Author Profile

Ankita Burungale received the Bachelor degree (B.E.) in Computer engineering in 2013 from Rajarambapu Institute of Technology college of Engineering, Sakhrale, Shivaji University. Currently, She is pursuing Master's degree in Computer Engineering at Vidya Pratishthan's College of Engineering, BARAMATI, Pune University. Her current research interests include Data Mining and Information Retrieval.

Prof. Dinesh A. Zende has graduated in Computer Science & Engineering, in 2001, from Shivaji University, Kolhapur. He has completed Post-graduate degree from Walchand College of Engineering, Sangali (Shivaji University, Kolhapur).His research interests include Opearating Systems, Multicore Architecture, Image Processing application and Steganography.
