Author Profile

Maneesh Kumar Sharma was born in Mankapur (Gonda) U.P. India. He received the B.Sc degree from Awadh University Faizabad U.P., E-commerce diploma from NIIT Lucknow, MCA degree from Sikkim Manipal University, MCP, MCSA, MCSE Diploma from Microsoft, MBA (IT) Degree from Amity University Lucknow U.P. He is currently pursuing M.Tech(CSE) from Monad University Hapur U.P. Maneesh Sharma currently working as a Project Manager (R&D IT) since 2005 at SecureMantra Technologies Lucknow .U.P. and handling Criminal biometrics projects in more than 15 states in india. Totally involved in R&D of Fingerprint, Facial and IRIS based recognition system. In R&D center he is researching about different method of image processing, live scanners, spoof detection algorithms using hardware and software, and also monitoring and implementing multimodel biometric system, which is combination of fingerprint, facial and IRIS for Police Department (Crime Branch). The project which he is handling called AFIS (Automated fingerprint identification system), AMBIS (Automated multimodal biometric identification system).
