Abstract: *God Is Truth! There is only ONE TRUTH - but each has HER/HIS OWN VERSION OF THAT TRUTH - and, there are MANY ways to arrive at that HIGHEST TRUTH CALLED GOD (BY ANY LABEL). God is THE unconditioned White Magnetic Light of ALL THINGS - Omnipotent, Omniscient and Omnipresent MIND! This forceless force is invisible, motionless, sexless and undivided. I will get to the "dividing principle" of God a bit later. When human shall at least know God (s)he shall then be transformed. When you separated yourself from the Great Spirit within you, which fully contained your being as far as perfect guidance and knowledge, you became spiritually powerless. To achieve Spiritual integrity you are required to BE responsible and accountable for the effects of your thoughts, words and deeds. In order to be responsible, you must UNDERSTAND and adhere to The Cosmic laws of Balance. You must seek ONENESS and see UNITY with all, NOT separation, inferiority or superiority to anyone or anything. You must become impeccable in your intent to serve God and The Creation. You must recognize only ONE WILL, the Will of THE ONE, Creator/Creation. Then you will gain the Spiritual integrity of CHRIST perfection and with that your Power within will become magnificent. Your personal power is in direct proportion to the integrity of your soul.*

1. Introduction

The material universe is made up entirely of electric thought-waves. Thought-waves are nature's two-way guns, which are loaded with the energy of Mind-desire to give out from its centering Self to all the universe [1-41]. *That is the explosive which motivates the universe. That is what makes Creation appear and disappear.* If you can imagine these two-way spiral guns, which are shaped like the spirals shown and if you can imagine them placed muzzle to muzzle all through the universe, Like in Fig. 1 bellow, you have one part of the picture clearly in Mind. If you also imagine these two-way spiral guns to be of both atomic and stellar dimensions, you will clarify the picture somewhat. The only thing now to complete the picture is in discharging all of these cosmic guns right into each other's muzzles so that the explosive, which is projected, collides as hot bodies, which are frozen into solids as they are ejected from the muzzles of those polarizing guns. That is the way that paired units become mated systems, which complete the purposefulness of the universe by regiving to the Creator all that the Creator had given to them.

Figure 1

Thus it is that The God of Love manifests love to the fathers and mothers of Creation, who, in turn, manifest love by their equal givings and regivings of each to each other as united pairs, and they, in turn, regive of love to their Creator to become One with Him.

Thus it is that matter is created by the process of heating it by fast motion. Thus it is, also, that the cold of space freezes it to imprison it until it is enabled to generate enough heat for its liberation. This fact is not known by human. *Human*

BELIEVES that matter is held together from the inside. Because of this belief he does not know that matter is a powder keg which desires to blow up the universe. I KNOW THAT HUMAN WILL DESIST FROM HELPING MATTER TO BLOW UP THE UNIVERSE WHEN (S)HE IS MADE AWARE OF THE NATURE OF MATTER AS IT IS, INSTEAD OF THE WAY (S)HE "THINKS" IT IS. THE SAD PART IS THAT HUMAN MOST OFTEN REFUSES TO ALLOW HER/HIMSELF TO BECOME "AWARE". As long as Human continues in his foolish adherence and bowing to the incorrect projections simply because they are foisted off on her/him by some idiot or another - (s)he will continue just as (s)he is and take the whole planet with her/him in her/his stupidity. Let me define these terms:

Stupid - is one who continues to deny, refuse and remain egotistically uninformed.

Ignorant - one who simply has not had ability to come into knowledge.

Wise - one who realizes his ignorance and learns KNOWLEDGE.

2. Light, the Mother/Father-ONE!

This is a time for defining "God". I have no pick with anyone who presents Truth - from whatever source and there are many. The problem often ends up, however, with misunderstandings as the presenters move off into the self-awareness of the truth they BEGAN to bring forth. Further, other things come into play and the very proving of the equations fall to the wayside as the perceptions of the speakers and presenters take over the "instructions". Therefore, I am forced to give a very simplistic presentation which, after all, may be the ONLY way human can entertain the possibilities of scientific expression of GOD.

Can one actually "define" God? Yes indeed. It has been

done and the most accurately presented idea focus and definition of God has come forth many, many times but to be buried in misinformation and misunderstanding - BUT THERE IS ONLY THE ONE DEFINITION. There is only ONE TRUTH - but each has HER/HIS OWN VERSION OF THAT TRUTH - and, there are MANY ways to arrive at that HIGHEST TRUTH CALLED GOD (BY ANY LABEL).

3. God Is Light - Gog Is Love- God Is Inexorable Law!

God is THE unconditioned White Magnetic Light of ALL THINGS - Omnipotent, Omniscient and Omnipresent **MIND!** This forceless force is invisible, motionless, sexless and undivided. I will get to the "dividing principle" of God a bit later.

There is ONE LIGHT only in all this universe of countless many things. This is "Mind of God". Mind of God and the two extended lights of God's thinking, which God's imagining created to manifest God's Being in what appears to be "action". There is nothing, readers, in all nature other than God's KNOWING Mind - at rest and the motion of God's Mind-THINKING.

Electric and magnetic: God's "thinking" is electric. God's KNOWING is magnetic. GOD HAS BUT ONE IDEA, DESIRE, PURPOSE, ACTION AND LAW. God's **One idea** is God's unity within, in the duality of that which we can refer to as parental or Mother/Father LOVE. God's **One desire** is to "think action" - and then, to rest from the action. This happens in sequential intervals. God's **One purpose** is to think God's knowing of what GOD IS, and what GOD KNOWS, into God's OWN IMAGE. God's **One action** is to GIVE. GOD'S ONE LAW IS THAT WHAT GOD GIVES MUST BE BALANCED BY EQUAL REGIVING!

God's thinking is universal; thusly so too are God's actions universal. Thoughts are everywhere and yet the beginning and ending are within, in - the ONE. Therefore, "actions" are likewise, Omnipresent as their source in Mind-thinking. SO, AS IT IS - THAT WHICH HAPPENS ANYWHERE HAPPENS EVERYWHERE IN THIS UNIVERSE OF NOTHING SAVE MIND-EXTENSION.

Ah, but "idea" has no extension; however, idea, divided by imagining, extends into an imagined INFINITY, and then repeats its division unto the infinity which can be compared to a kaleidoscope as it repeats and multiplies its imaginings as it continues the repetition. The extensions of God's thinking move right along with LIGHT right into the three dimensional ILLUSION.

When God thinks at any one point of rest in God's universe, that point becomes the center of an invisible cube of White Magnetic Light. From there it is harmonically repeated as cube centers throughout God's Cosmic Kaleidoscope, at the rate of several hundred billions of cyclic pulsations every second. THEIR SPEED OF EXTENSION INTO THE THREE DIMENSIONAL ILLUSION IS ABOUT 186.400 MILES PER SECOND.

4. "Matter" is not "Spirit"

Spirit is not and cannot BE matter. It becomes, however, obvious that one cannot have matter without Spirit and Spirit without matter, BUT Spirit has the capability to clothe itself in many forms of MATTER for special manifesting, or put differently, it is Spirit manifesting that CAUSES matter. It simply is "matter" THROUGH causation - remember cause and effect.

Herein is THE GREAT SECRET: WHEN HUMAN SHALL AT LAST KNOW GOD (S)HE SHALL THEN BE TRANSFORMED.

Knowing or knowledge of the identity and Presence of God within the Soul of Human - and throughout ALL nature - is mandatory as a stage for the human race to attain before it is even possible for her/him to build an enduring civilization of unity and brotherhood. In the same focus Human must understand "nature". "Nature" multiplies, adds and divides, then combines by the use of electricity - ALL THINGS. In that context it becomes factual that human has everything (s)he needs, all the electricity required to create all things also - IF (s)he but knows how nature DOES IT!

5. Senses

The most difficult thing to equate to the ALLNESS OF GOD is the ever influencing, contradicting and ego oriented presences of the PHYSICAL impacting through the "senses" which accompany the human. This impacts all physical animal life, etc.; however, HUMAN is set higher in that - in addition to the SENSES - (s)he is given ability to choose and reason and through this capability (s)he can CONTROL all of the SENSES. Human does not, however, as (s)he moves within the senses themselves - they control her/him.

Here one has to again look to "cause" and "effect" for all of Human's fundamental conceptions have been the result of forming conclusions which have been based upon the outer-vision of the senses, and not upon the inner-vision of the MIND. The senses see illusion and are mightily deceived. Mind-vision does not deceive for "cause" begins there, and "effect" is but its product. This is "inner-vision" of which I am speaking and not "visualization" as is practiced by most New Age presenters. There is a big difference.

So how is human deceived? Easily, for the fundamental conceptions have been and are based as a result of forming conclusions which have been based upon the "outer"-vision of the senses as I said above. The truths of all fundamentals of nature are just the REVERSE of the conclusions of science, just as the reflections in a mirror are the reverse of their cause. "Gravity" is a good example of misperception in definition and action. All things SEEK their own density and the entirety of all is held together through compression - not some "pull" as would make a dropped apple "fall". Until you come into proper perception you cannot realize your journey to GOD and become within that wondrous LIGHT. However, until you come to your senses of Mind - you won't be able to have the information which allows you to understand that of which you are offered. You should accept responsibility for gaining the scientific understanding given

unto the peoples of the world.

6. Integrity and Responsibility

I suggest you read the following since integrity and responsibility are the two components of being able to assimilate the information as it comes forth through those senses. I would like to share with you information which was directed from the one you call "Jesus Christ"ed Sananda:

"This day I will discuss the meaning of INTEGRITY and how it relates to and is integrated with responsibility. Let us first define, integrity: "1. Uprightness of character; honesty. 2. The condition or quality of being unimpaired or sound. 3. The state of being complete or undivided".

Now we will define RESPONSIBILITY: "1. Answerable legally or morally for the discharge of a duty, trust, or debt. 2. Having capacity to distinguish between right and wrong. 3. Involving accountability or obligation. Responsibility: 1. State of being responsible or accountable: also responsibility. 2. That for which one is answerable; a duty or trust".

Integrity and responsibility are most delicately intertwined. To achieve utmost spiritual integrity, one must fully recognize and understand his responsibilities; first to God Aton Creator Within and also to the rest of the lifeforce expression within The Creation. In order to become a spiritually conscious co-creator with God Aton, one must become ONE with living the cosmic laws of God/Creation. One must realize his accountability to the Great Spirit within her/him. He must become impeccable (free from error, fault, or flaw) regarding adherence to Cosmic Law. And to gain cosmic power, (s)he must become spiritually complete, unimpaired and sound of character, which is the state of being called *integrity*.

Now in order to become impeccable in your integrity, you must BE responsible by listening to Spirit within about "right" and "wrong" - or as I prefer to call it *balanced* or *unbalanced* - thinking and behavior. Each of you have the *KNOWLEDGE within* with which to be responsible in every thought, word and deed. You need only LISTEN carefully and ask God Aton within to help you recognize your error, instantly, when you make one. It may not always be pleasant to become instantly accountable for your misdeed or misthought, but if you pay careful attention, you will find that you will seldom if ever repeat the same error.

You will find that the careful attention to and recognition of your inner guidance, INSTANTLY, is well worth the temporary inconvenience or discomfort to your "altered" ego.

So by requesting God Aton within to show you the error, immediately, She/He will also show you the balanced thought, action or deed with which to reclaim your impeccability of Spirit. Why can it be seemingly so easy to recognize errors? Because, chelas, you ones have made essentially THE SAME errors over and over again. Lifetime after lifetime now you have chosen to be irresponsible and remain spiritually ignorant. You already KNOW and can

distinguish between that which is balanced and unbalanced thought and behavior; you simply have forgotten you KNOW.

When you separated yourself from the Great Spirit within you, which fully contained your being as far as perfect guidance and knowledge, you became spiritually powerless. When you worshipped in separateness from THE ONE and therefore sought OUTSIDE your being for guidance, you DENIED the Spirit within YOU its full creative potential. And because you felt no longer responsible for that which you manifested, you became your own slaves to the physical illusion. By your self-denial you created leaders over you who would support your "belief" in separation from Creator, and thus you developed tremendous attachment to physical matter. This accounts for the same developed attachment to EGO-separate illusion.

To achieve Spiritual integrity you are required to BE responsible and accountable for the effects of your thoughts, words and deeds. In order to be responsible, you must UNDERSTAND and adhere to The Cosmic laws of Balance. You must seek ONENESS and see UNITY with all, NOT separation, inferiority or superiority to anyone or anything. You must become impeccable in your intent to serve God and The Creation. You must recognize only ONE WILL, the Will of THE ONE, Creator/Creation. Then you will gain the Spiritual integrity of CHRIST perfection and with that your Power within will become magnificent.

Remember when I, Esu Immanuel "Jesus", walked as man upon your place I told you, "These things I do, YOU will do GREATER." So be it and it is coming to pass, chelas.

I would like to requote something for you to ponder from our beloved St. Germain: "*Your personal power is in direct proportion to the integrity of your soul*". This one sentence says it all, chelas. Ponder these things most carefully that you hear Spirit to Spirit and not Spirit to ego illusion. This "time", my brethren, is the "hour" of the dawning of YOUR spiritual awakening. How the Angels of Glory in Heaven REJOICE; for earth human is preparing for the celebration of ONENESS and BROTHERHOOD within GOD'S HOLY Kingdom of LIGHT.

I love you greatly, my precious chelas! I am most honored to serve My Father and therefore you, my brethren. I AM Sananda, One with God. Thank you my precious sister, Druthea. You are most blessed in Our Father's Kingdom. Be at Peace as is the spring time flowering of this time. Enjoy the radiance of Our Father's Creation before you. Salu."

If this above sounds complex for you to follow let me give you a simple recipe: *think what you feel in your heart, talk what you think and do what you talk*. That is what integrity is all about.

"If you will remember of the lessons given forth recently of Germain and Hatonn, Germain spoke of the nature of God. Specifically, I am referring to GIVING and REGIVING which IS God. You may see it here upon Earth (Shan) as birth and rebirth such as of the natural seasons which we call Winter, Spring, Summer and Fall. All Creation falls within

the cycles of giving and regiving life.

Only Hu-man (Higher Universal Man) is given the choice through his free-will about whether (s)he will cooperate in the co-creation process of giving and regiving, or (s)he will "develop" through his compressed/limited senses of monitoring EFFECTS, ways to manipulate, dominate and conquer Nature to suit his spiritually ignorant means.

Only Human through her/his adversarial/primitive misdirection chooses to take from nature without regard for balance and harmony of ALL with Creation.

The resounding EFFECTS of Earth Human's adversarial TAKING behavior is clearly represented upon your plane at this time... although human has only just begun to realize HER/HIMSELF as the CAUSE of this unbalance.

It is always a struggle to take, even if it is only perception of physical "things", simply because the soul is left empty, for your immortal soul is not enriched and replenished through "taking" of life and physical conquering of another or Nature. ***Only through KNOWLEDGE of giving for self, without emotional strings attached, will your immortal soul be lifted from earth physical attachment and compression.***

7. What is "No-Strings Attached" Giving?

In order to give effortlessly, the knowledge has been gained that it is one's expression of God Divine LOVE which is ultimately being given. The fulfillment of true ego-selfless giving is immediate and not dependent upon perceived physical acceptance of same by the receiver. Although one who is a selfless giver will also be a most gracious receiver of returned LOVE to himself.

Are you beginning to understand, precious chelas? God working through you will ALWAYS BE FULFILLING YOU through Her/His giving and regiving of LOVE. Those of us who serve HER/HIS DIVINE LIGHT OF LOVE, could not be very effective "guides" to you, our brethren, if we gave up on our outpouring of LOVE to you simply because so few "accept" what we give. This is the measure of your spiritual maturity, precious ones, that you can give and regive without emotional attachment of suffering to self. Giving and regiving Love is effortless when it is continuous, and measured outcome of "success" does not dissuade one from selfless Divine God-GIVING and REGIVING.

The NEED for LOVE giving is great upon your plane and that is why the focus of many ones from the HIGHEST levels of God's Kingdom is upon you. This does not mean that ones of us don't become rather passionate in our concern and compassion for you, our struggling little brothers. We, too, have our lessons of KNOWLEDGE earned through our service to God through our service to Earth Human.

You ones have no idea how often ones of us who work closely with you want to DO something more than COSMIC LAW will allow us to do. Many ones of us have petitioned to GOD and She/He clearly has defined that which we may and may not do to remain in Her/His service. The difference between us, of higher experience, and you of Earth physical compression, is that WE KNOW THE LAWS OF GOD

AND CREATION and our Spiritual Integrity of SERVICE TO THE HIGHEST ONE will not allow us to break THE LAWS.

Just as a parent with a child who is stumbling and learning to walk feels compassion for his child who he knows must do it on his own with only loving guidance, we too must observe and guide you ones without interfering and DOING it for you for then we only serve ourselves in our impatience to "hurry" along your growth. The progress of your growth, however "long" it takes, is between YOU and GOD. Interfering in that process is FORCE and FORCE IS NOT OF GOD ATON!

8. Allowing Force is not of God

So you may be thinking, "What about the Adversary"? The Adversary definitely seems to "force" his way into domination. DOES THE ADVERSARY "REALLY" FORCE? Think about this, chelas.

The adversary definitely lies, cheats, and intimidates, but does he force his way into existence here? The adversary can kill the body physical to further its means. So where does the adversary get its power? The answer, chelas, is from YOU! You have "allowed" the adversary to intimidate you, and when you became "afraid", you gave the adversary your GOD-POWER. He controls you through your perceived "separation" from GOD. And the only reason you are still upon this 3rd dimensional plane is because you have BELIEVED THE LIES AND DECEPTIONS OF THE ADVERSARY WHILE YOUR GOD-GIFTED SOUL HAS PINED AWAY FOR THE REUNIFICATION WITH THE ONE, GOD ATON.

The question now is to self. "Are you ready to release the adversary"? If so, then ALL of your TRUST and FAITH must be directed toward GOD who exists within YOU! Therein will your freedom from the bondage of limited-physical adversarial perception be EARNED. Did you read that clearly? YOU WILL EARN YOUR SPIRITUAL UNITY BY ACCESSING THE KNOWLEDGE OF GOD WITHIN YOU. And your "proof" will be forthcoming through FAITH and the return of your Free-will to GOD. For your "proof" of God's existence and "coming" will be revealed WITHIN YOU! FOR THERE IS WHERE EXISTS THE KINGDOM OF GOD...WITHIN YOU!!

9. So What About "Grace" Given of God?

Grace is the quality of God of Giving and Regiving Love. Let us define Grace: "1. Beauty or harmony of motion, form or manner. 2. Any attractive quality. 3. Service freely rendered; good will. 4. The act of showing favor. 5. Clemency; mercy. 6. Theology. a. The love of God toward human. b. The divine influence operating in human".

Mine scribe, Druthea, watched with some amusement a "Christian" TV Minister on the yesterday. He was speaking about his perception of God's "Grace". He said words to the effect, "You need do NOTHING to receive God's Blessings and Grace". (Sounds a bit like the "just BE" philosophy of many New Agers, does it not)? "We humans believe we

must 'work' to earn God's Grace. This is NOT true. We must simply accept CHRIST (Jesus) as our Savior. HE has taken our burden FOR us". There is the catch, *Christ* has TAKEN responsibility for YOU! Do you see how deceptive the adversary is?... "God will take care OF YOU. You need do nothing. You are not responsible. Christ is your Savior"...ad nauseam!

I am not YOUR savior. YOU are your Savior. And the good news is YOU will EARN your way into GOD's Grace by standing responsible for self and obeying THE LAWS OF GOD/CREATION. It is really so simple, chelas. You see, GRACE also is a wondrous quality of EFFORTLESS GIVING AND REGIVING BY GOD!

10. What About "Mercy"?

I will first define Mercy: "1. Kind or compassionate treatment of an adversary, prisoner, etc., in one's power. 2. A disposition to be kind, forgiving, or helpful. 3. The power to show mercy and compassion".

Remember this carefully, chelas, GOD is all-compassionate LOVE and MERCY. It is the adversary who seeks punishment and is absolutely merciless! You who have allowed yourselves to be ruled by the adversary WILL PUNISH SELF AND BLAME GOD EVERY TIME!

It is only a spiritually ignorant being who will seek punishment for self for perceived errors. Errors are EFFECTS of diseased thinking, NOT ever are errors caused from GOD-KNOWLEDGE. ONLY THROUGH THE MISUNDERSTANDING AND MISINTERPRETATION OF THE PHYSICALLY COMPRESSED SENSES AND BLIND DEFIANCE OF THE LAWS OF GOD/CREATION ARE ERRORS CAUSED BY HUMAN.

YOU DESIRE GOD'S MERCY AND FORGIVENESS? THEN YOU MUST PETITION GOD WITHIN YOU TO GUIDE, PROTECT AND SUSTAIN YOU WITH LOVE AND KNOWLEDGE OF THE POWER OF YOUR WILL AND HER/HIS WILL AS ONE! WILL AS ONE!

God IS ALL-FORGIVING MERCY. So then, chelas, forgiveness and mercy must begin within SELF since that is where GOD resides.

The adversary will dissolve in its power when confronted by the Divine Holy Power of GOD WITHIN YOU! WHY? Because EVIL is an illusion developed and sustained by HUMAN. God's Love, Light and Knowledge is ALL that exists. YOU each are fragments of HER/HIS divided thinking. THERE IS NO SEPARATION OF GOD AND WE OF HER/HIS THOUGHT FRAGMENTS EXCEPT THROUGH THE BELIEF OF SEPARATION EMBRACED BY LIMITED HUMAN SENSING PERCEPTION. So be it.

11. You Must Seek to Know God Within

Only through KNOWING that which is GOD will you KNOW GOD WITHIN ALL. How can you KNOW GOD? BY YOUR DESIRE TO KNOW GOD will HER/HIS Kingdom be revealed within you. He awaits your sincere petition of recognition and acceptance of HER/HIS WORD

within you. Your song of LIGHT resounds within GOD'S KNOWING and you will dance and sing HER/HIS presence in co-creation as ONE WITH GOD AND ALL THAT IS.

"In all that I AM Father, not MY will, only let THINE WILL BE DONE". And so it is.

Thank you, precious Druthea, for your service. I AM Sananda, ONE with GOD within Creation. I am most pleased to be of service to you, my precious brethren of Earth Shan. Walk together in Absolute Love, Unity and Peace and KNOW that ALWAYS Our Father walks with you. Salu.

* * *

And may the LIGHT be ever given to shine around this precious being that she find her way for she is in torment. The testings are HARD, readers, indeed hard. We can KNOW the way and the TRUTH--but behold the monstrous voyage through the seas of contempt and trial to find passage. Some "gifts" however, once tossed away, are never allowed acceptance AGAIN. It is a time for each of you to ponder upon these things most carefully for the physical journey is short indeed whilst the soul journey is infinite!"

12. The Real Challenge for All

Can we NOT take sides? Can we respect the right to free choice? Can we send light where it is needed despite the overwhelming Human response for revenge and action? Can we love those who might have less wisdom, but much compassion? Or neither ... nor...! Can we bless our dark side - which we've been creating - with love and compassion, with our divinity and release it from its heavy role that it's been paying for many millennia in order to enable us to experience what it's like to be enslaved, to be controlled, to be manipulated and to be limited in many respects? That is the real challenge and a greater challenge for our love and compassion we couldn't create - the greatest challenge of all challenges! And that's why each and every one of you readers deserves feet washing what I've been doing with greatest joy and appreciation, and with tears of joy in my eyes!

13. Conclusions

God Is Truth! There is only ONE TRUTH - but each has HER/HIS OWN VERSION OF THAT TRUTH - and, there are MANY ways to arrive at that HIGHEST TRUTH CALLED GOD (BY ANY LABEL).

God is THE unconditioned White Magnetic Light of ALL THINGS - Omnipotent, Omniscient and Omnipresent MIND! This forceless force is invisible, motionless, sexless and undivided. I will get to the "dividing principle" of God a bit later.

There is ONE LIGHT only in all this universe of countless many things. This is "Mind of God". Mind of God and the two extended lights of God's thinking, which God's imagining created to manifest God's Being in what appears to be "action". There is nothing, readers, in all nature other than God's KNOWING Mind - at *rest* and the *motion* of

God's Mind-THINKING.

Electric and magnetic: God's "thinking" is electric. God's KNOWING is magnetic. GOD HAS BUT ONE IDEA, DESIRE, PURPOSE, ACTION AND LAW. God's **One idea** is God's unity within, in the duality of that which we can refer to as parental or Mother/Father LOVE. God's **One desire** is to "think action" - and then, to rest from the action. This happens in sequential intervals. God's **One purpose** is to think God's knowing of what GOD IS, and what GOD KNOWS, into God's OWN IMAGE. God's **One action** is to GIVE. GOD'S ONE LAW IS THAT WHAT GOD GIVES MUST BE BALANCED BY EQUAL REGIVING!

God's thinking is universal; thusly so too are God's actions universal. Thoughts are everywhere and yet the beginning and ending are within, in - the ONE. Therefore, "actions" are likewise, Omnipresent as their source in Mind-thinking. SO, AS IT IS - THAT WHICH HAPPENS ANYWHERE HAPPENS EVERYWHERE IN THIS UNIVERSE OF NOTHING SAVE MIND-EXTENSION.

Ah, but "idea" has no extension; however, idea, divided by imagining, extends into an imagined INFINITY, and then repeats its division unto the infinity which can be compared to a kaleidoscope as it repeats and multiplies its imaginings as it continues the repetition. The extensions of God's thinking move right along with LIGHT right into the three dimensional ILLUSION.

When God thinks at any one point of rest in God's universe, that point becomes the center of an invisible cube of White Magnetic Light. From there it is harmonically repeated as cube centers throughout God's Cosmic Kaleidoscope, at the rate of several hundred billions of cyclic pulsations every second. THEIR SPEED OF EXTENSION INTO THE THREE DIMENSIONAL ILLUSION IS ABOUT 186.400 MILES PER SECOND.

WHEN HUMAN SHALL AT LAST KNOW GOD (S)HE SHALL THEN BE TRANSFORMED.

Humans are deceived because the fundamental conceptions have been and are based as a result of forming conclusions which have been based upon the "outer"-vision of the deceptive senses. The truths of all fundamentals of nature are just the REVERSE of the conclusions of science, just as the reflections in a mirror are the reverse of their cause. "Gravity" is a good example of misperception in definition and action.

Integrity and responsibility are the two components of being able to assimilate the information as it comes forth through the senses. Integrity and responsibility are most delicately intertwined. Your personal power is in direct proportion to the integrity of your soul.

Author Profile

I was born on August 6, 1950 in Grab, Montenegro (former Yugoslavia). 1982 - Acquired my PhD in the field of atomic and plasma physics, at the same Faculty, under the title: "Regularities and Systematic trends of Stark Width and Shift Parameters of Spectral Lines in Plasmas". 1985 - 1987 Spent two years as fellow of the Alexander von Humboldt Foundation from Bonn (Germany) at the University Düsseldorf developing plasma UV-spectroscopy at the tokamak UNITOR and performing measurements of the plasma instabilities in the scrape-off layer at the tokamak TEXTOR in Jülich (Germany).

1987 - 1991 Worked as the guest scientist at the Max-Planck-Institute for Plasma Physics in Garching by Munich (Germany) performing measurements of the magnetic field configuration at the stellarator W7AS as well as the measurements of the limiter heat load.

1991 - 2000 Was working in the Institute of Physics in Zemun (Serbia) on investigations of the plasma force-free configurations and in 1995 I acquired the Research Professor degree.

2000 – At the end of 2000 I chose to leave the Institute of Physics and went on my own way to discover and learn the God's principles and laws of creation.

After 18 years of the progression toward that sacred goal, I finally succeeded and now I know many of the God's creational principles and laws (unknown until now) and can apply them for the simple and efficient creations which make the basis for a new life quality on this planet.

I am a pioneer, creating with a New Conscious Energy and building a new civilization without electricity.

I've developed the QUANTUM RADIATION BALANCER – the genuine product in form of a self-adhesive sticker certified by the Hado Life Institute of Dr. Masaru Emoto which 100% balances radiation from any device, if attached to it, protecting the human body and environment from its harmful effects and eliminating with time the damages already caused by the radiation. It can be successfully applied to: cell phones, computers, laptops, microwave ovens, cordless phones, tablets, wireless monitors, Wi-Fi routers, TV-sets, Radios, and any other source of radiation.

Thanks to the consistent pursuit of my Leitmotif “The Authority of Truth rather than the Truth of Authority” I have experimentally proved the true atom, cell and particle “ATON” concept. According to the “ATON” concept, atoms, cells and particles are made of light which are spinning around the centering Mind (Spirit) points (the black holes). Nature expresses energy as electric potential in only one way, which is the same way both for the atomic and for the stellar scale: by projecting mentally the rings of visible light which are spinning around the centering Spirit points. This amazing beauty of creational simplicity is the basic fundamental truth of the science that is based on the knowledge of the cause.

I wrote two books “GOD IN THE ATOM” and “DODECA 101 LOVE ENERGY” which are available on my website: <http://www.teslastyle101.com>
