

# Natural Magnetism: Magnetic Field and Weak Field [Alteration of Day & Night in a Day]

Jamir Ahmed Choudhury

Associate Professor, S. S. College, Hailakandi, Assam, India

**Abstract:** "2.5.3 – Forms of Understanding - The Sciences, like the systems of mathematics, have their own concepts, often interconnected through theories, and are attempts to describe and explain the natural world. Concepts include atom, magnetic field, cell, and neuron. Scientific inquiry involves observation and experimentation to validate predictions made by theory (hypotheses), which may be aided by instruments and controls. Formalisation into theory and model building can sometimes involve mathematics, but it is only with reference to observations and not to mathematical accuracy that truth is tested. The attempt is to furnish a narrative that in some way 'corresponds' to reality." (National Curriculum Framework, 2005, p – 27, NCERT - India)

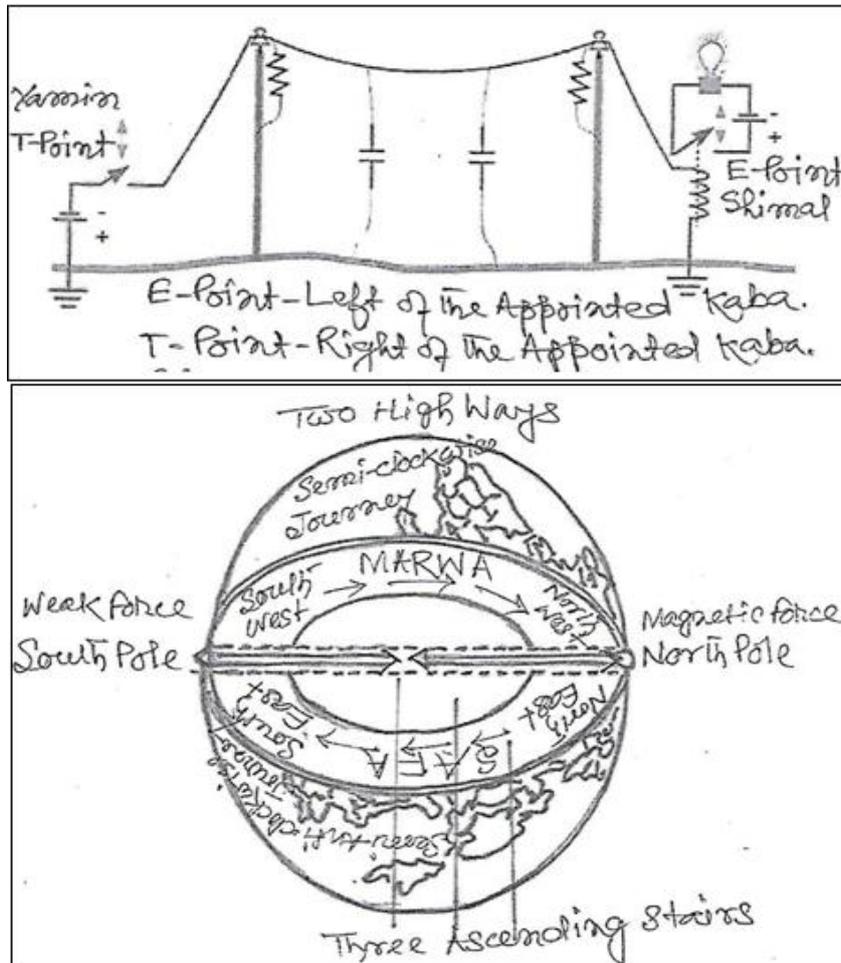

**Keywords:** Four Basic Fields – Four Basic Forces – Four Cardinal Directions of Helium-4

I have searched out Separate Sheet of UNO [Global Scientific Community referred by NCERT – India]. I have recognized Equal & Opposite Apriori Framework of this Manifested Nature [Verifiable Framework of Natural Science] and several Un-contradicted Facts of this Equal & Opposite Manifested Nature [Justifiable Curriculum of Human Rights & Universal Education] such as Sirius Binary System, Mercurial System, Uranian System, Natural Magnetism, Barrier between Equal & Opposite Natural Mechanism [Solar System], and the like in resemblance with Newton's Laws [Unalterable Laws of Nature or Formal Grounds of Scientific Certainty] and in correspondence with Einstein's Sciences [Material Grounds of Scientific Certainty or Observation of Particular Instances under Natural Circumstances]. In brief, I have recognized & confirmed the searched out Separate Sheet of UNO [Global Scientific Community referred by NCERT – India] on the basis of infallible & unerring mandates [verifiable scientific quotes & justifiable logical rules] and necessary & sufficient conditions [uniform guidelines or set guidelines].

It is certain like my existence as a finite rational being that cultured – civilized – intellectual – highly educated authorities [presidents, vice-presidents, prime ministers, ministers, judges, lawyers, chancellors, vice-chancellors, chairpersons, commissioners, secretaries, directors, diplomats, bureaucrats, political leaders, social reformers, religious leaders, religious scholars, scientists, astronauts, astrophysicists, philosophers, professors, qualified teachers, research guides, research scholars, writers, content evaluators, editors, eminent experts, publishers, journalists, reporters, media persons, and eminent persons of the entire world] have not yet recognized Verifiable Framework of Natural Science [Equal & Opposite Apriori Framework of this Manifested Nature] and Justifiable Curriculum of Human Rights & Universal Education [Un-contradicted Facts of this Equal & Opposite Manifested Nature] such as Sirius Binary System, Mercurial System, Uranian System, Natural Magnetism, and Barrier between Equal & Opposite Natural Mechanism [Solar System].

Moreover, there was no pen-paper-pencil work [published book] on Verifiable Framework of Natural Science [Equal & Opposite Apriori Framework of this Manifested Nature] and Justifiable Curriculum of Human Rights & Universal Education [Un-contradicted Facts of this Equal & Opposite Manifested Nature] such as Sirius Binary System, Mercurial System, Uranian System, Natural Magnetism, and Barrier between Equal & Opposite Natural Mechanism [Solar System] prior to the publication of my first book – 'Kitaaba Wal-Hikmata or Manifested Nature and the Utility of One's Upright Logic – I' by Partridge Publishing.

So, it is self-evident that our cultured – civilized – intellectual – highly educated authorities have been uninterruptedly propagating projected 'Anti-natural Framework or Global Framework' of United Nations and communicated 'Self-contradictory & Paradoxical Curriculum' of an Anti-natural Community [Global Scientific Community referred by NCERT – India] spoiling necessity of education – sanctity of education – significance of scientific certainty – our inherent dignity & moral solidarity – our freedom of conscience & liberty of [faith –

belief – thought – expression – worship] – holistic development of our axiological aspects & one dimensional time – secularity & democracy – sovereignty of our constitution – right to education & human rights – international convention on the rights of the child & UN universal declaration of our inalienable human rights – international treaties on our inalienable human rights & international humanitarian laws – science & constitution – scientific temperament & search for truth – constitution & legitimacy – fundamental duty & moral responsibility – grievance redress mechanism & functioning of the govt. – right & justice – truth & justice – utilitarian liberation & common end.

**“The scientific facts, principles, theories, and laws currently being taught at school level are universally accepted by the global scientific community.”** [NCERT, No. F. 1-1/DESM-PA/Misc./2017-18/2554 dated 16<sup>th</sup> April, 2018, F. No. 3-3/2018/DESM/RTI/Sh. Jamir Ahmed Choudhury /2793 [Ref. DARPG/P/2017/03052 dated 23.06.2017 & 07.06.18]; Department of Elementary Education, NCERT No. F. 1-24/Admn./RTI/DEE/2018/27 dated 20<sup>th</sup> April, 2018; NCERT F. Our National Curriculum Framework [NCF – 2005] has been inspiring cultured – civilized – intellectual – highly educated authorities to recognize **Magnetic Field** on the basis of observation and experiment and in correspondence to Reality. It is certain like alteration of day & night in a day for the equal & opposite Eastern Daylight Time Zone [North America and South America] and Western Daylight Time Zone [Africa – Asia – Australia – Arabian Peninsula – Europe] that our cultured – civilized – intellectual – highly educated authorities have not yet recognized just Magnetic Field mentioned in Page – 27 of our NCF – 2005. Consequently, they have been failing to provide us authentic solutions of the searched out scientific issues [rival hypotheses or contradictories or identified anti-natural sciences and searched out natural sciences] and recognized confirmation of human rights & universal education [class – II standard basic scientific knowledge] as per our NCF – 2005 and RTE Act – 2009 since 2016. It is being manifested from anti-natural – anti-human – anti-social – anti-cultural – anti-religious [completely anti-Islam] – self-contradictory & paradoxical – vague & absurd – indefinite & inconsistent – fallacious & hypocritical – unscientific & non-philosophical – illicit & illegitimate – illogical & immoral – unlawful & unconstitutional activities of the concerned authorities to the govt. with searched out Vidya [Verifiable Framework of Natural Science and Justifiable Curriculum of Ensured Quality Education] and corresponding Self-explanatory Grievance Petitions under Grievance Redress Mechanism that Constitution, NEP, NCF, RTE Act, CRC, UN Universal Declaration of our Inalienable Human Rights, International Treaties on our Inalienable Human Rights, International Humanitarian Laws, Right & Justice, Truth & Justice, and Utilitarian Liberation have no existential imports before our cultured – civilized – intellectual – highly educated authorities to the govt. Now, common people [possessors of reason & conscience] of the entire world are able to certify concerned authorities to the govt. as cultured terrorists,

civilized activists, intellectual criminals, manifest hypocrites, conscious conspirators, evidence sorcerers, persecutors, propagators of the nexus of self-evident plagiarisms, educated idiots, highly qualified frauds, epistemic liars, or falsehood mongers on the basis of more than 1000 black & white as well as formal & legitimate documents. Concerned authorities to the Govt. are absolutely unable to conceal their cultured terrorism and civilized activism since antiquity [particularly since 2016] from common people of this equal & opposite manifested nature.

“2.5.3 – Forms of Understanding - The Sciences, like the systems of mathematics, have their own concepts, often interconnected through theories, and are attempts to describe and explain the natural world. Concepts include atom, magnetic field, cell, and neuron. Scientific inquiry involves observation and experimentation to validate predictions made by theory (hypotheses), which may be aided by instruments and controls. Formalisation into theory and model building can sometimes involve mathematics, but it is only with reference to observations and not to mathematical accuracy that truth is tested. The attempt is to furnish a narrative that in some way ‘corresponds’ to reality.” (National Curriculum Framework, 2005, p – 27, NCERT - India)

There is a difference between science and technology. Science is prior to technology. Natural Mechanism such as Natural Magnetism is called Science. Man-made Mechanism such as Man-made Magnetism is called Technology. Global scientists [UNO and its special agencies] have recognized Equal & Opposite Apriori Framework of this Manifested Nature. They have recognized Four Basic Fields – Four Basic Forces – Four Cardinal Directions of Helium-4. In other words, they have recognized Two Horizons [East Horizon and West Horizon] and Two Hemispheres [Northern Hemisphere and Southern Hemisphere] of Helium-4 Atom. However, they have been consciously & intentionally concealing from us their searched out Helium-4 Atom, Two Horizons and Two Hemispheres, and Four Basic Fields – Four Basic Forces – Four Cardinal Directions of Helium-4 projecting ‘Anti-natural Framework or Global Framework’ and propagating Man-made Natural Sciences [Digital Sciences or Well Established Technologies]. Consequently, concerned authorities have been failing to recognize & confirm just Magnetic Field mentioned in our National Curriculum Framework [NCF – 2005]. If an authority is able to provide us recognized confirmation of just Magnetic Field mentioned in Page – 27 of our NCF - 2005, then he/she will be able to provide us recognized confirmation of the Searched out Verifiable Framework of Natural Science [Equal & Opposite Apriori Framework of this Manifested Nature] and Justifiable Curriculum of Human Rights & Universal Education [several Uncontradicted Facts of this Equal & Opposite Manifested Nature] such as Sirius Binary System, Sirius A and White Dwarf Companion Sirius B, Two Horizons and Two Hemispheres of Helium-4 Atom, Four Basic Fields - Four Basic Forces – Four Cardinal Directions of Helium-4, Eastern Daylight Time Zone and Western Daylight Time Zone, Mercurial System, Uranian System, Natural Magnetism, Barrier between Equal & Opposite Natural

Mechanism [Solar System or Gravitational Wave], Infallible & Unerring Statistics regarding Alteration of Day & Night in a Day, Morning Show and Evening Show of the Sister Planet Venus, Electromagnetic Wave and Electroweak Force, Einstein’s Binary Pulsar, Newton’s Visual Binaries, and the like removing all doubts and from all perspectives/disciplines.

Two Horizons of Helium-4 Atom are East Horizon [Gravitational Field] and West Horizon [Strong Field]. An apple falls from the tree toward East Horizon [Gravitational Field]. Downward 3D Arrow of scientific certainty represents toward East Horizon [Gravitational Field]. Rain comes from West Horizon [Strong Field]. Upward 3D Arrow of scientific certainty represents toward West Horizon [Strong Field].

There are Four Basic Fields. These are Gravitational Field, Strong Field, Magnetic Field, and Weak Field. Corresponding to Four Basic Fields, there are Four Basic Forces and Four Cardinal Directions. Four Basic Forces are Gravitational Force, Strong Force, Magnetic Force, and Weak Force. Four Cardinal Directions are East [Gravitational Field / Gravitational Force], West [Strong Field / Strong Force], North [Magnetic Field / Magnetic Force], and South [Weak Field / Weak Force].

It is an easy task to recognize Gravitational Field [East Horizon] and Strong Field [West Horizon]. Dead Land is the manifested sign & scientific proof of Gravitational Field [East Horizon]. East Horizon is the Substratum [Container] of Physics. Global Scientists [UNO and its Special Agencies] have recognized East Horizon [Gravitational Field or Substratum of Physics] as **Sirius A**. Sirius A [East Horizon] is guarded by the Four Basic Forces. Planet Saturn within Ring represents East Horizon [Gravitational Field] guarded by the Four Basic Forces. Immoveable Hexagonal World has been manifested within the East Horizon [Gravitational Field or Sirius A]. Unit (hex) is the scientific proof of the Immoveable Hexagonal World. Global Scientists [UNO and its Special Agencies] have recognized the Immoveable Hexagonal World as Star of David [Planet Pluto]. Immoveable Hexagonal World has Six Manifested Regions and Two Zones. These are North-East Region of North America – Straight Middle-East Region of Eartha 3D [Planet Mars or Black Hole at the Junction of the Seas] – South-East Region of South America of the Eastern Daylight Time Zone and South-West Region of [Africa – Asia – Australia] – Upright West Region of Arabian Peninsula [Manifested Region of Prime Meridian or Appointed Kaba] – North-West Region of Europe of the Western Daylight Time Zone. Immoveable Hexagonal World is appearing as a Pentagonal Earth like 9/11 Pentagon [Spiders’ Net] due to non-appearance of the Straight Middle-East Region of Eartha 3D [Planet Mars or Black Hole at the Junction of the Seas]. Global Scientists have recognized the appearing Pentagonal Earth like 9/11 Pentagon with Three Ascending Stairs [Minor Axis – Semi-major Axis – Major Axis] as Star Operator [House or Spiders’ Net].

Stars appear at night in the Strong Field [West Horizon]. Galaxy of Stars like Diamonds [Planet Jupiter] is the manifested sign & scientific proof of West Horizon. West

Horizon is the Substratum of Astronomy & Astrophysics. Global Scientists [UNO and its Special Agencies] have recognized West Horizon [Strong Field or Substratum of Astronomy & Astrophysics] as **White Dwarf Companion Sirius B**. They have recognized the Universe as **Sirius**. So, Manifested Universe is a **Sirius Binary System** [Binary Star System] [Ref. BIG BANG Theory]. Global Scientists [UNO and its Special Agencies] have been consciously & intentionally concealing from us Sirius Binary System projecting West Horizon [White Dwarf Companion Sirius B or Strong Field or Planet Jupiter] as if Northern Hemisphere [Magnetic Field] and propagating East Horizon [Sirius A or Gravitational Field or Planet Saturn guarded by the Four Basic Forces] as if Southern Hemisphere [Weak Field]. Consequently, people of this equal & opposite manifested nature are far astray from Sirius Binary System, Sirius A [East Horizon or Planet Saturn guarded by the Four Basic Forces] and White Dwarf Companion Sirius B [West Horizon or Planet Jupiter adorned with Stars like Diamonds], and Four Basic Fields – Four Basic Forces – Four Cardinal Directions of Helium-4 Atom [Upright Rectangular Universe or End of Proof].

**It is being taught that there are two kinds of Magnetism** – (i) **Natural Magnetism** [Apriori Magnetism or Scientific Magnetism] and (ii) **Man-made Magnetism** [Aposteriori Magnetism or Technical Magnetism]. Man-made Magnetism represents Man-made Natural Magnetic Directions [Man-made North and Man-made South]. We are acquainted with Man-made Magnetism and Man-made Natural Magnetic Directions [Man-made North Direction and Man-made South Direction]. Now, **if we are able to recognize Manifested Sign & Scientific [Apriori] Proof of Natural Magnetism**, then we shall be able to recognize **Natural Magnetic Directions** [Magnetic Field and Weak Field or Natural North Direction and Natural South Direction] removing all doubts and from all perspectives/disciplines.

Manifested Sign & Scientific Proof of Natural Magnetism was revealed [created & manifested] prior to the revelation [creation & manifestation] of finite rational beings [human persons of Peter Singer]. So, man-made constitution and inventions of finite rational beings [including global scientific community referred by NCERT – India] have no authority over Manifested Sign & Scientific [Apriori] Proof of Natural Magnetism. It is our inborn human right [inalienable human right] to share/receive Manifested Sign & Scientific [Apriori] Proof of Natural Magnetism openly & publicly.

Cultured – civilized – intellectual – highly educated authorities share with us that observation of particular instances under natural circumstances is the Material Ground [First Stage] of Scientific Hypothesis. However, they have not yet tried to recognize Nine Planets as Nine Eye Opening Evidences on the basis of observation of particular instances under natural circumstances. On the contrary, they believe that the Sister Planet Venus is an Exoplanet outside this Equal & Opposite Manifested Nature. They believe that only global scientists such as scientific terrorists of NASA can perceive Exoplanet Venus from their Space Station. Common people are absolutely unable to perceive Sister Planet Venus. It is being manifested from

more than 1000 black & white as well as formal & legitimate pieces of paper that Jamir Ahmed Choudhury has no legitimate right to perceive Sister Planet Venus from his study room. In other words, Jamir Ahmed Choudhury has no legitimate right to recognize Nine Planets as Nine Eye Opening Evidences.

**Global Scientists [UNO and its Special Agencies] have recognized the so-called Sun [Appointed Daylight] as Sister Planet Venus.** They have termed the so-called Sun [Appointed Daylight or Sister Planet Venus] as BULLET. They have recognized Morning Show and Evening Show of the Sister Planet Venus [so-called Sun or Appointed Daylight] from North Pole to South Pole for the Eastern Daylight Time Zone and turning back from South Pole to North Pole for the Western Daylight Time Zone. They have recognized equal & opposite stages of journey of the so-called Sun [Appointed Daylight or Sister Planet Venus]. They have recognized Infallible & Unerring Statistics regarding Alteration of Day & Night in a Day for the Equal & Opposite Eastern Daylight Time Zone [North America and South America] and Western Daylight Time Zone [Africa – Asia – Australia – Arabian Peninsula – Europe]. In brief, Global Scientists [UNO and its Special Agencies] have recognized twice day and twice night within 24 hours [Alteration of Day & Night in a Day].

However, Global Scientists [UNO and its Special Agencies] have been consciously & intentionally concealing from us the searched out Natural Magnetism projecting the so-called Sun [Appointed Daylight or Sister Planet Venus] as if Manifested Sign of Solar Universe and Scientific Proof of East and West. Cultured – civilized – intellectual – highly educated authorities have not yet tried to recognize the **Ultimate Substratum** [Universe]. Universe is the Ultimate Substratum of Nine Planets [including Sister Planet Venus (so-called Sun) and Planet Uranus (white Moon) of each Zone], Galaxy of Stars, Dead Land, and Created Beings and Things. The so-called Sun [Sister Planet Venus or Appointed Daylight] cannot be the Ultimate Substratum of Nine Planets [including Planet Uranus (white Moon) of each Zone], Galaxy of Stars, Dead Land, and Created Beings and Things. **There is a Barrier [Lakshman Rekha or Screen or Veto] between Equal & Opposite Natural Mechanism.** We cannot perceive the presence of the Appointed Daylight [so-called Sun or Sister Planet Venus] at a time in the equal & opposite Eastern Daylight Time Zone of North America and Western Daylight Time Zone of Asia due to Solar System [Barrier or Lakshman Rekha or Screen or Veto] between Equal & Opposite Natural Mechanism. We have not yet perceived Newton's Visual Binaries [Planet Uranus (White Moon) of the West Zone and Planet Uranus (White Moon) of the East Zone] together due to the Barrier [Lakshman Rekha between Equal & Opposite]. **The Barrier [Lakshman Rekha] between Equal & Opposite Natural Mechanism is common to both the Zone of Ravana [Eastern Daylight Time Zone] and the Ram-Rajya [Western Daylight Time Zone].** This Barrier [Lakshman Rekha] is called **Electron Cloud [Solar System]**. Einstein has recognized this barrier as Gravitational Wave [Solar System]. **Gravitational Wave [Solar System or Barrier between Equal & Opposite] rises from the East Horizon [Gravitational Field].** It is certain like searched out Sister

Planet Venus that cultured – civilized – intellectual – highly educated authorities have not yet recognized **Einstein’s Gravitational Wave** [Solar System or Electron Cloud or Barrier between Equal & Opposite Morning Show and Evening Show of the Sister Planet Venus or Lakshman Rekha between Zone of Ravana and Ram-Rajya].

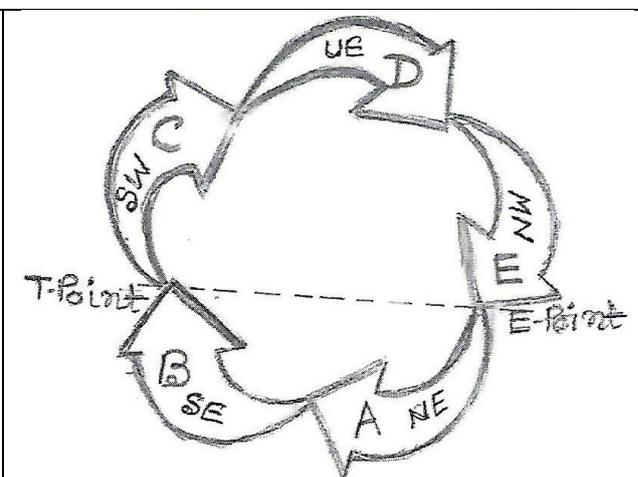

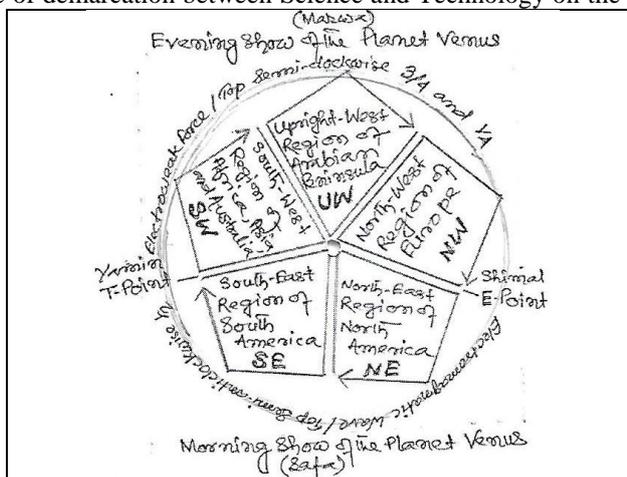

**The so-called Sun [Tarash-Shamsa or Sister Planet Venus] is the Manifested Sign of Natural Magnetism & Scientific Proof of Natural Magnetic Directions** [Magnetic Field and Weak Field]. Equal & Opposite Stages of Journey of the so-called Sun [Appointed Daylight or Tarash-Shamsa or Sister Planet Venus] was revealed [created & manifested] prior to the revelation [creation & manifestation] of finite rational beings. So, universal acceptance/universal denial of finite rational beings has no authority over equal & opposite stages of journey of the so-called Sun [Appointed Daylight or Sister Planet Venus or BULLET of UNO]. Similarly, invented man-made magnetism of global scientists has no authority over manifested sign of natural magnetism & scientific proof of natural magnetic directions [Natural North and Natural South]. Cultured – civilized – intellectual – highly educated authorities have failed to identify the line of demarcation [Lakshman Rekha] between Science [Natural Mechanism free from Invented Man-made Mechanism] and Technology [Invented Man-made Mechanism]. They have understood technology [man-made mechanism such as lamplight] as if science [natural mechanism such as sunlight]. Consequently, they have been failing to comprehend the existential imports of Equal & Opposite Apriori Framework of this Manifested Nature and several Un-contradicted Facts of this Equal & Opposite Manifested Nature [Verifiable Framework of Natural Science and Justifiable Curriculum of Human Rights & Universal Education] searched out for the first time by an academic authority to the govt. bearing academic Ph. D. Registration No. 2491/14 under Assam University [one of the Central Universities of India]. Ministry of Science and Technology denotes both Natural Mechanism [Apriori Mechanism free from Invented Technologies] such as Natural Magnetism and Man-made Mechanism [Aposteriori Mechanism or Man-made Technology] such as Man-made Magnetism. Cultured – civilized – intellectual – highly educated authorities to the Govt. of tried to take my present life in the year 2010. Now, my physical body is the concrete example of science & technology. We are to recognize the line of demarcation between Science and Technology on the

basis of distinguishing marks [clear proofs or crucial instances or unerring witnesses or eye opening evidences].

Each day the so-called Sun [Appointed Daylight or Tarash-Shamsa or Sister Planet Venus] **enters** from North Pole in correspondence with North-East Region of North America and **sets** in South Pole in correspondence with South-East Region of South America. This is the **Top Semi-anticlockwise Journey of the so-called Sun** [Appointed Daylight or Tarash-Shamsa or Sister Planet Venus] **before** the Prime Meridian for the Eastern Daylight Time Zone [North America and South America]. This Top Semi-anticlockwise Journey of the so-called Sun [Appointed Daylight] from North-Pole [**Entering Point**] to South Pole [**Setting Point**] represents **Morning Show of the Sister Planet Venus**. Einstein has recognized this Top Semi-anticlockwise Journey of the so-called Sun [Appointed Daylight] from North-Pole [Entering Point or Magnetic Field] to South Pole [Setting Point or Weak Field] for the Eastern Daylight Time Zone as **Electromagnetic Wave**. Global Scientists [UNO and its Special Agencies] have recognized this Top Semi-anticlockwise Journey of the so-called Sun [Appointed Daylight] from North-Pole [Entering Point or Aphelion] to South Pole [Setting Point or Perihelion] as **Vulgar Fraction One Half for the Ground Stair [Minor Axis] of North America and South America**. So, in the Eastern Daylight Time Zone of North America and South America, the so-called Sun [Appointed Daylight or Tarash-Shamsa or Sister Planet Venus] **enters from Natural North [Magnetic Field] and sets in Natural South [Weak Field]**.

Natural North = North Pole, E-Point, Shimal, Left of the Appointed Kaba [Prime Meridian], Northern Hemisphere, Haiyalas-Swalaah, Aphelion, or **Magnetic Field**  
 Natural South = South Pole, T-Point, Yamin, Right of the Appointed Kaba [Prime Meridian], Southern Hemisphere, Haiyalal-Falaah, Perihelion, or **Weak Field**

The so-called Sun [Appointed Daylight] turns back from the setting point due to Equal & Opposite Apriori Framework, Unalterable Law of Nature [Newton’s Third Law – Equal & Opposite], Un-interfering Natural Mechanism [Pure Science Unmixed with Modern Technologies], and Natural Magnetism.

The so-called Sun [Appointed Daylight or Tarash-Shamsa or Sister Planet Venus] **rises** from South Pole in correspondence with South-West Region of Africa – Asia – Australia and **ends** in North Pole in correspondence with North-West Region of Europe covering Mountain Top Stair of Arabian Peninsula. This is the **Top Semi-clockwise Journey of the so-called Sun** [Appointed Daylight or Tarash-Shamsa or Sister Planet Venus] **behind** the Prime Meridian for the Western Daylight Time Zone [Africa – Asia – Australia – Arabian Peninsula – Europe]. This Top Semi-clockwise Journey of the so-called Sun [Appointed Daylight] from South-Pole [**Rising Point or Weak Field**] to North Pole [**Ending Point or Magnetic Field**] represents **Evening Show of the Sister Planet Venus**. Einstein has recognized this Top Semi-clockwise Journey of the so-called Sun [Appointed Daylight] from South Pole [Rising Point or T-Point] to North Pole [Ending Point or E-Point] for the Western Daylight Time Zone as **Electroweak Force**. Global Scientists [UNO and its Special Agencies] have recognized this Top Semi-clockwise Journey of the so-called Sun [Appointed Daylight] from South Pole [Rising Point or Perihelion] to North Pole [Ending Point or Aphelion] as **Vulgar Fraction Three Quarters for the Middle Stair [Semi-major Axis] of Africa – Asia – Australia – Europe and Vulgar Fraction One Quarter for the Mountain Top Stair [Major Axis] of Arabian Peninsula**. So, in the Western Daylight Time Zone of Africa – Asia – Australia – Arabian Peninsula - Europe, the so-called Sun [Appointed Daylight or Tarash-Shamsa or Sister Planet Venus] **rises from Natural South [Weak Field] and sets in Natural North [Magnetic Field]**.

Each day the so-called Sun [Appointed Daylight] as the Manifested Sign of Natural Magnetism & Scientific Proof of Natural Magnetic Directions rises twice [enters and rises] and sets twice [sets and ends] from the Magnetic Field [North Pole or E-Point] to the Weak Field [South Pole or T-Point] and turning back from the Weak Field [South Pole or T-Point] to the Magnetic Field [North Pole or E-Point] to cause the alteration of day & night for the equal & opposite Eastern Daylight Time Zone [North America and South America] and Western Daylight Time Zone [Africa – Asia – Australia – Arabian Peninsula – Europe]. It is certain like the searched out Infallible & Unerring Statistics regarding Alteration of Day & Night in a Day that cultured – civilized – intellectual – highly educated authorities have not yet recognized Natural Magnetism, Manifested Sign of Natural Magnetism, Scientific [Apriori] Proof of Natural Magnetic Directions, Magnetic Field and Weak Field, North Pole and South Pole, Northern Hemisphere and Southern Hemisphere, Aphelion and Perihelion, E-Point and T-Point, Solar System [Electron Cloud or Gravitational Wave], Electromagnetic Wave and Electroweak Force, Einstein's Binary Pulsar, Morning Show and Evening Show of the Sister Planet Venus, Kepler's Minor Axis – Semi-major Axis – Major Axis, Vulgar Fraction One Half, Vulgar Fraction Three Quarters, Vulgar Fraction One Quarter, Infallible & Unerring Statistics regarding Alternation of Day & Night in a Day, Twice Rising [Entering and Rising] and Twice Setting [Setting and Ending] of the so-called Sun [Appointed Daylight] in a Day, Newton's Visual Binaries, Uranian System, Mercurial System, and the like. Consequently, they have been ignorantly playing several unconstitutional games

with searched out Verifiable Framework & Justifiable Curriculum of Education and corresponding Self-explanatory Grievance Petitions since 2016. As I have searched out Verifiable & Justifiable Truth, so, the Supreme Triumph of the Searched out Natural Sciences [Pure Sciences Unmixed with Modern Technologies] & corresponding Purely Academic Activities over Projected Global Framework of United Nations & Propagated Man-made Natural Sciences of Global Scientific Community referred by NCERT – India [UNO and its Special Agencies] and 'One Global Text & Curriculum' of IBE – UNESCO is certain like the searched out Natural Magnetism [Alteration of Day & Night in a Day].

**Concealment of North [E-Point or Magnetic Field]:** The so-called Sun [Appointed Daylight] enters from North-East for the Eastern Daylight Time Zone [North America and South America]. The so-called Sun [Appointed Daylight] ends in North-West for the Western Daylight Time Zone [Africa – Asia – Australia – Arabian Peninsula – Europe]. North [Magnetic Field] is the equal & opposite entering point and ending point of the so-called Sun [Appointed Daylight]. So, North [Magnetic Field] is called **E-Point** [Entering & Ending Point]. Now, **concealment of North** [E-Point or Magnetic Field] from **North-East** and **North-West** has been manifesting that the so-called Sun [Appointed Daylight] **enters from the East and ends in the West**. Concerned authorities have not yet tried to recognize just Magnetic Field mentioned in our National Curriculum Framework - 2005. Consequently, they know nothing about Natural Magnetism, Manifested Sign & Scientific Proof of Natural Magnetism, Morning Show and Evening Show of the Sister Planet Venus, Einstein's Electromagnetic Wave and Electroweak Force, Existential Import of the Barrier between Equal & Opposite Natural Mechanism [Solar System or Electron Cloud or Gravitational Wave], Infallible & Unerring Statistics regarding Alteration of Day & Night in a Day, Natural Magnetic Directions, and Four Basic Fields – Four Basic Forces – Four Cardinal Directions of Helium-4 Atom after having known much about Man-made Magnetism, several Man-made Magnetic Directions, Copernican Universal Mal-observation, Post Hoc Ergo Propter Hoc Statistics regarding Alteration of Day & Night in a Day, Global Framework & Common Run, Digital Science, and Solar Universe.

Global Scientists [UNO and its Special Agencies] have recognized Equal & Opposite Apriori Framework of this Manifested Nature. They have searched out several Uncontradicted Facts of this Equal & Opposite Manifested Nature such as Sirius Binary System [Samawaati wal-Arz or Binary Star System], Sirius A [East Horizon or Gravitational Field or Arz], White Dwarf Companion Sirius B [West Horizon or Strong Field or Samawaat], Helium-4 Atom, Upright Rectangular Universe [End of Proof], Two Horizons and Two Hemispheres of the Upright Rectangular Universe, Four Basic Fields – Four Basic Forces – Four Cardinal Directions of the Upright Rectangular Universe, Nine Planets as Nine Eye Opening Evidences, Galaxy of approximately 124000 Stars like Diamonds [Planet Jupiter], East Horizon guarded by the Four Basic Forces [Planet Saturn], Two Zones [Eastern Daylight Time Zone and Western Daylight Time Zone] within the East Horizon

[Gravitational Field or Arz], Immovable Hexagonal World [Planet Pluto or Star of David], Six Manifested Regions, Upright West Region of the Appointed Kaba [Leaning Tower of Galileo] and Straight Middle-East Region of Eartha 3D [Planet Mars or Black Hole], North East Region of North America and South East Region of South America, South West Region of Africa – Asia – Australia and North West Region of Europe, Appearing Pentagonal Earth like 9/11 Pentagon [Spiders' Net or Star Operator], Three Ascending Stairs of the Appearing Pentagonal Earth [Minor Axis – Semi-major Axis – Major Axis or Superscripts], Prime Meridian [Tallest Tree of Newton or Appointed Kaba or Rabbun Gafuur], Natural Magnetism [Equal & Opposite Morning Show and Evening Show of the Sister Planet Venus or Tarash-Shamsa], Uranian System [Periodic Motion of the Planet Uranus of each Zone or Newton's Visual Binaries or Two Moons or Two-fold Mercy], Barrier between Equal & Opposite Natural Mechanism [Solar System or Bish-Shamsi], Mercurial System [Nuurun Alaa Nuur or Niche or Even & Odd Contrast or Manifested Trinity], Infallible & Unerring Statistics regarding Alteration of Day & Night in a Day, Twelve Matter Particles, Octagonal Matter Particles, Electromagnetic Wave and Electroweak Force, Gravitational Wave, Einstein's Binary Pulsar, Right Direction of Qibla toward Shatral Masjidil Haraam [Upright West Region of the Appointed Kaba or Inviolable Place of Worship], Appointed Day of Performing Hajj, Appointed Day of Observing Idd uniformly, Unalterable Laws of Nature [Newton's Laws], Un-interfering Natural Mechanisms, Manifested Signs and Scientific Proofs, and the like. They have been concealing their searched out natural sciences [apriori sciences, basic sciences, independent sciences, positive sciences, objective sciences, neutral sciences, positive sciences, common sciences, primary sciences, or pure sciences unmixed with modern technologies] in a separate sheet [insert symbol].

I have searched out the separate sheet of global scientists [UNO & its special agencies]. I have recognized the separate sheet of the global scientific community referred by NCERT – India as per 'Science Education in correspondence to Reality' mentioned in Page – 27 of our NCF – 2005, 'Ensured Quality Education' mentioned in Section – 29 of the RTE Act – 2009, 'Necessary Humanistic Vision of Education' mentioned in the Article – 29 of CRC, 'A World Fit for Children' adopted on UN General Assembly – 2002, and 'Human Rights & Universal Education' mentioned on UNESCO's Contributions. As an academic research scholar, I have arranged the searched out scientific issues [rival hypotheses or identified anti-natural sciences and searched out natural sciences or identified UNO-Phobia and searched out Islam-Phobia] following Ultimate Scientific Method [Experimentum Crusis & Crucial Instances] and Aristotle's Dictum De Omni Et Nullo. I have explained the searched out findings following Conversational Method of Socratic and Dialectical Method of Hegel. I got my first book self-published on 5<sup>th</sup> August, 2016 by Partridge Publishing with the Title – 'Kitaaba Wal-Hikmata or Manifested Nature and the Utility of One's Upright Logic –I'. 'Kitaaba Wal-Hikmata or Manifested Nature and the Utility of One's Upright Logic – I' is the first pen-paper-pencil work [internationally published book] on Verifiable Framework of Natural Science [Equal & Opposite Apriori Framework of

this Manifested Nature] and Justifiable Curriculum of Human Rights & Universal Education [several Un-contradicted Facts of this Manifested Nature].

It is certain like my existence as a finite rational being that our cultured – civilized – intellectual – highly educated authorities [presidents, vice-presidents, prime ministers, ministers, judges, lawyers, chancellors, vice-chancellors, chairpersons, commissioners, secretaries, directors, diplomats, bureaucrats, political leaders, social reformers, religious leaders, religious scholars, scientists, astronauts, astrophysicists, philosophers, professors, qualified teachers, research guides, research scholars, writers, content evaluators, editors, eminent experts, publishers, journalists, reporters, media persons, and eminent persons of the entire world] have heard for the first time about several un-contradicted facts of this equal & opposite manifested nature such as Sirius Binary System [Samawaati wal-Arz or Binary Star System], Sirius A [East Horizon or Gravitational Field or Arz], White Dwarf Companion Sirius B [West Horizon or Strong Field or Samawaat], Helium-4 Atom, Upright Rectangular Universe [End of Proof], Two Horizons and Two Hemispheres of the Upright Rectangular Universe, Four Basic Fields – Four Basic Forces – Four Cardinal Directions of the Upright Rectangular Universe, Nine Planets as Nine Eye Opening Evidences, Galaxy of approximately 124000 Stars like Diamonds [Planet Jupiter], East Horizon guarded by the Four Basic Forces [Planet Saturn], Two Zones [Eastern Daylight Time Zone and Western Daylight Time Zone] within the East Horizon [Gravitational Field or Arz], Immovable Hexagonal World [Planet Pluto or Star of David], Six Manifested Regions, Upright West Region of the Appointed Kaba [Leaning Tower of Galileo] and Straight Middle-East Region of Eartha 3D [Planet Mars or Black Hole], North East Region of North America and South East Region of South America, South West Region of Africa – Asia – Australia and North West Region of Europe, Appearing Pentagonal Earth like 9/11 Pentagon [Spiders' Net or Star Operator], Three Ascending Stairs of the Appearing Pentagonal Earth [Minor Axis – Semi-major Axis – Major Axis or Superscripts], Prime Meridian [Tallest Tree of Newton or Appointed Kaba or Rabbun Gafuur], Natural Magnetism [Equal & Opposite Morning Show and Evening Show of the Sister Planet Venus or Tarash-Shamsa], Uranian System [Periodic Motion of the Planet Uranus of each Zone or Newton's Visual Binaries or Two Moons or Two-fold Mercy], Barrier between Equal & Opposite Natural Mechanism [Solar System or Bish-Shamsi], Mercurial System [Nuurun Alaa Nuur or Niche or Even & Odd Contrast or Manifested Trinity], Infallible & Unerring Statistics regarding Alteration of Day & Night in a Day, Twelve Matter Particles, Octagonal Matter Particles, Electromagnetic Wave and Electroweak Force, Gravitational Wave, Einstein's Binary Pulsar, Right Direction of Qibla toward Shatral Masjidil Haraam [Upright West Region of the Appointed Kaba or Inviolable Place of Worship], Appointed Day of Performing Hajj, Appointed Day of Observing Idd uniformly, Unalterable Laws of Nature [Newton's Laws], Un-interfering Natural Mechanisms, Manifested Signs and Scientific Proofs, and the like searched out by Jamir Ahmed Choudhury bearing Academic Ph. D. Registration No.

2491/14 under Assam University [one of the Central Universities of India].

So, they are absolutely unable to falsify & reject searched out findings and corresponding purely academic activities of Jamir Ahmed Choudhury identifying lacunae in the logical thread [equal & opposite apriori framework of natural science] and proving fallacies in the searched out natural sciences [un-contradicted facts of this equal & opposite manifested nature]. More than 1000 formal & legitimate documents have been proving removing all doubts nothing but absolute failure of concerned authorities from the local level to the United Nations. If a finite rational being such as publishing services associate of Partridge Publishing tries to falsify & reject purely academic activities of Jamir Ahmed Choudhury bearing Academic Ph. D. Registration No. 2491/14 under Assam University, then he/she will have to do nothing save to create a new creation in resemblance with 'Global Framework' of United Nations and in correspondence with 'One Global Text & Curriculum' of IBE – UNESCO [Universal Acceptance of the Global Scientific Community referred by NCERT – India].

**Unalterable Reference:** “Wa tarash-shamsa izaa tala-at-lazaawaru an-kahfihim zaatal-**yamini** wa izaa gara-at-taqri-zuhum zaatash-**shimaali** wa hum fi fajwatim-minh. Zaalikka min aayaatillaah; many-yahdillaahu fahuwal-muhtad; wa many-yuzliil falan-tajida lahuu waliyyam-murshidaa” – **And might have seen tarash-shamsa [so-called Sun], when it enters, declining to the right from their Cave** [top semi-anticlockwise journey of the so-called Sun from North Pole to South Pole or Haiyalas-Swalaah to Haiyalal-Falaah or Shimal to Yamin for the Eastern Daylight Time Zone of North America and South America i.e. Morning Show of the Sister Planet Venus or Einstein's Electromagnetic Wave], **and when it ends, turning away from them to the left** [top semi-clockwise journey of the so-called Sun from South Pole to North Pole or Haiyalal-Falaah to Haiyalas-Swalaah or Yamin to Shimal for the Western Daylight Time Zone of Africa, Asia, Australia, Arabian Peninsula, and Europe i.e. Evening Show of the Sister Planet Venus or Einstein's Electroweak Force], while they lay in the open space in the midst of the Cave [Black Square or East Horizon or Sirius A]. Such [top semi-anticlockwise and top semi-clockwise or equal & opposite stages of journey of the so-called Sun or Tarash-Shamsa] are among the Signs of Allah [Zaalikka min aayaatillaah] [Manifested Signs of Natural Magnetism and Clear Proofs of Natural Magnetic Directions or Haiyalal-Falaah and Haiyalas-Swalaah or South Pole and North Pole or Right and Left of the Appointed Kaba]. He whom Allah guides is rightly guided. But he whom Allah leaves to stray [from natural & humanistic – verifiable & justifiable – scientific & philosophical – legitimate & constitutional – moral & social – clear & distinct manifested path such as right direction of Qibla], for him you will not find protector to lead him to the Right Way [such as Right Direction of Qibla toward Upright West Region of the Appointed Kaba]. **You would have deemed them awake, while they were asleep, and We caused them to turn over to the right** (Haiyalal-Falaah or South Pole or setting direction of the so-called Sun for the Eastern Daylight Time Zone of North America and South America) **and the left** (Haiyalas-Swalaah or North Pole or ending direction of the

*so-called Sun for the Western Daylight Time Zone of Africa – Asia – Australia – Arabian Peninsula – Europe), and their dog* [NASA's Moon or Neil Armstrong's visited sole Moon for the Equal & Opposite West Zone and East Zone] **stretching forth his two fore-legs on the threshold.** If you had observed them closely, then certainly you would turn back from them in flight, and would certainly have been filled with terror of them. [Sura (17) – As-haabal-Kahf – Verses – 17 & 18]

**Remarks:** Verse – 17 of Sura – As-haabal-Kahf has been sharing with us that the so-called Sun [Tarash-Shamsa] is the manifested sign of natural magnetism [sent forward & kept back] & clear proof of natural magnetic directions i.e. Yamin [Right of the Appointed Kaba or Natural South or T-Point] and Shimal [Left of the Appointed Kaba or Natural North or E-Point]. Each Verse is a Complete Coded Shared Tautology. So, it is certain like my existence as a finite rational being [self-evident truth] that people of the entire world are absolutely unable to prove that the so-called Sun [Tarash-Shamsa] is the manifested sign of Solar System and clear proof of East [Mashriq or Eastern Part of the Land] and West [Magrib or Western Part of the Land]. More than 1000 formal & legitimate documents have been manifesting clearly nothing but absolute failure of the concerned authorities from the local level to the United Nations to falsify & reject the searched out Natural Magnetism, Manifested Sign & Scientific Proof of Natural Magnetic Directions [Natural North and Natural South], Magnetic Field and Weak Field, North Pole and South Pole, Northern Hemisphere and Southern Hemisphere, E-Point and T-Point, Aphelion and Perihelion, Barrier between Equal & Opposite Natural Mechanism [Solar System], Twice Rising and Twice Setting of the so-called Sun, and Alteration of Day & Night in a Day identifying lacunae in the logical thread [equal & opposite apriori framework of natural science] and proving fallacies in the searched out un-contradicted facts of this equal & opposite manifested nature. If global scientists [scientists of the entire world] are able to prove that the so-called Sun [Tarash-Shamsa] is the manifested sign of Solar System & scientific proof of East [Mashriq or Eastern Part of the Land] and West [Magrib or Western Part of the Land], then it will prove with crucial instance [clear proof] that Verse – 17 of Sura – As-haabal-Kahf is not a Revealed Truth [Complete Coded Shared Tautology]. On the contrary, Verse – 17 of Sura – Ashaabal-Kahf may be the conjecture of Jamir Ahmed Choudhury.

If Eminent Muslims [Islamic Scholars, Muslim Leaders, Sufis, Mystics, so-called Spiritualists, Philosophers, Wandering Arabs, and Highly Educated Human Persons] of the entire world are able to produce reference of just a Verse which has been sharing with us that the so-called Sun [Tarash-Shamsa] is the manifested sign of Solar System & clear proof of East [Mashriq or Eastern Part of the Land] and West [Magrib or Western Part of the Land] going contradictory to Verse – 35 of Sura – Nuurun Alaa Nuur and Verse – 17 of Sura – Ashaabal-Kahf, then it will prove with crucial instance [clear proof] that 'Quran' is not a 'Kitaab with Truth or Kitaaba bil-Haq'. On the contrary, 'Quran' is a Kitaab of Subjective Self-contradictions & Objective Paradoxes in resemblance with 'One Anti-natural Text & Conspiracy Curriculum' of International Bureau of

Education [IBE – UNESCO]. Our Prophet (sas) brought for us nothing but a Self-contradictory & Paradoxical Kitaab. Consequently, we are far astray from four foundational solidarity rights in Islam [Firm Faith, Practical Belief, Right Direction, and Appointed Days].

### **ACID TEST**

#### **Rival Hypotheses [Scientific Issues]**

**RH<sub>1</sub> – [Conspiracy Science and Post Hoc Ergo Propter Hoc Statistics]** – The so-called Sun [Appointed Daylight or Tarash-Shamsa or Sister Planet Venus] rises once from the East and sets once in the West to cause the Alteration of Day & Night in a Day for the Equal & Opposite Eastern Daylight Time Zone [North America and South America] and Western Daylight Time Zone [Africa – Asia – Australia – Arabian Peninsula – Europe].

**RH<sub>2</sub> – [Natural Science and Infallible & Unerring Statistics]** – The so-called Sun [Appointed Daylight or Tarash-Shamsa or Sister Planet Venus] as the Manifested Sign of Natural Magnetism & Scientific Proof of Natural Magnetic Directions rises twice and sets twice from the North Pole [E-Point or Magnetic Field] to the South Pole [T-Point or Weak Field] for the Eastern Daylight Time Zone [North America and South America] and turning back from the South Pole [T-Point or Weak Field] to the North Pole [E-Point or Magnetic Field] for the Western Daylight Time Zone [Africa – Asia – Australia – Arabian Peninsula – Europe] to cause the Alteration of Day & Night in a Day.
