Author Profile

Alfred Homère NGANDAM MFONDOUM just received a diploma of professional master's in remote sensing and GIS at the African Regional Center for Sciences and Technologies of Space in French Language (CRASTE-lf) in Morocco, in May 2014. Before that, he received a master and an M.Phil in physical geography at the University of Yaoundé I, respectively in 2005 and 2007. He operates now as a freelance consultant while writing a Ph.D. thesis in geography.
