Author Profile

Dr. V. Ganesan is presently Associate Professor and Head of the Centre for Research and PG Studies in Botany, Ayya Nadar Janaki Ammal College, Sivakasi, Tamil Nadu, with cumulative teaching experience of 33 years. He has published more than 34 research articles in the National and International Journals and handled 08 projects funded by ICFRE, SERB, M.o.En.&F., UGC, TNSCST and Tamil Nadu Forest department. His research excellence has been obvious with Thomas Edition Award 2014 in Biotechnology for inspiration and knowledge distribution among young research scholars. His two research papers were ranked under Top ten publications of Advanced Biotech in the year 2011.

R. Malathi is presently Junior Research Fellow in Centre for Research and PG Studies in Botany, Ayya Nadar Janaki Ammal College, Sivakasi, Tamil Nadu under SERB Project. Her specialization area is Eco-friendly synthesis of noble metal nanoparticles and their applications in biomedical field.
