Author Profile

Faisal F. H. Aldhubaib received his B.E. degree in electrical and computer engineering and then M.Sc. degree in radio and microwave engineering from the University of Leeds, UK, in 1995 and 1997, respectively. Then in 2010, he received his PhD in Electromagnetic and Imaging research at the School of Information Technology and Electrical Engineering (ITEE) from the University of Queensland, Australia. Currently, he is an assistant professor working in the college of technological studies, PAAET, Kuwait.
