corresponds to the entering direction of Light [so-called Sun or Tarash-Shamsa or Sister Planet Venus or Einstein's Electromagnetic Wave or BULLET of UNO] and our left-hand [leftward] direction corresponds to the setting direction of Light [so-called Sun or Tarash-Shamsa or Sister Planet Venus or Einstein's Electromagnetic Wave or BULLET of UNO], then our back will represent Eastern Part of the Land [Mashriq or Front of the Appointed Kaba] and our front will represent Western Part of the Land [Magrib or Back of the Appointed Kaba]. **Western Part of the Land [Magrib] is our traced out Right Direction of Performing Prayer [Qibla] towards Upright West Region of the Appointed Kaba [Shatral-Masjidil-Haraam or Inviolable Place of Worship].**

Western Daylight Time Zone [Middle Stair of Africa, Asia, Australia, and Europe as well as Mountain Top Stair of Arabian Peninsula]: In the Western Daylight Time Zone,

Light [so-called Sun or Tarash-Shamsa or Sister Planet Venus or Einstein's Electromagnetic Wave or BULLET of UNO] rises from Natural South [Right of the Appointed Kaba or Yamin or Weak Field or Haiyalal-Falaah] and ends in Natural North [Left of the Appointed Kaba or Shimal or Magnetic Field or Haiyalas-Swalaah]. If we stand up upright in the Western Daylight Time Zone in such a position that our left-hand [leftward] direction corresponds to the rising direction of Light [so-called Sun or Tarash-Shamsa or Sister Planet Venus or Einstein's Electromagnetic Wave or BULLET of UNO] and our right-hand [rightward] direction corresponds to the ending direction of Light [so-called Sun or Tarash-Shamsa or Sister Planet Venus or Einstein's Electromagnetic Wave or BULLET of UNO], then our back will represent Eastern Part of the Land [Mashriq or Front of the Appointed Kaba] and our front will represent Western Part of the Land [Magrib or Back of the Appointed Kaba]. **Western Part of the Land [Magrib] is our traced out Right Direction of Performing Prayer [Qibla] towards Upright West Region of the Appointed Kaba [Shatral-Masjidil-Haraam or Inviolable Place of Worship].**

Muhammad is no more than a messenger. Many were the messengers [min-qablihir-Rusul] that passed away before him. If he died or were slain, **will you then turn back sharply round** [following projected global framework of United Nations and propagated wrong direction of Qibla of the researchers of IFTA towards Straight Middle-East Region of Eartha 3D on the basis of Qibla Indicator]? If any did turn back sharply round [following Man-made Natural Magnetic Directions & Qibla Finder], not the least harm will he do to Allah; but Allah [on the other hand] will swiftly reward those who [serve Him] with gratitude [following infallible & unerring guidance]. Nor can a soul die except by Allah's permission, the term being fixed as by writing. If any do desire a reward in this life, **We** shall give it to him; and if any do desire a reward in the hereafter, **We** shall give it to him. And swiftly **We** shall reward those who [serve Us with] gratitude. [Sura (2) – Alal-Imraan – Verses – 144 and 145]
