### Author Profile

**Simhadri Lakshmi Sirisha** is a M.Tech Student in Power electronics and Electrical Drives Specialization, in Vasireddy Venkatadri Institute of Technology, Nambur. She has completed B.Tech from Vignan's Engineering College, Vadlamudi. Her Areas of interest are Hybrid Energy Systems, Multilevel Inverters.

**Ambati Hariprasad** is working as Assistant Professor in Department of Electrical and Electronics Engineering in Vasireddy Venkatadri Institute of Technology from August, 2007. He has completed his Master of Technology in Power Electronics and Electric Drives. He has eight publications in power electronics with renewable energy sources. His fields of interest are solar energy, Electric Vehicles.
