The Reserve Bank of India (RBI) has advised the banks

The Reserve Bank of India (RBI) has advised the banks vide its Master Circular dated July 1, 2014 on Customer Service regarding

Linguistic rights

Linguistic rights are the human and civil rights concerning the individual and collective right to choose the language or languages for communication in a private or public atmosphere. Other parameters for analyzing linguistic rights include the degree of territoriality, amount of positivity, orientation in terms of assimilation or maintenance, and overtness.[1] Linguistic rights include, among others, the right to one's own language in legal, administrative and judicial acts, language education, and media in a language understood and freely chosen by those concerned.
