Author Profile

Dr. Vijai Shanker Verma, Associate Professor, Department of Mathematics and Statistics, DDU Gorakhpur University, Gorakhpur has received his M.Sc. and Ph.D. degrees in Mathematics from Lucknow University, Lucknow. He is recipient of National Merit Scholarship from U.P. Board, Allahabad, Ram Ballabh Memorial Scholarship from Lucknow University, Lucknow and has been honoured for his social and academic achievements by Hon'ble Prime Minister Sri Chandra Shekhar in 2004. He is life-member of various academic bodies namely; Bharat Ganita Parishad, National Academy of Mathematics, Indian Society of Mathematics and Mathematical Sciences and The Tensor Society. He has published several research papers in various Journals of National and International repute. He has also published several text books.
