Author Profile

Dr. Anu Gopinath, Assistant Professor in Chemical Oceanography, Kerala University of Fisheries and Ocean Studies, Cochin, India

Awards / Recognitions

- Dr. Anu Gopinath – selected from India to participate in UNESCO/IOC/WESTPAC training programme in Sanya Island China from 8-11 June, 2011. Topic – Water Pollution Monitoring In Coral Reefs.
- Commonwealth Academic Staff Fellowship in UK for the year 2012. National Oceanography Centre, Southampton, UK. 1.10.2012 – 26.12.2012
- Department of Science and Technology, GOVT of India - Fast Track Scheme for Young Scientists – 2012 – Biogeochemical factors and Ecosystem Dynamics of Coral Reefs of Lakshadweep Archipelago.
- Department of Science and Technology, GOVT of India Young Women Scientists' Fellowship-2006.
- ISAS Award for Outstanding Contribution in Teaching and Research – 2014.
- Participated in Indian Arctic Expedition -2014.

Current Research Interests:

- Green synthesis of nanoparticles from marine resources
- Studies related to ocean acidification – Dissolved Inorganic Carbon and Alkalinity Measurements of Ocean focusing on Lakshadweep Archipelago.
- Biogeochemical factors and Ecosystem Dynamics of Coral Reefs of Lakshadweep Archipelago, Indian Ocean.
- Trace metal and nutrient biogeochemistry of Oceans – focusing on Coral Reefs of Lakshadweep Archipelago.
- Biogeochemistry of Arctic Fjords.

Publications - Research Papers – International 21
Text books – 03.
Research projects - Major -03.
Number of ongoing PhD Programmes – 07
