Author Profile

Vishakha Mal received the B.E. degree in Computer Science & Engineering from Bhilai Institute of Technology, Durg(CG) in 2014. Now she is doing M.Tech in Computer Science & Engineering from Shri Ramdeobaba College Of Engineering & Management.

Avinash J. Agrawal received Bachelor of Engineering Degree in Computer Technology from Nagpur University, India and Master of Technology degree in Computer Technology from National Institute of Technology, Raipur, India in 1998 and 2005 respectively. He has Ph.D. in Computer Science and Engineering from Visvesvaraya National Institute of Technology, Nagpur in 2013. His research area is Natural Language Processing and Artificial Intelligence. He is having 18 years of teaching experience. Presently he is Associate Professor in Shri Ramdeobaba College of Engineering and Management, Nagpur. He is the author of more than 50 research papers in International Journal and Conferences.
