Author Profile

Tijjani Garbajoni joined Abubakar Tafawa Balewa University Bauchi, Nigeria as a lecturer in 2002. He obtained a B. Tech and M. Tech in Urban and Regional Planning in 2002 and Environmental Management Technology in 2010 respectively from Abubakar Tafawa Balewa University Bauchi, Nigeria. He is currently a PhD student with ARDHI University Dar es Salam, Tanzania. His Major Field of study is Remote Sensing (Change Detection). He is a Member of African Association of Remote Sensing of the Environment (AARSE) and Environmental Information System Africa (EIS Africa). He has over 15 papers in referral journals, proceedings presented at international and local conferences.
