Author Profile

Geethu S received B.Tech in Civil Engineering from MES Institute of Technology and Management in 2013. She is currently pursuing M.Tech in Structural Engineering from Sree Buddha College of Engineering.

Renjith R received B.Tech in Civil Engineering from Govt. Rajiv Gandhi Institute of Technology in 2006 and M.Tech in Structural Engineering from Mar Athanasius College of Engineering in 2012. He has been working in the design and construction industry for over 5 years before joining Sree Buddha College of Engineering as Assistant Professor.
