Abstract: *We human beings are NOT our physical bodies, as commonly believed. We are mental beings living in cosmic vacuum tube of invisibility and projecting our creative desires from that vacuum condition. We, as holographic parts of the Creator are equal to the Creator – omnipresent, omniscient and omnipotent beings. We, as individual units of Creation, are POINTS OF DESIRE in the zero universe of Mind. Around that centering point, which is our Soul, we create a record of our desires, which are our dual-bodies, in a wave-field measured out for us in the stillness of the unchanging zero universe. God Aton, the Creator, is POWER. MIND IS LIGHT AT REST. GOD ATON IS THE FULCRUM OF MAN, AND OF THE UNIVERSE. Sex is the Creative principle. Sex is the division of a balanced equilibrium condition into two equally unbalanced conditions which negate each other periodically for the purpose of repeating the two unbalanced conditions. The essence of God Aton's Love Principle is Rhythmic Balanced Interchange, or equal giving and regiving, so that there is NO rest which would cause imbalance. Knowledge can be obtained by Man only through awareness of the Spirit within him. No Man can hurt another Man without condemning himself to greater hurt. Fear dominates the world of today. While fear is in the world, love cannot also be. Man's whole reason for being is to gradually pass through his millions of years of physical sensing into his ultimate goal of spiritual knowing. Consciousness is the recognition of that which the being is experiencing at the moment - therefore, CONSCIOUSNESS is God Aton but of the physical recognition. The essence and nature of human consciousness is GOODNESS. THE GREATEST SOCIAL VALUE AMONG CONSCIOUS BEINGS IS OBJECTIVE LAW AND JUSTICE. GOD ALWAYS HAS THE LAST WORD. Whatever we start doing must inevitably come to its end in US.*

1. Introduction

Reality, as we know it to be, is but an illusion. There is no physical anything in all of Creation. NOTHING is ever manifested into a physical form. Be it the dust on a butterfly's wing, or a giant spinning nebula containing billions of stars ("suns"), nothing is ever physically created. *The trick of the light (just like a motion picture camera in our cinemas) only SEEMS to manifest light and sound to express the invisible reality for our senses to enjoy. Yet, instead of learning our lessons we are trapped in the "sensual" aspect of the physical experience [1-23].*

Instead of using sex as the procreation act, God intended, we have made it the "end-all-and-be-all" of our entire existence. This PRE-OCCUPATION with the sex act, is what voids our SPIRITUAL EVOLUTION. "Divine Union" is a gift, a precious gift given by God, so that a man and woman married before the people might have and share in procreation - a family.

The Jews, pretending to be Hebrew Judaists, flood our markets with every form of sexual deviancy, in order to destroy the spirit/soul of an individual.

We cannot find "love" only wallowing in the physical "clay" of Earth. If our minds are "in the gutter", as it were, how can we also aspire to Holy Grace and Greatness?!? EVERY DAY is the "Sabbath" - not just on Sunday.

All bodies are transient thought-wave-vibrations which come and go to give body forms to thought-vibrations. Vibrations of motion extend from stillness. The heartbeat of Creation is a two-way piston stroke of vibratory motion which extends from the still light of mind. Mind-knowing is real. Moving bodies simulate reality.

2. Human Being

Let me begin with famous religious true contentions: God Aton is Light and God Aton is Love and God Aton created human beings in His image. Since God Aton is infinite and eternal Being, what is then image of infinity and eternity? Of course it is infinity and eternity. Everyone who mistrusts this statement could divide infinity and eternity by seven billion (people), or by any finite number, and the result would be infinity and eternity.

We human beings are NOT our physical bodies, as commonly believed. We are mental beings living in cosmic vacuum tube of invisibility and projecting our creative desires from that vacuum condition. We, as holographic parts of the Creator are equal to the Creator – omnipresent, omniscient and omnipotent beings.

Our own bodies are composed of countless billions of little wave-fields which bound each corpuscle of dense matter and their surrounding spatial counterparts. What is there to prevent these spheres and spheroids of our bodies from colliding with each other? The answer is microscopic wave-fields as it is for the mightiest stars in the heavens.

We, as individual units of Creation - like all stars in the firmament, are individual units of Creation - center our own collective field which includes the millions of little ones within it and those we take on as our desires increases in intensity. We, as individual units of Creation, are POINTS OF DESIRE in the zero universe of Mind. Around that centering point, which is our Soul, we create a record of our desires, which are our dual-bodies, in a wave-field measured out for us in the stillness of the unchanging zero universe. Thus our bodies become that which we think. **The measure of our wave-field is the measure of the intensity of our desires. The pattern of the bodies we create in it is a record of our desires. Our bodies are the**

record of the sum total of the desires we have expressed in the millions of years of our unfolding. We never lost that patterned record of our desires which are our bodies. We always have our bodies. Our senses lose awareness of it during our death period just as they do when we sleep, but our conscious Soul never loses awareness of it. **Desire in our Consciousness recalls it - reassembles it, part by part, in the pattern of age-long desire** - just as desire of Soul which centers the seed of an oak reassembles the oak tree in its own pattern, leaf by leaf, its wood, its bark, its strength and its majesty of form.

After our bodies have matured to the maximum of their generative power at their octave wave amplitudes, they begin to return to their spatial bodies from which they emerged. **However, Earth and space express "death" to give "life" to the compressed halves of our bodies. We then give "life" back to the expanded halves of our bodies by giving it our "death". But why think of them as life and death? Why not think of them as the two expressions of the eternal life which are manifest in all things - ACTION and REST from action? Why not learn to think of life and death that way - as an interchanging continuity instead of as the beginning and end? Why not think that way concerning all bodies and all actions of all bodies which perpetually GIVE and are being RE-GIVEN? Why not think of the manifestation of the love principle in all actions of all bodies?**

3. From whence comes our power?

God Aton, the Creator, is POWER. There is no other power. **ALL ENERGY LIES WITHIN THE STILLNESS OF THE ONE MAGNETIC LIGHT OF GOD ATON!** The still magnetic Light which God Aton Is, can be known with our Mind, and it is NOT the light which we can sense with our sense. God Aton is Mind, the Intelligence of the universe. In God Aton's Mind is One Idea of BALANCE, which God Aton knows as One Whole idea of BALANCE. In God Aton's Mind is desire to give creative expression to that One Idea by thinking it into portions. **Desire in the Light of Mind IS the power quality of Mind. Desire IS the soul of Mind, the will of Mind. ALL PRODUCT OF GOD ATON OR MAN IS THE RESULT OF DESIRE OF MIND TO CREATE PRODUCT.**

The power to create product is in Mind. It is not in the product. Product has no power in itself to produce itself. **This assumption that product has power within itself to produce itself is another of Man's illusions which have deceived the senses of Man during these early days of his unfolding.** It is as though the architect gave to his cathedral the power of creating itself. The cathedral is but an expression of desire of the architect to give form to the "idea" of his "knowing". The power to create the idea is **in the knowing.** The idea of the cathedral already exists. The eyes of the Spirit can see its spiritual image as clearly as the eyes of the body can sense it in stone as a product of his knowing.

The expression of power to create the idea as product - lies in the electric action of thinking idea at rest in the Light of Mind into the two lights of waves of motion

which simulate that idea.

As servant of Mind, electricity gives moving form to the idea by performing the work necessary to produce it. The power to thus produce does not lie in electricity nor in motion. **It lies in DESIRE of Mind only. Without that desire Creation could not be. Without desire of Mind in man his power to create could not be.**

4. Mind is Light at Rest

Desire of Mind is expressed through waves of light in Motion. The expression of power in waves is not power. All of the power of the ocean is in its stillness, whether expressed or not. Likewise, all of the power of Light is in the stillness of its knowing - whether or not it is expressed by light waves.

All expressions of energy spring from rest, seek a point of rest and return to a condition of rest. The power of a moving lever is not in the lever nor in its motion. It is the stillness of its fulcrum from which it borrows its ability to manifest the power of its fulcrum. Remove the fulcrum and the lever cannot move.

GOD ATON IS THE FULCRUM OF MAN, AND OF THE UNIVERSE. So, God Aton Is representative of OUR fulcrum? Close enough! Indeed, close enough if we but recognize Him. "G" "O" "D" is a label and cannot even begin to touch that which I AM. We ones may play all the games we choose and deny and resist and fight and struggle - but we will find nothing against which to bear our forces - for simply, I AM and the WE that WE are perceiving ourselves to be is naught! God Aton shall gather and regain His fragments from where He pleases, when He please, how He please and HE shall bring home who He please and here is the reasons WHY. Neither Man nor any moving thing in the universe has power within himself to do anything. All power expressed by Man must be extended directly from the Father in heaven to His father-mother lights of earths and heavens which manifest HIM. Which came first, the chicken or the egg? Suffice it to say that God Aton came before us and God Aton recognizes His KNOWING so He does have a foot up the ladder of understanding and it does indeed give His infinite leverage. Well, who is God Aton? Who indeed?

A ball thrown in the air must start from a point of rest, motivated by desire of the thrower who borrows energy from the "center of gravity" of the earth which is its fulcrum. The point of rest in the throwers hand is an extension of the earth's still center. As the ball ascends, it decelerates as it pays its borrowed energy to space, thus charging space with the borrowings of earth and equally discharging earth. When the borrowing is fully paid the ball comes to rest at the highest point. From that point it must again borrow the energy from space which it borrowed from earth to pay for its return to earth. Upon its accelerative journey to earth it passes each point at the same speed it registered on the upward half cycle, thus discharging space and equally charging earth to balance all borrowings and payings.

The mechanical principle by means of which power is expressed by the Creator is in the light waves of two-way

motion which record His two-way thinking. Waves are two-way cycles which are divided equally to express the two desires of Mind to create form images of Mind imagining and to destroy those forms sequentially for reforming.

Waves of motion spring from the stillness of the universal equilibrium. They are the universal heart-beat which manifests eternal life and power in God Aton's stillness by eternal repetitions of simulated life and power as expressed in waves of motion. Waves of motion express the power of desire for unbalance and motion which is in Light at rest, and they also express the opposite desire for balance and rest which is in motion.

Desire in the One Light of Mind is positive. Its expression in the two lights of opposed motion is negative. Every expression of power in Nature is negated by its opposite expression.

The senses are limited to the perception of but one of these negations at a time, and then only in small fractions of whole cycles. If the senses could record the whole of each cycle both ways, they would record stillness, not motion, for every action would be voided by its oppositely flowing reaction.

5. Sex

The still magnetic Light of the Father of all Creation is One. The One Light is the positive principle. It is CAUSE.

The moving electric father-mother lights of all Creation are two. The two are opposites of each other. The two negate each other. They are the intercommunicating nerves of the universal body, like those of Man's body through which he senses things. They have not existence save an awareness of each other. They are but mirage extensions of Mind imagining which senses that which they but manifest.

Each electric opposite conditions the other with sex unbalance. Each sexed condition gives unbalance to the other to separate each from each to increase the power of each to oppose each. Each then gives of itself to the other to void the unbalanced condition of each other. In order to effect balance in each, each must become the other. The charging one must discharge and the discharged one must charge. Voidance of unbalance can only come that way. Likewise, repetition can come only that way.

The electric universe is the negative principle. It is EFFECT. The two moving lights of the electric universe are two equal halves which express themselves in opposite directions. Their sole purpose is to oppose. Opposites which violently oppose and void each other can never become one, nor can they attract each other.

6. Sex is the Creative Principle

Sex is the division of a balanced equilibrium condition into two equally unbalanced conditions which negate each other periodically for the purpose of repeating the two unbalanced conditions.

Sex is the Creative principle. It is the dual desire force in Mind for expressing its One Idea. Without a division of the one unconditioned Light into two seemingly conditioned lights, Creation could not be.

Sex is not a thing, it is condition of a thing!

An electrically balanced condition of anything is sexless whether it be a man, woman, electric battery, or the atmosphere. We humans can vote on it, denounce it, pronounce it, call it some sort of action or revolt and it will not change one iota the truth of it.

A sexed condition is an unbalanced condition. An electric battery which is fully charged is dually unbalanced by the opposite electric pressures of compression and expansion. These two opposite unbalanced conditions violently desire to return to the oneness of balance from which they were divided into two. A short circuit between the two poles of the battery will give it that balance. We would then say it is dead, for it will no longer perform work expressing its desire for balance.

An unbalanced atmosphere will violently seek a balanced condition, depending upon the intensity of the unbalanced condition. When calm follows the storm, it means that desire for balance has gone out of it, for when balance has been attained by rest, motion is no longer possible.

The sex condition of unbalance in Man is exactly the same in all phenomena in Nature. Unbalanced sex condition in Man demands balancing in the same way, and its violence depends upon its electrical measure of unbalance. When that desire is satisfied and balance is restored, man is as sexless as the dead storage battery and for the same reason.

Man is recharged into a sexed condition by his heartbeat, by the food he eats and by his in-breathing/out-breathing. These are the generators which recharge the "dead storage batteries" of all the universe into sexed conditioned "live batteries".

A sexed condition and an electric condition are identical. Electricity conditions all sexless matter into its sexed condition, by dividing a pressureless condition into two opposite pressure's which desire release from their opposition. All of the work of the universe is performed as a result of that desire in unbalanced matter to seek rest in a balanced condition.

This is a sexed electric universe in every effect of motion, whether it be in the heart of a giant sun or in the petal of a meadow violet. Every action of motion in the universe is a result of sex desire for motion from a state of rest, or for rest from a state of motion.

These two sex desires of electric action and reaction are the result of the two desires of the Father to manifest His one Light through the extended father/mother lights which interweave His idea of Creation into the multiple forms of that idea and void them periodically for the purpose of repeating them.

The desire for two-way motion is equal action and reaction as reflected in the dual electric desire to give for regiving, and to unfold for refolding.

For God Aton has ordained that the father/mother of His imaged stage, its players and its motions become an equal two extension-retraction at His Light. An equal two must be an equal two, for desire of each to outbalance each would upset His spatial stage and all the father/mother offspring of His stage. Therefore, He have set a measure in His high heavens to balance each with each, that each might have its all, but not one whit more; nor lose aught, nor gain one whit more.

Wherefore God Aton, the ONE, watch over all His creating pairs of father/mothered things with His two measuring eyes to balance that which fathers His universe with that which mothers it. And as His sexed electric universe is two, so also must its watchful measuring eyes be two, centered by another ONE from which the two extend and seem to move as that mirage expression of His thinking seems to move.

Didn't Einstein say that all matter is (God Aton's) thoughts in motion?!

Why does it work this way? Because God Aton choose to have it work in this manner for in this expression comes total balance.

7. Opposing expressions

Each thing in God Aton's universe is paired as opposite expression of that thing. Neither expression is that which it expresses; therefore, both life and death of things which seem to live and die, are neither life nor death. This is because all things in His universe interchange with their opposites and with all other things. Each opposite becomes the other sequentially, for, God Aton says, in Him is Balance. God Aton balances all opposites of pairs of things with equal opposites of pairs of things and it works very well indeed. We may play with it in our expression all we wish - and still all we will produce is unbalance for the Source is totally balanced. Until we learn as much, we do not get to be the big Puppet-Master in the sky. Ones who become the puppet-masters of our perceived universe only bring horrendous unbalance and total chaos - from God Aton comes ORDER and BALANCE. Evil (or chaos) is the opposition to God Aton which is balance. This is WHY, as a species, WE WILL TURN BACK INTO THE TRUTH AND PATH OF GOD ATON OR WE WILL PERISH IN THE ILLUSION FOR - JUST AS UNBALANCE INEVITABLY COMES - SO DOES RETURN UNTO THE BALANCE. THEREFORE, SINCE BALANCE IS GOD ATON - ALL SHALL ULTIMATELY RETURN TO GOD ATON. TOTAL PERFECTION IS THE ONLY POINT ON THE WHEEL WHEREIN ONE CAN "GET OFF". WE CAN NOT GET OFF AT THE POINT OF TOTAL CHAOS!

The entirety of this balanced universe is thus divided into unbalanced pairs of father/mother sex-conditioned sex mates for the purpose of seemingly dividing universal Oneness into a universe of many ones. No matter what names we use to

designate one pair of sex mates from another, whether gravity and radioactivity, male and female, positive or negative, charge and discharge, centripetal and centrifugal, generative and radiative, integrative and disintegrative, plus and minus, heat and cold, life and death, buyer and seller, producer and consumer, import and export, emptying and filling, inward and outward, north and south, heaven and earth, growth and decay - all of them are similarly conditioned by the two opposite electrical conditioners. We see, God Aton has spoken quite a while here in without once even mentioning that which we refer to as "screwing" anyone or thing. Human debases that which is his most ultimate purpose.

In other words, all these things above are being either compressed or expanded, if we use "pressure" terms, or charged and discharged if we use "electrical" terms. Both are the same. Likewise, all that are being compressed or charged by positive electricity are simultaneously being expanded and discharged by negative electricity to a lesser extent. Likewise, all that are being expanded by negative electricity are simultaneously being compressed and charged by positive electricity to a lesser extent. This is a two-way universe in all effects of motion, and both opposite effects are expressed in both mates simultaneously as well as sequentially.

8. The Love Principle

The entire universe, which is God Aton's dual body, consists solely of male and female bodies which unite to live and to create ACTION and divide to REST and be reborn again into life. *A balanced UNITY is possible only where interchange between the mate-pairs of every transaction of man, or Nature, is equal and rhythmic.* That is how universe and life evolves and growths.

The essence of God Aton's Love Principle is **Rhythmic Balanced Interchange**, or **equal giving and regiving**, so that there is NO rest which would cause imbalance.

The underlying law of Creation is **Rhythmic Balanced Interchange** in all transactions in Nature. It is the one principle upon which the **continuity of the universe** depends. Likewise, it is the one principle upon which the continuity of Man's transactions, his health and happiness depend. It is the manifestation of God's two opposing desires in all processes of creation.

BALANCE is the principle of unity, of oneness. **In it is the stability which lies in CAUSE.** Balance is the foundation of the very universe itself.

BALANCED INTERCHANGE simulates oneness by interchange between pairs of opposites. It is the principle of equal giving between all moving pairs of unbalanced opposites which constitute this dual electric universe. **In it is the instability of EFFECT.** Instability is forever seeking to find stability. It can never find it, but it can simulate it by balancing its instability through equality of interchange.

RHYTHMIC BALANCED INTERCHANGE is the principle of continuity of EFFECT. **Balanced interchange**

between opposites repeats simulation of stability, and rhythmic balanced interchange continues that repetition

The only chance for human survival and growth into a united and cohesive one world of cooperative man is through rhythmic balance in industry, for industry could be the greatest and most powerful institution on Earth - the only one which can unite mankind into its ideal of ONE-WORLD, which Government, Education and Religion have all failed to do.

In practically all human dealings, one mate - or both - in every transaction is CHEATING. That is what is the matter with the world. Human beings have not yet begun to learn how to DIVIDE the UNDIVIDED EQUALLY. Therefore they can never UNITE them, for balanced unity is impossible with unequally mated pairs. Until individuals and nations learn how to DIVIDE and UNITE in accordance with the infallible law of RHYTHMIC BALANCED INTERCHANGE, there will always be strife, unhappiness and the ills which man himself makes through his ignorance of how to live.

9. The New Cycle

This current time era (age) which begun on August 17th 1987, is marking an epochal advancement in Man's evolution toward his goal of omniscience and omnipotence. Man becomes a higher being with greater power as he acquires knowledge. In knowledge alone lies power. Only through knowledge can Man become co-creator with God Aton. **Knowledge can be obtained by Man only through awareness of the Spirit within him.** Lack of that awareness is the tragedy of today's civilization. During the last century or so of the greatest progress in the history of man, great nations of the world have killed, robbed, and enslaved other men to build their own empires. Today Man has killed millions, condoning his killing as necessary for his self-preservation. He is now but reaping the seed of his own sowing. He who lives by the sword shall die by the sword. **No Man can hurt another Man without condemning himself to greater hurt.**

Fear dominates the world of today. While fear is in the world, love cannot also be. Love can never dominate the world until Man ceases to live a primarily sensed existence and knows the Light of the Spirit within him.

This age brings man one step nearer to the universe of greater knowing through greater comprehension of Man's relation to man, and to God Aton. Each past cycle in the growth of Man toward higher levels has been illumined by the few inspired messengers of the Light who have known God Aton in themselves.

New inspired messengers who know God Aton in themselves will likewise give the Light to this new cycle. **And these few messengers of the Light must multiply to legions, for the need of a spiritual awakening is great.**

Man's whole reason for being is to gradually pass through his millions of years of physical sensing into his ultimate goal of spiritual knowing. Man has now reached a transition

point in his unfolding where he must have that knowing. He can acquire that knowing only through greater awareness of the Light of the universal Self which centers him as ONE WITH GOD ATON.

10. Consciousness

Consciousness is the recognition of that which the being is experiencing at the moment - therefore, CONSCIOUSNESS is God Aton but of the physical recognition.

We must grow into understanding of "life experience" both in the "lighted dimension" of what we call etheric soul and within the dimension of consciousness (human physical).

Consciousness is not only an eternal part of existence, but it is the controller of existence. It is the "seminal" value from which all other values flow - without exception. To begin to comprehend this point we must be aware of the truth that the nature of existence includes: 1. Objective law and justice which is totally characteristic of the Civilization of the Universe, 2. The limitless value of each conscious being when functioning in a rational civilization, and 3. The dynamics of continually expanding value production and prosperity, which demand preserving the eternally supreme VALUE of every conscious being.

Obviously, in some "form", "existence" IS. Further, existence is infinite and eternal and consciousness, therefore, is eternal - and infinite, and therefore - IS the controller of all that IS.

11. Essence of Nature of Human

The essence and nature of human consciousness is GOODNESS. Note - I said "human". What we HAVE running around are a bunch of "human-like" physically coagulated beings - I guess a good all-around term could be "humanoid" - but definitely not of the Civilization of the Universe. Rather, very locked and dedicated to physical expression and robotically trained humanoid facsimiles - IN APPEARANCE ONLY. The civilization of Earthbound "man" is certainly not focused on "goodness" - but rather, abounds in crashing and thrashing at mere existence in our present FORM or actually seeking to CONTROL ALL THERE IS IN THAT EXPRESSION. Further, the essence of the nature of human consciousness is noble, rational, honest, just, compassionate, value producing, benevolent, kind, loving, happy...! Look around us, even in our "churches" filled with false-teachings, do we find these qualities in individual human-coagulated machines calling themselves humans?

Where is our JUSTNESS? NEVER in the "churches" - for if we are a Baptist and a Catholic enters the scene - he is not acceptable - so we have NO justness and GOD ATON JUST IS.

THE GREATEST SOCIAL VALUE AMONG CONSCIOUS BEINGS IS OBJECTIVE LAW AND JUSTICE. How much of either do we find about us these days? Ever? Have things REALLY changed at all on the physical plane? From when? To when? There have

ALWAYS been the "few" who KNEW TRUTH! Remember? Nobody listened? So be it, surely enough, man remained anti-human and anti-civilization.

I don't even like to refer to the so-called "anti-Christ" by such foolish terminology because it is not a valid term for anything - the term in correct presentation would be "anti-civilization" or "anti-humanity". Certainly the thrust of the "anti-" beings is to keep US from realization of the Civilization of the Universe - wherein humanity and ordered civilization IS!

11.1 Diseases

We all worry constantly about this disease or that disease and allow our bodies to be riddled, bombarded and destroyed by same. THE ONLY DISEASES OF HUMAN CONSCIOUSNESS ARE DISHONESTY, MYSTICISM, AND IRRATIONALITY! These diseases cause all wars and crimes, including all property destructions, harms, sufferings, **cruelties, injuries, and deaths PURPOSELY inflicted on human beings. THOSE DISEASES DESTROY THE NATURAL GOOD OF HUMAN CONSCIOUSNESS.** Furthermore, all such evils are inflicted by force or fraud to support the lives of open criminals (whom I will call subhumans) such as we think of in "Mafia", robbers or muggers...or the much MORE EVIL, hidden criminals (these humanoids I spoke of above) such as dishonest politicians, parasitical elites, tyrannical rulers, bogus authorities, killer type (Ruby Ridge, Idaho; Waco, Texas...) bureaucrats, and their force-backed ego "JUSTICE" systems of injustice. We can realize and name the little groups (or big groups) which serve the thugs and humanoids (and even some who serve the subhumans).

Let us refer to these beings who are human-like (humanoids, false-humans) beings who have hidden rationality and camouflaged irrationality and use this camouflaged irrationality to deceptively harm, ruin, and kill human beings as pseudo-humans.

Pseudo-humans are, therefore, human-copies or humanoids in whom the diseases of dishonesty and irrationality have destroyed the human nature of their CONSCIOUSNESS. So it is thus that such pseudo-humans are NO LONGER HUMAN BEINGS. They are simply humanoids who have destroyed their natural conscious structures and human essences, which are NEEDED TO ENTER THE CIVILIZATION OF THE UNIVERSE.

11.2 Parasites

These false - or pseudo-humans are PARASITES - ALWAYS! And, to parasitically exist, pseudohumans purposely propagate a bizarre, irrational civilization on any "mankind-inhabited third dimensionally perceived planet" and certainly on Planet Earth "Shan".

12. God Aton always has the last word

Recently I've experimentally proved that every particle, atom and cell are consisting of light rings spinning around the centering zero still Mind point which is source of energy

and from which the light rings borrow energy in order to move [1].

When the light rings are spinning around the geometric center of a circle (black point 1 in the center of the black circle 1 in the middle of Figure 1) the cells are balanced, but when the center of the spinning light rings is shifted out of the geometric center of a circle so that spinning occurs around two centers instead of one center (blue point 2 in the center of dashed-dot blue circles 2 in Figure 1, where only four of these dashed-dot circles are shown) it causes unbalances in cells structures called "sickle cells".

Figure 1: Centeredness of wave fields

The spinning of the light rings around that eccentric center is like a fly-wheel with its shaft eccentrically placed. It has not escaped Creator-control, however, for the sun's gravity still controls it by centering a larger circle, which includes its entire wanderings around two centers instead of one (the red dashed circle in Fig. 1). That is why I use to say to remind on this big truth: "All is well in all of Creation!"

I call QUALITY OF WAVE FIELDS this in the science not yet known feature, namely the centeredness of wave fields. The quality is **positive**, what means **life supportive**, when the spinning of light rings is **balanced**, or **negative**, what means **life destructive**, if the spinning of light rings is **unbalanced**.

Not one action of motion of human or Nature - in all the universe - can escape from the absolute centering of its action by the Controller of all actions. Anything, or any human being who tries to act escaping from it, or use his "free will power" to do as he chooses, may exercise that privilege, even unto destroying own body by so doing. S/he will not escape, however, from the perpetual control of his universal energy Source. No matter what s/he does, to upset the universal balance, s/he will find that the Creator of Creation always centers her/him, and her/his own unbalanced orbit is still on center with her/his unbalance, and is perpetually in a plane of 90 degrees from the shaft upon which it is circling.

It is most unfortunate that our educational institutions and our science are in such infantile and foolish condition that they depend entirely upon information gleaned through the senses and consider it impossible to gain it cosmically through inspiration or imagination for this limits "teaching" and "learning" to a purely political-perception basis for

knowledge. Until educators become non-political and realize that God Aton is the first, last and only TEACHER, that TRUTH lies in the invisible universe beyond the reach of Man's senses, and that Nature always has the last word in every transaction and conclusion of Man, the whole human race and its institutions will never transcend their sense-limited stage and advance to the stage of genius or cosmic consciousness.

Everybody knows that man has free will to perform any action he chooses. It can be a good action or a bad one. That action is his limitation, however. **NATURE** holds the right to the reaction. In other words, **GOD ATON ALWAYS HAS THE LAST WORD.**

We will briefly give this idea a scientific basis by stating that all actions of man or Nature are but initial impulses which end where they began and have no reality in them whatsoever. All reactions to all actions are the momentum of inertia which forever extends throughout the universe to mature the desire image of the action to its fulfillment, and the fulfillment always ends in the source of its beginning.

I mean by that that whatever we start doing must inevitably come to its end in US.

The farmer starts a crop of potatoes. The reaction to his action ends with him and its image is the multiplied image of his desire.

The ship's captain started his engines. The reaction to that action ended in multiplied image of all the desire and beliefs of all the creators of that ship. Nature not only continued the action but multiplied it into universal omnipresent power, which inertia IS.

This is God Aton's universe and anyone who does not obey God Aton's laws of creation is punishing her/himself by erasing her/his DNA pattern forever so that these anti-life, anti-God Aton and anti-Christ creations can never more be embodied. God Aton is Creator and He can de-create everything what does not conform with His laws of Creation.

Does God Aton erase their DNA patterns, actually? No, but their ignorance of God Aton's laws of Creation and their violation of the God Aton's basic sex principle of creation does it. So it is.

13. Opposites born each other

Compression can never expand but expansion is born from compression. Conversely, expansion can never compress, but compression is born from expansion. They can interchange with their opposites with every pulse beat, and they do. Each opposite is born from the other. Each pulse beat brings each opposite nearer to voidance of each and complete interchange into the other. It becomes the other sequentially at the halfway point in its cycle, but it is still an opposite. **Opposites oppose. They never perform any other office than to oppose. Opposition alone produces the idea of separateness in a universe of one inseparable thing.**

The opposite of water is water vapor. Water is a compressed condition. It is of the father-light. Water vapor is the expanded condition of water. It is of the mother-light. They are two halves of one which never can be one. The mother-light unfolds from the father-light. The father-light refolds the water vapor into water. Each have been born from the other. Each IS the other but they can never unite to become one. Moreover, from the water you will not get cola vapor - you will get water vapor. Nor will you get cola from pure water vapor - ever.

All idea of Mind is thus divided into sex pairs of opposite mates. Matter is divided into solids and gases. The gases are the solids outwardly bound toward the heavens. Solids are those same gases inwardly bound toward gravity. Heat and cold are opposites. Inwardly bound light rays degenerate heat from cold by compressing cold. Outwardly bound light rays degenerate heat into cold by expanding heat. It is said that cold is less heat. One might as well say that east is less west. East and west are two opposites just as cold and heat are opposites. Ah so - some of you are smitten by an inkling idea - is it possible that where all opposites meet in that one brilliant collision is God? Insight is a bit breathtaking, is it not? It follows that it **MUST BE SO FOR OUT OF GOD'S THOUGHT AND IMAGINING CAME THE "TWO" IN THE FIRST PLACE.** Even perceived time of past and future meet in the NOW which is actually all there is. Do you begin to see how simple is the whole thing? Isn't it nice to know that you can't pass from one opposite or anything into its other without passing through God? Therefore, does it not seem intelligent to get on with getting to God as quickly as you can, since that is your ultimate destination under all circumstances? I hope we can come to a pleasant understanding regarding this matter for I do not like having to "pull rank".

13.1 Opposite Sex conditions born each other

Matter and space likewise are sex mates. Each has become what each is by opposing the other to attain the appearance of separateness. Then each interchanges with each by breathing into and out of each other until space disintegrates matter and becomes what the other was. Space disintegrates suns and earths by the way of equators and generates them by way of poles. Heat generated by cold by the way of poles is radiated by the way of equators. Suns thus turn inside out. Cold bores black holes right through their poles and great suns become rings, like those in Lyra and other ring nebulae which are plentiful in the heavens. But you ones cannot seem to come to the **KNOWING** that at the center of each is God and thus will come the burst of glory as the cycle is finished.

All matter is generated by the degeneration of its opposite. Likewise, all generated matter is sequentially degenerated by the generation of its opposite.

Compression in matter is balanced by an equal evacuation in space. Every unbalanced condition in Nature must be balanced by an equal opposite. All borrowings from the bank of nature are debited with an amount equal to the credit extended just as money borrowed from Man's bank is debited and credited--excluding the Federal Reserve System,

that is.

13.2 Desire for rest follows desire for motion

The two are always two and never can become one-for when they become ONE they become God. Although the desire for oneness is with each during the entirety of its cycle. It is this desire for oneness which causes them to interchange. When credits and debits are balanced by interchange with each other, the cease to be. They do not become one. When electrical opposites thus cancel each other out by interchange of their plus and minus conditions, they do not NEUTRALIZE each other, as commonly believed - THEY CEASE TO BE.

13.3 Motion cannot be neutralized

There is no exception to this process of Nature. All idea is recorded electrically unequal pairs of opposite expressions. Each of the pair cancels the other out in cyclic periodicities. Each then becomes what the other was.

Generation of any idea exceeds radiation during the first half of its cycle. Radiation then exceeds generation for the second half of the cycle. Both of these simulations of the idea, as expressed by motion, disappear. The idea still exists, however. The idea is at rest in its seed from which it can again appear in form of idea.

The two points of rest which are the fundamentals of every cycle are: the point of beginning at the wave axis, and the point of interchange between positive and negative opposites at the wave amplitude. At these two rest points, motion has utterly ceased. It has not been neutralized into a condition of rest.

13.4 Principle of sex reproduction

All creating things are paired as unbalanced equal and opposite sex mates. Reproduction of two unbalanced mates cannot be repeated until balance has first been restored. The calm surface of the ocean may be broken up into waves, but those waves cannot be repeated until the calm surface of the ocean has been restored to the equilibrium of its rest position, even though that rest position is not maintained.

Reproduction begins at the rest point where the previous wave cycle ends. Reproduction of unbalance must find a fulcrum from which the wave lever may leap into wave expression for repetition of pattern. That is what Creation is, merely the repetition of pattern with added pattern forever.

This is a universe of waves within waves and waves without waves; pulsing waves of dual light, extending forever outward to the ends of mirrored space and reflecting back again to microscopic centers of rest from which they may again spring from rest to seek rest through dual motion but never finding it. This is a sex-divided, opposed, two way electric universe which creates and voids through unbalanced pairs but repeats (reproduces) through voided ones.

13.5 Sexes do not unite

Reproduction of dynamic sexed pairs does not come through the union of dynamic sexed pairs, but from the *voidance of sex condition*, and with it, the power of dynamic sex expression reproduction. Reproduction is not the unity of two opposite halves of one patterned thing; it is the voiding of the power of dynamic expression which all unbalanced opposites express.

Reproduction is the cessation of those two unbalanced conditions which restores abalance from which similarly patterned negative forms reverse their expressions and become positive forms.

13.6 Sexopposites reproduce through sex voidance

In this manner all patterned forms repeat their patterns sequentially. All pairs of unbalanced opposites come from God, the One, and return balanced as one, to God.

All unbalanced pairs of separately conditioned things must first find voidance of unbalance and voidance of opposition. *They must then become their own opposites to again acquire an unbalance necessary for another voidance and consequent repetition.* All "twos" must become "voided" in the ONE in order to again become two. Reproduction of unbalanced opposites, by unbalanced opposites, is impossible.

Opposition must first be voided. *The dynamic must emerge from rest and it must be voided in rest in order that it may again become dynamic.*

13.7 Desire for balance

All things seek balance. Two opposed, unbalanced halves of one are forever seeking to balance their opposition. Two children on a seesaw are balanced when they are on a level with their centering fulcrum. When they are on two different levels they are then unbalanced with their centering fulcrum. They are then dynamic. The fulcrum no longer centers them although they are balanced in themselves. In such a position they are obliged to move. Repetition of their motion is impossible while they are in balance with their fulcrum, but is imperative when the fulcrum no longer centers them.

A sexless condition is imperative before a sexed condition can be repeated. Just as all motion starts from rest and returns to rest, so does a sexed electric condition arise from a sexless one. The two sexes, therefore, cannot be united to cause reproduction. They must first be voided.

Unbalanced condition and change cannot unite to reproduce unbalanced condition and change. The unbalanced condition and change must be voided in order to repeat unbalance and change.

13.8 Sexopposites do not neutralize – they void

The sexes, like the two opposites of motion, cannot "neutralize" each other by so-called "union". The dynamic cannot be "neutralized". Likewise, it cannot *become* static. But it can be voided. The static condition does not **then** take

its place, for the static condition is eternal. It was there before the dynamic condition arose.

The dynamic condition of sound, for example, arises from the static condition of silence, but sound does not **become** silence. **Sound is voided**; silence is eternal. The dynamic condition of sodium and chlorine do not unite to become the static condition of sodium chloride, nor are they neutralized. They must be voided before they can be repeated.

13.9 Pressure direction determines sex

Opposites are not **things**; they are **conditions of things**. Just as heat and cold, or east and west, or inward or outward, or compression and expansion cannot **unite** to become one, so also, the opposite sexes cannot unite for they are but inward-outward **pressures**.

Sex opposition is a difference in the pressure **condition** of things. The male condition is one of compression, the female is one of expansion. The sexes are thus differently conditioned by the two directions of electric pressures, in accord with the two opposite desires of the Creator. The difference of conditioning makes basically similar substances appear to be different things and different substances.

All things are sex divided. When, therefore, any two opposed and unbalanced sex halves of one conditioned thing balance their opposed conditioning through motion, they appear to become another thing or substance.

This appearance is a deception of the senses for they do not become another thing. They become voided and another thing, from which both are extended, appears in their place. In chemistry you call these pairs stable elements, such as the salts.

Water, for another example, is a voidance of oxygen and hydrogen, for there is no oxygen or hydrogen in water. For there is actually no hydrogen or oxygen in water. Nor do oxygen and hydrogen **become** water. Water is the result of the voidance of two unbalanced and opposed conditions caused by equalizing opposed pressures at static equators.

Consider the static condition of the calm ocean. A storm transforms that surface into a dynamic condition. Waves which spring from the static ocean surface toward crests and troughs do NOT **unite** to reproduce another wave; they **withdraw** into the ocean surface. They disappear entirely and then reappear from it in reverse to repeat the next wave.

Absolute voidance of one condition must take place before repetition can follow. HEREIN, FURTHER, LIES THE TOTAL SECRET OF THE WORKINGS OF THE UNIVERSE.

Voided motion is recorded in the stillness from which it was unfolded in order that it can be repeated from that record. Records of motion are seed for repetition of motion. In the seed is desire for manifesting imaged forms for idea. All forms are wave forms.

All wave forms unfold from seed records of those wave forms.

And so have I said, The One Light of Me desires to be two. Two sensed warring divisions of the One spring forth from My unsensed Oneness into an imaged space. Two voiding lights of My One White Light spring from their Rest in unity to find rests of their own, but find not two but one, for two rests there cannot be in My universe of ONE.

For I say that each light seeks rest in each where wave of My pulsed thinking meets wave, and at that mutual point of rest each void each in the One from which another two spring into their mirrored infinities.

Hear Me when I say that **all things which flow from Me are sex-conditioned pairs of two**, even to the cosmic dust of space which forms new worlds and even to the heart of blazing fires of hottest suns.

Nothing is there in My divided universe which is not sex-conditioned, sex-interchanging and sex-balancing. Thus these moving pairs seek balance in voidance forever to repeat the thought-patterns of My thinking in the sex-balancing voidance of their "conditioning". And yet, the Truth and function has always eluded Man and he continues on the path of misuse, misunderstanding and ignorance of the very laws of the Cosmic Universe of which he is a part-ALL that is within Creation.

14. Law of Balance: You Must Obey the Wisdom of God Aton for the Responsible and Balanced Procreation of Your Species

It is known about the Commitment of Marriage by A MAN and A WOMAN To God as being one of the necessary components to also becoming a PARENT for God which means procreating your species. (SEE Law # 8 "You Must Not Commit Adultery [24])."

Now the DIVINE and SACRED "act" which was created by GOD for the pro-creation of the species you ones call "sexual union". God created THIS DIVINE UNION to be performed between ONE man and ONE woman specifically for maintaining the balanced level of the species for each given planetary system. Now the "fallen" ones or adversaries of GODNESS have completely perverted and maligned this once "sacred" and "divine" act that at one time was DONE with complete LOVE and DEVOTION to THE FATHER within each partner, so that it (sex) is now called "a birthright" to be done often, without impunity and with MANY partners of either sex and without consideration of LOVE or responsible pro-creation. How we and THE FATHER weep for you! This ONE abuse of God's creation has nearly destroyed your species! Let us quote once again from, **"AND THEY CALLED HIS NAME IMMANUEL: I AM SANANDA"** – Pg. 55 [25]:

"The act or marriage and procreation must have the highest degree of pure intent and preparation, for upon these bonds and restrictions will rest the preservation of mankind as a species upon the planet. If everything is

done and adhered to, justice and peace will come to all mankind, and life in the human form can be preserved.

"If man continues his selfish and imprudent behavior, he will sound his own death tariff. There reaches a point beyond which a planet cannot support the unbalanced system perpetrated by mankind. And yet, so shall it come to pass (Read this carefully!) *that man will not listen and bring destruction upon his own species. It will come about in some two millennium that man will have reached the point of self destruction.* (This is 1991 friends, have you fulfilled this prophecy of Jesus the Christ Immanuel and OTHER prophets before him?!?) **And so is it projected by the prophets and shall it come to pass in its time of fulfillment and in my time of fulfillment.**" End of quote.

Let's begin with God's directive about marriage and Pro-creation between A MAN and A WOMAN. It is very clear that this DOES NOT say, marriage and "the sexual act" is OK between a man and a man, or a woman and a woman, or TWO men and ONE woman or THREE woman and ONE man, or etc. Again, the laws of balance are LOGICAL, meaning they were created specifically to maintain BALANCE within The Creation.

Because of the various degrees of deliberate, systematic and malevolently lewd and lascivious sexual behaviors, which are the corruption of this DIVINE UNION, and which have been and are practiced by most on your plane, the WARNING given above by our beloved Jesus Immanuel is transpiring before your very eyes in this time frame!

The sexual "act" was specifically designed to be performed by ONE man and ONE woman who had committed THEIR DIVINE LOVE AS ONE in the union of marriage, ordained by GOD. Through this union OF LOVE, the act of sexual intercourse between a husband and his wife for pro-creation was a most sacred and honored responsibility, an extension of their LOVE and COMMITMENT TO GOD in his service as PARENTS of HIS Children.

Now remember the law of "Cause and Effect". The EFFECTS of breaking this one directive of GOD are all about you today. Over-Population and the spread of fatal venereal and blood-borne diseases, such as Syphilis and AIDS, are proving to be YOUR self-punishment to the point of creating the nearly complete destruction of your human species on Earth.

So let there be NO misunderstanding. The following BEHAVIORS are specifically and undeniably AGAINST OR CONTRARY TO THE LAWS OF GOD AND THE CREATION:

- 1) Any Homosexual *sexual* activity between two or more men is strictly forbidden.
- 2) Any Homosexual *sexual* activity between two or more women is strictly forbidden.
- 3) Any Bi-Sexual *sexual* activity between two or more men and women is strictly forbidden.
- 4) Keep In Mind We Are Specifically Referring To "Sexual" Activities, **Not** Love, Intimacy (Sharing soul-deep closeness and special ness of the friendship) COHABITATION (Sharing living quarters/home

together; AND FRIENDSHIP between members of the same sex, Meaning that it is the LEWD, LUSTFUL and IRRESPONSIBLE "SEXUAL ACT" THAT IS SPECIFICALLY AND STRICTLY AGAINST GOD and LIFE!

- 5) Any Anal (Sodomy) *sexual* intercourse performed between any person, male or female, is strictly forbidden.
- 6) Any *sexual* activities performed with ANIMALS (Bestiality) by any human is strictly forbidden.
- 7) Any *sexual* activity performed by ones closely related within the same family line (Incest). For example: brother and sister, father and daughter, uncle and niece, aunt and nephew, cousin and cousin, mother and son, grandfather and granddaughter is strictly forbidden.
- 8) Any *sexual* activity performed by any (male or female) adult upon or with any child is strictly forbidden. Prostitution--the act of offering oneself, man or woman, to another for sexual relations in exchange FOR PAYMENT of same--is strictly forbidden.
- 9) Any **Sadistic** or **Masochistic** *sexual* practices performed by anyone or ones upon self or others are strictly forbidden. **Sadistic**: "1. A tendency to take delight in being cruel." **Masochistic**: "1. A condition in which sexual gratification depends largely on undergoing physical pain or humiliation. 2. A tendency to derive pleasure from one's own suffering."
- 10) Any **voyeuristic** (one who is sexually gratified by looking at sexual objects or acts) activity or **any participation** in pornographic (sexually explicit and obscene) materials, ie., movies, magazines, books, "artwork" and objects is strictly forbidden.

Please understand that it is this PREOCCUPATION with behavior of lustful and lascivious physical pleasure that YOU must each CHOOSE to avoid and rise above spiritually. The corruption and preoccupation with sexual thoughts, words and actions has become hypnotizingly OBSESSIVE and also terribly degrading to THE SPIRIT OF LIFE OF THE ONE! THIS IS NOT LOVE BY ANY DEFINITION. Can you not see this TRUTH before you and within you? Your sexual obsession MUST STOP if you are to reach beyond your mortal body and into THE KINGDOM OF GOD!

Many of you, by now, are probably wondering about the act of masturbation: "Stimulation of sexual organs by oneself." First RE-read the above paragraph. Masturbation is a self-pleasure *sexual* act upon SELF AND it is also what most of you couples are doing when you have "sex" together and call it "making love". The only difference is that it is the "sharing" of MUTUAL Masturbation with your partner. Mutual Masturbation IS NOT DIVINE SEXUAL UNION FOR CELEBRATING PROCREATION. When one is an "adult" and does not wish to have children, the seeking of sexual pleasure by self or with another is a transgression upon self simply BECAUSE YOU ARE DENYING AND LIMITING YOUR SPIRITUAL CREATIVE POTENTIAL WITHIN.

The sexual desire, in this time on your place of extreme sexual preoccupation, begins for many youngsters at puberty. Man) will have sexual release or dreams while they

sleep. With the CAREFUL and LOVING guidance of the parents well before and during this time, the child will not be frightened of the changes in his/her body and will most likely occasionally indulge in masturbation for either curious exploration or release of the physical body. Moderate or occasional masturbation done in privacy by any, either child or adult, is not harmful to or AGAINST life UNTIL it becomes an obsessive pre-occupation. Also masturbation can be a means of self-punishment and this is most harmful to THE SPIRIT OF GOD WITHIN. Remember this parents, it can also become very harmful to a child if through his "training", he is taught to fear or despise his genitalia, or be made to feel guilt for self-sexual exploration or masturbation. He must learn about his personal responsibility and must understand ALL THE LAWS OF GOD including those governing pro-creation. But if you make the child feel fearful shameful or guilty about his own personal sexual exploration, you may actually be creating for him OBSESSIVE PRE-OCCUPATION with sexuality. If the child is not exposed to constant "sexually stimulating" media, he will quickly lose interest after initial self-exploration IF HIS CREATIVE potential is encouraged, nurtured and supported by HIS PARENTS and TEACHERS. The more spiritually aware children and adults will either not have much interest in, or gradually lose interest in sexual exploration of any kind. It is much healthier for the spirit if this process of becoming detached from sexual feelings is natural and BY choice because of true spiritual UNDERSTANDING and awareness.

What you ones have labeled "sexual energy" or "libido" is actually a corruption of the creative and nurturing potential of The Spirit of GOD within YOU. LET US REPEAT THIS: YOUR "SEXUAL ENERGY/UBIDO" IS ACTUALLY A CORRUPTION OF THE CREATIVE AND NURTURING POTENTIAL OF THE SPIRIT OF GOD WITHIN YOU! Let us see how your *Funk & Wagnals Dictionary* defines **Libido**: "1. Sexual desire or impulse. 2. **The instinctual craving or drive behind all human activities.**" Did you read that clearly, friends? INSTINCTUAL CRAVING OR DRIVE BEHIND ALL HUMAN ACTIVITIES! The catch is, precious ones, **SEX is not** the INSTINCTUAL craving or drive that was created by GOD, **THIS** was your CREATIVE, nurturing drive TO KNOW and CELEBRATE GOD WITHIN YOU, TO CO-CREATE THE EVER-UNFOLDING EXPANSION AND ADVENTURE OF LIFE! The truly loving DIVINE UNION, that of male/female experiencing their creative potential through the sexual act for PROCREATION, was created to be a UNION OF DIVINE LOVING DEVOTION and CELEBRATION OF THE GIFTS OF ONENESS SHARED ... AND OF NEW LIFE CREATED FROM GOD. Rarely do ones feel TRUE LOVE, caring friendship, affection and intimacy toward their mates on your plane. Most have simply forgotten what LOVE is. You think perhaps you and your mate are one of the "rare" exceptions? Here is a test for you. How long would your marriage and commitment last if today you completely STOPPED all sexual activity with one another? Think about this carefully. Do you truly give of yourself to your mate sexually and otherwise because you wish to please them?

To please both of you?

To please yourself? You ones think your sexual orgasm is ecstasy? YOU EVEN LIMIT ECSTASY!

You see, you are not your desires, you are not your emotions. YOU are THE SPIRIT of LIFE of GOD, and your spirit IS the MASTER over your desires and emotions. Don't you see that you have simply chosen, in your illusion of ignorance and confusion, TO MAKE your emotions and desires the MASTER over your SPIRIT ... YOUR GODNESS?!?

This corruption of your creative potential WAS CREATED, CONDITIONED AND MOLDED BY THE ANTI-CHRIST. YOU SIMPLY BOUGHT THE LIE AS TRUTH AND HAVE BECOME ADDICTED TO YOUR DESIRE FOR "SEX". You don't believe your "sexual" desire is created? Look around you today. Your Advertising Media as well as your Magazines, Television and Movies ARE CREATING YOUR DESIRES FOR YOU by conditioning and molding you through false "IMAGES" of what is beauty, what is "sex appeal"--in other words, by directing your attention constantly to "how" you look physically, your athletic prowess, your sex appeal and attractiveness. Why does and has this "desire"-creating worked? Because the Anti-Christ first molds the "false images" and then plays upon your FEAR of being too unattractive, unworthy, unpopular and simply rejected BY OTHERS who YOU allow TO JUDGE YOU AS A HUMAN BEING! The ANTI-Christ keeps you BOUND by the "false" promises created by your desire TO BE WORTHY of LIFE so you are too busy trying to fit the "false" mold and therefore do not develop your creative spiritual potential within! How dare YOU feel UNWORTHY because of believing the nonsense of false "IMAGES"! PLEASE REMEMBER THIS TRUTH! YOU ARE GOD'S TEMPLE!

Advertisers are always selling "their image" of what you ones call "romance" and you are encouraged to think it means passionate "sexual" fulfillment. Your dictionary describes **romance** as: "1. A love affair. 2. A kind of love between the sexes. characterized by high ideals of devotion, and strong ardor. 3. Adventurous. heroic, or exotic nature: romance of far away places." When you crave romance, whether you know it or not, it does not mean "sexual" affair, dear ones, it means LOVE AFFAIR, you are craving to experience within you GOD'S LOVE OF LIFE, **you crave to feel "ALIVE"**, ie., warm and intense feelings, eagerness and zeal. WHY? Because you are bored and spiritually unfilled with the self-created "limits" of your life. (Limits which the "controlled" media has set you up for in the first place.) You are out of balance and you are seeking to ignite your CREATIVE POTENTIAL WITHIN. ROMANCE is the promise of ADVENTURE and JOY for experiencing THE SPIRIT OF LIFE, OF GOD, within you. You see, ROMANCE is not sexual adventure or a place to go; it is your desire to feel and KNOW GOD within you. You can experience romance through the sharing of devoted and adventurous LOVE of LIFE with your mate. Regardless of what your media "hype" tells you, remember this, your desire for romance is your desire for CHANGE from a limited and spiritually unfulfilling existence, to recognizing and EXPERIENCING your UNLIMITED Creative Spiritual Potential **within**.

The next time you have a "sexual" urge, look around you, what have you been watching, reading or participating in which created this desire? Men, when you see a physically beautiful woman, is your **FIRST thought admiration and appreciation of this GIFT of loveliness and do you wonder about the loveliness and beauty of HER SPIRIT?** **OR**, instead, do you first wonder about the pleasure you would receive if you could have "sexual union" with her? And the same holds true for you women who call yourselves "liberated" which usually first means, "sexually" liberated and same equal "rights" as men to have many "casual" sexual encounters.

Recognize that this "sexual urge" is really your UNFULFILLED creative potential screaming to be released from the self-imposed "limit" or boundary of THE physical sexual ACT. Act: "1. To play the part of; impersonate. 2. To serve temporarily or as a substitute. To PRETEND." The sexual act is limiting, substituting and impersonating YOUR CREATIVE AND SPIRITUAL UNFOLDMENT TO KNOW GOD. When you truly understand and recognize this truth, your creative spiritual unfoldment can no longer BE FRUSTRATED AND LIMITED to the repetition of a silly and truly spiritually unfulfilling "sexual act".

Does this mean you are expected, by self and GOD, to STOP all sexual activity NOW? ONLY if it is YOUR choice made with the JOY of TRULY understanding and thus having the freedom of detachment from this "ADDICTION" and no desire to procreate. For most of you, especially adults, "sexual behavior" has now become addictive, so you must treat it as such. Remove as much of the "temptation" from your presence as possible, just as the alcoholic must remove himself from "bars" and must remove the alcohol from his home. Be gentle with self, carefully abide by the list of TEN items above which are "STRICTLY FORBIDDEN" *sexual* behaviors (including Adultery). If you are single or married and have addiction to the "sexual act", use occasional masturbation as the lesser of the evils "if you must". If you are happily married and both have "enjoyed" your addiction to the monogamous mutual masturbation of your sexual act, **both partners** will need to become detached for the addiction to be gone.

So be gentle with self and your mate, but be aware and responsible to "consequences" (such as pregnancy) and persistent in your goal (to self) to release and detach from ALL things of Physical Manifestation. Simply RECOGNIZE without punishing self with guilt and shame that this is a transgression against the Creative spirit of life within you. For a time accept that you will have desire because you are "addicted" and many of you understand it as an "extension" of your love. Do not punish self or other, let the "desire" dissolve naturally within each partner. As you begin the unfoldment and adventure of discovering YOUR creative spiritual potential, you will be surprised because at some point you will find that the "sexual act" is no longer appealing to either of you. You will be detached and no longer have interest in it!

15. Conclusions

We human beings are NOT our physical bodies, as

commonly believed. We are mental beings living in cosmic vacuum tube of invisibility and projecting our creative desires from that vacuum condition. We, as holographic parts of the Creator are equal to the Creator – omnipresent, omniscient and omnipotent beings.

We, as individual units of Creation, are POINTS OF DESIRE in the zero universe of Mind. Around that centering point, which is our Soul, we create a record of our desires, which are our dual-bodies, in a wave-field measured out for us in the stillness of the unchanging zero universe. Thus our bodies become that which we think. **The measure of our wave-field is the measure of the intensity of our desires. The pattern of the bodies we create in it is a record of our desires. Our bodies are the record of the sum total of the desires we have expressed in the millions of years of our unfolding.**

God Aton, the Creator, is POWER. There is no other power. **ALL ENERGY LIES WITHIN THE STILLNESS OF THE ONE MAGNETIC LIGHT OF GOD! Desire in the Light of Mind IS the power quality of Mind. Desire IS the soul of Mind, the will of Mind. ALL PRODUCT OF GOD ATON OR MAN IS THE RESULT OF DESIRE OF MIND TO CREATE PRODUCT.**

MIND IS LIGHT AT REST. Desire of Mind is expressed through waves of light in Motion. The expression of power in waves is not power.

GOD ATON IS THE FULCRUM OF MAN, AND OF THE UNIVERSE.

The senses are limited to the perception of but one of these negations at a time, and then only in small fractions of whole cycles. If the senses could record the whole of each cycle both ways, they would record stillness, not motion, for every action would be voided by its oppositely flowing reaction.

Desire in the One Light of Mind is positive. Its expression in the two lights of opposed motion is negative. Every expression of power in Nature is negated by its opposite expression.

Sex is the division of a balanced equilibrium condition into two equally unbalanced conditions which negate each other periodically for the purpose of repeating the two unbalanced conditions.

Sex is the Creative principle. It is the dual desire force in Mind for expressing its One Idea. Without a division of the one unconditioned Light into two seemingly conditioned lights, Creation could not be.

Sex is not a thing, it is condition of a thing!

The entire universe, which is God's dual body, consists solely of male and female bodies which unite to live and to create ACTION and divide to REST and be reborn again into life. *A balanced UNITY is possible only where interchange between the mate-pairs of every transaction of man, or Nature, is equal and rhythmic.* That is how universe

and life evolves and growths.

The essence of God Aton's Love Principle is **Rhythmic Balanced Interchange**, or **equal giving and regiving**, so that there is NO rest which would cause imbalance.

This current time era (age) which begun on August 17th 1987, is marking an epochal advancement in Man's evolution toward his goal of omniscience and omnipotence. Man becomes a higher being with greater power as he acquires knowledge. In knowledge alone lies power. Only through knowledge can Man become co-creator with God Aton. **Knowledge can be obtained by Man only through awareness of the Spirit within him.**

No Man can hurt another Man without condemning himself to greater hurt.

Fear dominates the world of today. While fear is in the world, love cannot also be. Love can never dominate the world until Man ceases to live a primarily sensed existence and knows the Light of the Spirit within him.

Man's whole reason for being is to gradually pass through his millions of years of physical sensing into his ultimate goal of spiritual knowing.

Consciousness is the recognition of that which the being is experiencing at the moment - therefore, CONSCIOUSNESS is God Aton but of the physical recognition.

The essence and nature of human consciousness is GOODNESS.

THE GREATEST SOCIAL VALUE AMONG CONSCIOUS BEINGS IS OBJECTIVE LAW AND JUSTICE.

Everybody knows that man has free will to perform any action he chooses. It can be a good action or a bad one. That action is his limitation, however. **NATURE** holds the right to the reaction. In other words, **GOD ALWAYS HAS THE LAST WORD.**

Whatever we start doing must inevitably come to its end in US.

This is God's universe and anyone who does not obey God's laws of creation is punishing her/himself by erasing her/his DNA pattern forever so that these anti-life, anti-God and anti-Christ creations can never more be embodied. God is Creator and He can de-create everything what does not conform with His laws of Creation.

Does God erase their DNA patterns, actually? No, but their ignorance of God's laws of Creation and their violation of the God's basic sex principle of creation does it.

Author Profile

I was born on August 6, 1950 in Grab, Montenegro (former Yugoslavia).

1982 – Acquired my PhD in the field of atomic and plasma physics, at the same Faculty, under the title: "Regularities and Systematic trends of Stark Width and Shift Parameters of Spectral Lines in Plasmas".

1985 -1987 Spent two years as fellow of the Alexander von Humboldt Foundation from Bonn (Germany) at the University Düsseldorf developing plasma UV-spectroscopy at the tokamak UNITOR and performing measurements of the plasma instabilities in the scrape-off layer at the tokamak TEXTOR in Jullich (Germany).

1987 – 1991 Worked as the guest scientist at the Max-Planck-Institute for Plasma Physics in Garching by Munich (Germany) performing measurements of the magnetic field configuration at the stellarator W7AS as well as the measurements of the limiter heat load.

1991 – 2000 Was working in the Institute of Physics in Zemun (Serbia) on investigations of the plasma force-free configurations and in **1995 I acquired the Research Professor degree.**

2000 – At the end of 2000 I chose to leave the Institute of Physics and went on my own way to discover and learn the God Aton's principles and laws of creation.

After 18 years of the progression toward that sacred goal, I finally succeeded and now I know many of the God Aton's creational principles and laws (unknown until now) and can apply them for the simple and efficient creations which make the basis for a new life quality on this planet.

I am a pioneer, creating with a New Conscious Energy and building a new civilization without electricity.

I've developed the TESLA RADIATION BALANCER – the genuine product in form of a self-adhesive sticker certified by the Hado Life Institute of Dr. Masaru Emoto which 100% balances radiation from any device, if attached to it, protecting the human body and environment from its harmful effects and eliminating with time the damages already caused by the radiation. It can be successfully applied to: cell phones, computers, laptops, microwave ovens, cordless phones, tablets, wireless monitors, Wi-Fi routers, TV-sets, Radios, and any other source of radiation.

Thanks to the consistent pursuit of my Leitmotif “The Authority of Truth rather than the Truth of Authority” I have experimentally proved the true atom, cell and particle “ATON” concept. According to the “ATON” concept, atoms, cells and particles are made of light which are spinning around the centering Mind (Spirit) points (the black holes). Nature expresses energy as electric potential in only one way, which is the same way both for the atomic and for the stellar scale: by projecting mentally the rings of visible light which are spinning around the centering Spirit points. This amazing beauty of creational simplicity is the basic fundamental truth of a new science that is based on the knowledge of the cause.

I wrote two books: “GOD ATON IN THE ATOM” and “DODECA 101 LOVE ENERGY” which are available on my website.

I use to practice sport very gladly and am a unique tennis coach.
