Author Profile

Vivek P. Thawkar completed B.E. (Mechanical Engineering) in year 2011 from R.T. M. Nagpur University. Currently perusing M. Tech (Thermal Engineering) from Government College of Engineering Amravati, Maharashtra State, 444604, India. An autonomous institute of Government of Maharashtra.

Hemant S. Farkade is an assistant professor of Mechanical Engineering at Government College of Engineering, Amravati, Maharashtra State, 444604, India. An autonomous institute of Government of Maharashtra. His research area is Heat transfer and IC Engines.
