Author Profile

Madhu Sudan Das was born in 1981 in West Bengal, India. He received M.Tech degree in Control System Engineering in 2010 from Jadavpur University, India. He is working as an assistant professor in the dept. of Electronics and Communication Engineering at NSHM Knowledge Campus, Durgapur, West Bengal, India. His research interest is in Control systems (Tracking, Inertial Navigation, Estimation and Filtering, Kalman filter), Digital Signal Processing, Antenna and Microwave and Communication Systems.

Susmita Chatterjee was born in 1994 in West Bengal, India. She is pursuing B.Tech (final year) in Electronics and Communication Engineering at NSHM Knowledge Campus, Durgapur, West Bengal, India. She is topper of the dept. of ECE. Her research interest is in Control Systems, Antenna, Digital Signal Processing, Communication Systems and Signal and systems.
