

Fear and Lie are the most Deadly Viruses Ever - They Cause All Other Viruses

Ilija Lakicevic

MarslaTita 91/12, 21460 Vrbas, Serbia

Abstract: *All viruses are imbalanced energies which seek resolution – they are crystalline structures which cannot be killed but transmuted into something else. Almost all viruses on this planet are man-made – they are caused by fear and lie and turned into deadly biological weapons. Fear is opposite pole of love and lie is opposite pole of truth. Love and truth are real whereas fear and lie are illusion. Love and truth are remedies for fear and lie. The trap of fear was set for you from the beginning. Fear and lie are the powerful satanic tools to control and manipulate the masses. Fear not, because the White Light of Christ cannot be penetrated by the thrust of evil, no matter who or how many project the slings and arrows to stop the WORD.*

Keywords: virus, fear, lie, Christ Light, 5gbioshield

1. Introduction

If you bombard a crystal container with a specific sound wave (tone) it will shatter from the pulse vibration impact. Now, if you are holding that lovely wine goblet in your hand at the time it shatters, the glass may cut your fingers but *the sound wave will do nothing to your hand.*

VIRUSES ARE CRYSTALLINE STRUCTURES AND THEY WILL RESPOND TO SPECIFIC SOUND FREQUENCY EXACTLY AS THAT GOBLET. THEY WILL EXPLODE. NOW IS THAT NOT QUITE QUIET? PERHAPS YOU CAN "SING THEM TO DEATH". THAT MAY BE BIT SIMPLISTIC BUT NOT BY VERY MUCH - YOU ARE NEVER GOING TO GET THEM ALL IN ANY OTHER MANNER!

Antoine Priore and Royal Rife were able to cure any virus and any other disease with specific frequencies and have made great advancement in science and medicine – that's why they were not allowed. These ones made great leaps and bounds into science but they did not find the "TRUTH" of it and therefore the "frequency boxes" cannot work to perfection but only through the **centering KNOWING WITHIN MIND OF CAPABILITY**. Yes, they served and served well and were onto the correct assumptions; however, let it be known that what happens that viruses are killed in the electron microscopes is due to the principle of transmutation. **Viruses are but crystalline structures** and therefore if one portion of the whole is changed (too much fever) you have changed the entity - not necessarily "killed" it. **THERE IS NO SUCH THING AS DEATH - REMEMBER?**

DEATH BEGINS IN THE COLON!

THE IMMUNE SYSTEM is bowel movements, the elimination of waste from the body!

The "symptoms" of any virus are the same as Radiation Poisoning: as the immune system becomes compromised, the very first ailment is what kills. A virus does not kill directly. The immune system has never seen this. Most of us have a robust immune system, but for those who don't, their

immune system will overreact to the virus. We might say that the immune system is what is killing the Human Beings, not the virus. **The virus will take the dysfunction of the body to a certain level, and then the immune system, which has never seen this before, will completely overreact and cause quick death.**

2. The Time of Truth – after Two Thousand Years

The time point since which the quality of time has been changed on our beloved planet Earth, is been counting since two thousand years, when came the one who was announced as Prince of Peace and Lord of Love, God Aton's Love – Esu Immanuel (aka Jesus Christ).

Instead to follow Jesus Christ and his teaching, our civilization, our collective consciousness decided to follow Man and one vibrational type of energy whose unavoidable effects are battle, poverty and hunger. But, after two millennia of suffering and stumbling, guided mainly with a religious doctrine of sin and belief that Jesus came to save us from sin, our civilization, together with planet where is been habitating, took a resolute step toward a process of transformation of that Old Vibrational Energy of battle, suffering, disease, death and hunger, into a New Expansional Energy of harmonization, balance and love, where all this old will be no longer existing. Symbolically, from the age of darkness, we are entering into the age of Light, the Age of New Consciousness, and unavoidable, like darkness disappears when we switch on the light, on our planet darkness is disappearing and Light is appearing in all segments of existence. **Light is Truth and all currently valid doctrines and concepts of this civilization will be replaced with higher truths.** That is unavoidable effect of expansion of the collective consciousness and this process is accelerating, and that trend of acceleration will be continuing to shifting of the burdens of a possible there where humans have no little thought that it is possible [1-24].

Figure 1: Cosmic brain versus human brain

Let me offer here a short explanation of the core of the old energy type and make a comparison with a new one without a lot of details. Consciousness of the Earth, Gaia, and consciousness of Man are in direct relation – everything what is valid for human consciousness is also valid for the Earth's consciousness – and last two millennia they were connected with this old vibrational paradigm. Unavoidable effect of that type of connection is **that every shift on this planet that had to have a change of consciousness vibrations, required UNAVOIDABLE some kind of physical event on the planet, some challenge of a type of big catastrophes and massive death.** Such big challenges are wars, great earthquakes, volcanoes, and they were causing all over the planet compassion with human struggle and massive death. It is little known that in the old energetic paradigm human consciousness had been changing reality through mechanism creating across the planet of that divine feeling – compassion – that only human is possessing, no one other being in cosmos. For example, Tsunami was so strong that it has changed rotation of the Earth's core (what is not known yet), and caused really great shift in consciousness. And so it is in old energy.

At the end of the last century it has “happened” the shift of the electric axe of the Earth for 6 degrees on east and since then is happening permanent decrease of the intensity of the electric Earth's field. Since the electric Earth's field is the veil between four-dimensional, 4D realities – three space dimensions and linear time – and inter-dimensional realities, which are more real than the 4D realities, the door is open for connection of those realities and incredible New Energy potentials are created. The process of consciousness expansion came to the point where there is no more necessity for a challenge of a type of great catastrophes and massive deaths in order to cause a great consciousness shift.

3. People of the Lie: The Kingdom of Heaven on Earth

One more time I feel compelled to write Truth to our most needy world. This subject has been at the front of many people's thoughts and discussions these past months, as it has been highlighted by various speakers, writers and so-called spiritual Gurus.

When asked what they mean by the Kingdom of Heaven on Earth, they describe a time soon to come of a thousand years of peace. There will be abundance for everyone. There will be no more war, no disease, no poverty, no hunger, no

homelessness and no crime. The new technologies released will be used to remove nuclear radiation, clean up our oceans, our air, our soil, provide food, clothing and health, all to create our Heaven on Earth.

Of course, money is the central focus, as the means to get this process of change to **Goodness** started. With money anything can be done. So, for years many people have ridden the roller coaster of the money is coming, no it's been stopped, yes, no, yes, no - and thirty years have passed! Many spiritual Guru's have come and gone, and some continue the story of hope for a new world.

Where did this idea of a Heaven on Earth begin? It is found in the doctrine of Judaism hundreds of years past. The claim was that the Jews were God's chosen people, who would establish a Kingdom to rule the earth from their promised land of Palestine. Their Messiah would come and reign for over a thousand years of peace. At the time of Esu Immanuel (aka Jesus) 2000 years ago, the early Christian church incorporated this idea of Heaven on Earth into their doctrine, which was included in the Cannon (Bible) produced at the Council of Nicea in 323-325 AD.

The Jewish Pharisees kept from the Gentles the fact that their God Jehovah was Satan, who would establish his Kingdom on Earth at the “end of the age” for a thousand years. Truly, the Zionists under the command of Satan have conquered our planet and have held the Gentle goyim (cattle) captive for the past ten centuries.

It is important to note that the Pharisees are the Talmudic Jews, whose bible is the Talmud, and who have been here for a very long time. The Saul/Paul of Esu Immanuel's day was a Pharisee, whose orders were to destroy Esu Immanuel and his followers, both for the Truth they taught and for their resistance to the present evil Roman governmental control over them. Saul hunted down many early Christians and killed them.

The story goes that on his way to kill the Christians in Damascus, Saul was confronted by Esu Immanuel and had a conversion experience. Saul changed his name to Paul, became a missionary and traveled widely spreading “Christianity” everywhere. The Truth is Saul/Paul did not have the Truth of the teachings of Esu Immanuel, and was used by the Pharisee God Satan to fool the people. Saul/Paul changed Esu's name to Jesus, denoting divinity or Son of God. He taught that Jesus, (God) died, as a propitiation or ransom for the sins of the people. This lie ran contrary to the Cosmic Law of Cause and Effect, which Esu taught - “you shall reap what you sow”. You are held responsible and accountable for whatever you do. No one can “save” you! The lie continued that upon Jesus' return, all believers in this lie would be swept up to some heaven and live happily ever after.

Esu Immanuel has said that Saul/Paul was his greatest enemy, because he distorted the Truth, and through his many writings (Pauline Epistles) now recorded in the Bible, has led billions of people astray through a false religion called Christianity. The point to be made is that the Pharisees from

very early times under the direction of their god Satan, the King of Liars, through their lies have led the people of our world down the path of destruction and death. The Zionist Talmudic Jews (Pharisees) control our world today in every way, and they have led the people, and especially the Christians, to believe in a 3D Kingdom of Heaven on Earth.

If this is to be established here and now, how is it possible? If it is to be one of Goodness, how do we rid ourselves of evil? How do we remove selfishness and greed and lies and deceit and Ego thirst for power and control? How do we change the human heart? It is probable that we could establish such a Kingdom of Heaven for a year let alone for a thousand years? Can we do it with money? Can we build, buy and give with money to the point where everyone has enough of everything and will be satisfied for a thousand years? Would everyone then be good and happy and peaceful and content, guaranteed? Could we achieve Utopia, our Nirvana? Would/could the freewill choices of people be brought into such harmony?

Esu Immanuel taught his disciples of the Kingdom of Heaven to come on Earth Shan, but it was not to be established until our planet had made her transition into the fifth dimension frequencies, where no evil is allowed. The problem is that few people today believe this, and few believe the Truth presented by Creator God Aton of Light in the Phoenix Journals. It is not possible that God would present Truth in some non-descript paper-back publications, much less via Internet electronic format, they think.

Yes, there shall be a Kingdom of Heaven established once again on Earth Shan, but not in our third dimension, as the spiritual Gurus claim. It shall be possible only in the fifth dimension frequencies, and only after Shan has graduated to that level. This does not mean that we should do nothing to make things better here and now. What we do to help our dying planet and her people is credited to our soul growth. And, yes, Shan is dying. Esu Immanuel had said that our planet is presently beyond reclamation by us, and she can only save herself by moving into her Cosmic cycle of cleansing by total and dramatic earth changes. The salt water of her oceans shall once again cleanse her land and atmosphere for three thousand years. All of 3D shall be swept away, along with the Pharisees, the Zionists, the Talmudic Jews, the "born again" Christians, the spiritual Gurus with their nonsense, and all others, who have not lived the Laws of God and Creation. Only then shall Heaven's Kingdom of Goodness be created anew on Shan.

Indeed, we are People of the Lie!

4. Fear is a tool for control and manipulation of the not-knowing people – FEAR NOT!

Each of you and together FEAR for yourselves, our civilization, our own society, our nation, our world of nations, our planet... No, sisters and brothers, concern over the direction of self, act within the LAWS OF GOD in EVERY action taken, KNOW THE WAY and act upon that KNOWING - and there shall be RADIANCE! FEAR is also

a lack of FAITH. FEAR IS A LACK OF LOVE - LOVE IS GOD - SO IF YOU BUT HAVE FAITH WITHIN THE TRUTH OF WHAT IS, AND NOT THE LIE, YOU WILL COME TO BALANCE WITH THE IMPATIENCE OF THE HUMAN. God will show the way to transformation; you need not the lessons of the gurus as to "how" to ascend. How many have YOU seen ascend?? Leave go of it - TRUTH IN GOD GUARANTEES THE PASSAGE!

As long as an enemy can be provided for you to folly against, the people can be controlled and directed. **Whether or not that "enemy" is real or imagined (manufactured), one is always used to gain control of the people through fear.** The unknown is what your adversary uses to hook you in. By keeping you ignorant of the very nature of reality itself, all the people can be fooled all of the time! God Aton keeps repeating: **"My People Are Destroyed From Lack Of Knowledge."** Jesus tried to tell that. Lucifer is the Prince of Deception; he deserves the title - believe me!

Sumeria, in today's Iraq, is where those Ancient Sumerian Texts and Copper Scrolls were found that tell the history of the creation of Earth - and the creation of Earth man. Iraq has been bombed to keep the facts of the matter secret from the world citizenry. Jesus Sananda is of these peoples, and the Holy Bible stories that the Hebrew Judeans (The true "Jews" - not to be confused with Khazar J.E.W.) speak of, particularly Genesis and the Great Flood, etc., were "borrowed" and claimed as coming from Hebrew prophets, when in fact, these are Sumerian Prophets. The control of the facts of HIStory is the most dangerous adversary to humanity as a whole. Learn that which has been purposely kept from the masses; and therein will lay the means of your salvation, as well as the reclamation of our planet from evil.

Get rid of the fear. You have nothing to fear. Each of us is an immortal, timeless being who has an infinite future in a glorious universe that's so filled with beauty and light that we on this little tiny planet couldn't begin to grasp. **Indeed, fear is a powerful satanic tool to control the masses; however, we must allow knowledge of what is happening to us to get rid of the fear. Not knowing who is doing this to us creates the fear. Lies about our real enemy make it even worse! Hope comes from seeing a way out through a plan of ACTION - BASED ON WHAT WE KNOW. IF WE DO NOT KNOW WHAT IS WRONG, WE CERTAINLY CANNOT HOPE TO, HAPHAZARDLY, FIND THE REMEDY.**

Don't be afraid, for God Aton's sake! Gather around you those you love. Spread that love around and go into tomorrow with courage because you've been through a hell of a lot worse before. **Actually, this one is the big graduation. Being that a major cycle change is also here, the planet itself is on the brink of total annihilation BY MAN AND HIS TINKER TOYS OF MASS DESTRUCTION. So of course, The HOSTS OF HEAVEN / SPACE ARE HERE FOR THE ENDING OF THIS SEGMENT OF THE PLAY OF HUMANITY! Do not be fooled by Lucifer's tricks and lies against our Space Brothers of the Star Tribes! The "Devil" will have us**

going to war against God Aton, precious friends; that is what evil is!

We have to know that the plan to scare us into submission is a very old one. The so-called "bogyman" is the proto-type for Satan's favorite weapon/tool: FEAR. Once we are put into a position of fear -particularly of that which is considered "the unknown" - the adversary has us.

So, the thrust from this source is to give us knowledge to replace the fear and the lies with fact. Freedom from the Zionist Khazar "Jews" can happen no other way!

There always has to be the First, for God Aton never comes without sending/bringing those who are to prepare "The Way". The majesty of A Second Coming of The Christ Being is without words and without measure. Man in the masses will not know who is who and what is what. Therefore, the Angels - the Messengers - must prepare for the Lift Off and the welcoming of the Pilots of the Craft. Rapture is not going to be like the people of Earth Shan have been told. The lies of the Jews run very, very deep. It will not be easy to awaken all the people, but that is not our job - just those who wish, with proper intent, to follow God Aton and His Laws, and follow the Laws of the Creation.

God's workers on the ground are in direct CONFRONTATION with the evil empire of Satanists and Jews. We are the lightning rod that is the focus of Lucifer's attacks. **Fear not**, however, because the *White Light of Christ* cannot be penetrated by the thrust of evil, no matter who or how many project the slings and arrows to stop the WORD. Now is when our work is going to be valued THE MOST, for ones are beginning to see.

5. Love and fear cannot coexist – root your life in love!

The potential of this universe is limitless. Her revelations of potential are infinite beyond number. But there are no star wars or advanced and fearsome civilizations beyond our own; because if civilizations are fearsome, they do not advance beyond our own. They simply become extinct to rise up in the soils of another world, a little wiser, until they learn.

My task is to help you remove the blinders that historically have distorted your perception. **Realize that what you feel in your heart determines what you see.** Perception rides upon the expressions of the heart like a canoe rides upon the river. When your heart expresses fear in any of its turbulent forms, your understanding becomes jumbled, confused, you perceive through the waves of illusion. **But when you love, you understand, for then you share the vision, the very perception of God Aton.**

You are going to have to return, like the salmon, to the place of your origin. You must begin to birth your moments of **experience only in love.** You can root your life in fear and know the predictability of granite, the strength of marble and what security there is in limestone's patient changing. Or

you can root your life in love and join us in helping to ease the human world through awesome changes of these times.

What is called by the native Indians „the Great Day of Purification“ has begun. This is a rather short but most essential cycle of division that will gather those who promote fear and violence and separate them from this season of the world as chaff is separated from wheat at threshing.

During these current decades, say two plus five years or so, humankind will experience this separation which is now well underway. This will be a transformation in human consciousness more fundamental than the development of language, more significant than the shift to agriculture, more meaningful than any historical revolution.

Consider it as you would perceive a dawn. As the sun rises, the shadows become sharper and more clearly defined. As the energies of Love grow stronger, the shadows of fear become more visible than before. To some it may even appear that they have grown in number and in strength, but this is not so. What was hidden has simply become revealed - that it might be healed and brought to peace.

Action born from fear is becoming less effective with each passing day. Institutions, traditions and societies forged in fear have already begun to falter. Change is occurring everywhere, for as the planetary awakening proceeds, the consciousness, that determines the quality and nature of life, is changing itself. Further, once man knows truth he cannot again return to unknowing. He may well turn away but he will never return to the state of innocent ignorance.

Amidst all these changes, more and more people are again turning to God Aton for guidance and direction. Unfortunately they go first to ones of Earth who reinforce the lies, first. However, as ones begin to seek more deeply in the quest for inner knowledge they finally come into truth. They are coming to dwell in the place of their own inner spirits and to recognize their spirits as expressions of the God Aton they seek from outside selves. God Aton asks only to be trusted in the human heart. He seeks no temples of stone or gold inlays - only the silent, loving comfort of His own temple within. That is when the awakening takes place. The Creator asks not to be worshipped in an external image, but to be acknowledged in each human being.

6. Scientific explanation

We have been told that ignorance of The Laws is suitable reason for God Aton's understanding. However, refusal to learn when information is present to overcome ignorance is "excuse" and is not acceptable - for God Aton is sending/bringing Truth and Man is expected to do his CHOOSING well. And, no, it is not alright to just turn back "part way" and continue in other breaking of Laws

intentionally, and yes, if we stand by and "allow" stoning of our brothers who bring that word, by those who set themselves up as Truthbearers but are false, we are as guilty of the stoning as are they. We may denounce the words we bring until the bitter ending and it will make not one iota of difference in the Truth herein. But the children shall be gathered unto the shepherd for they are unknowing and without blemish.

Not one action of motion man or Nature - in all the universe - can escape from the absolute centering of its action by the Controller of all action. Anything, or any man who tries to escape from it, or use his "free will power" to do as he chooses, may exercise that privilege, even unto destroying himself by so doing. He will not escape, however, from the perpetual control of his universal energy Source. No matter what he does, to upset the universal balance, he will find that the Creator of Creation always centers him, and his own unbalanced orbit is still on center with his unbalance, and is perpetually in a plane of 90 degrees from the shaft upon which its circling turn.

Figure 2: Every thought and action in this universe is centered by its energy Source, which controls its actions and thoughts from within and balance then from without by two extensions of that center. These extended poles are the ends of gravity shafts around which all masses rotate under true circular control. A - represents a spinning top, B - the earth, C - a wheel with a shaft off center, D - a seesaw. See text.

Consider a top, for example, which is spinning true upon the planet's axis of gravity. See Fig. 2-A. All motion around that axis is in true circles, and in planes of 90 degrees from that axis. The time comes when the top can no longer spin fast enough to keep its spinning's centered by the earth's axis. As it slows its speed its axis inclines. Every turn of the top still spins true to the now wobbling axis. That wobbling axis is compelled to revolve around its Source of balance, however,

and in doing so it inscribes true circles around its gravity Source, and they, likewise, are in planes of 90 degrees from that axis, as illustrated in the diagram A-1 and A-2. Consider the earth's orbit, for another example - see B-1 and B-2. When the earth was where Mercury now is, there was but one common center of gravity, and one equatorial plane for the earth, and for the sun. The earth has now left that position of perfect balance between itself and its source and set up an equator of its own, which is at an angle of 23 degrees from the sun's equator. Its axis has a similar variation to that of its source. It has not escaped God Aton-control, however, for the sun's gravity still controls it by centering a larger circle, which includes its entire wanderings around two centers instead of one. Fig. 2-C illustrates this principle in an off-center flywheel which will turn with uneasy and uncomfortable oscillations if slow enough, but would shake itself to pieces if turned very fast. This example is a good symbol of *our present civilization, which is ever turning faster in its eccentric orbit, and ever approaching its dissolution.*

Man must some day learn that every cell of his body must be in tune with the universal rhythm in order to keep his body in balance, and every thought and action, which controls his body, should be within as close a circular orbit as possible to reach within to the divine Source of all things where omnipotence and omniscience awaits all men. In this way only, and through such knowledge only, can Man know the meaning of that Silent Voice which has tried to reach through his senses for ages upon ages. A continued effort to thus decentrate from concentrated movement to universal stillness, gradually unfolds one's spiritual and intellectual nature. Decentration invites meditation and meditation opens wide the doors for inspiration. Don't be too impatient regarding how to reach through in that meditation for if we can learn to totally relax into communion it will be fine. It requires no special "methods", in fact prescribed "methods" only end up being far more distracting than helpful.

The geniuses of the world are those who have learned to talk with God Aton by transcending their senses and becoming Mind-Beings. In this still very early stage of the unfolding of the Man idea he is very conspicuously body-conscious and but faintly Mind-conscious. God Aton's intent for man is that he should manifest Mind-not body. The signs of the times tell us, that more and more Mind-conscious humans are coming into their fruition stage, but mass-Man is still body and-sensation-conscious. That is why such chaos is spreading over the face of the earth. Culture is dying because sensation shuns culture. A Wagner or Mozart is worth billions, and should be nourished. The Wagner's and Mozart's of today can be found trying to survive by playing in night clubs, or selling vacuum cleaners. We have no pennies to spare for the arts of peace while so many billions of dollars must be spent upon the arts of war, and in extolling those who kill. Man has chosen to upset his own balance by seemingly violating the inviolate. In the battle of civilization for body-supremacy over Mind, it may well be that *the moral, mental and spiritual decline of the last half century* will continue into another degrading Dark Age. Time is naught, however, in Nature, and Man will again

arise through the efforts of the few among the many who are now becoming more and more Mind-conscious.

Scientifically, what is happening to mankind at the present time is that he has chosen to distort his balanced circular orbit around his Creator. His free will, supported by his ignorance of his unavoidable close relationship to God Aton, and his unawareness of his dependence on God Aton, has influenced him to choose transient body-sensation, body-comforts and body-values instead of eternal Mind-values. It is not possible for Man to continue to distort true circular orbits of Man around God Aton, by choosing eccentric orbits or by unbalanced interchange in his human relations. No Man, or nation, is powerful enough for that. Fear is the product of such unbalance. **Neither Man, nor nation, can survive fear. The universe is founded upon love and Man must some day become aware of the meaning of love as related to human survival. And to have love - we must let go of fear.** Our present civilization is hurting itself by building its own agonies and ills. It has become **physically scientific instead of spiritually scientific.** It has no living philosophy to overcome the philosophy of death which is now threatening the world. War has taken forty million lives in forty years, but radioactivity can very easily take four hundred million lives in four hours. This bears some serious contemplation, friends. Worse, this can be done even if war does not occur.

Eighty years ago there was less than three pounds of radium above our earth, yet people are dying today from slow accumulations of that little over the years. Today we are creating over 15,000 tons or more of uranium salts each year which is ever so much more deadly. Not only that, we have some million tons of uranium ore above ground. Who today can tell what the price will be that we must pay for that in human lives and deformed births? Who today can tell the price we shall be forced to pay in the future years if there are future years to be considered, for there are so many other toxins abounding in our place which are almost as deadly as the so-called "nuclear" substances. The concrete containers which house this deadly material and wherever they might be placed become radioactive monsters to raise up and devour us. We cannot know for another decade or more what that price will be if just that loosed in the past, but if the intervening decade multiplies the amount of killer metals, which will be above ground, in the ratio of its present increase, it is quite possible that the doom of the human race is then inevitable without other happenings.

All of the above has been written to show that Man cannot transcend Nature, or violate its tonal rhythms, by attempting to travel outside of the orbit ordained from Him. By so doing he has extended his orbit in the direction of death by expanding his circle to take him farther away from God Aton. Fig. 2 will clarify that for us. Note the orbit of the earth. Its potential was maximum when its orbit was a true circle around its source. An elliptical orbit, and a straying from its plane of balance with the sun, not only widened its circle of control, but unbalanced its relations with its source by dividing its power by perihelion and aphelion positions in its orbit. The orbits of all the planets plainly mark out the road of death, which all dying things must follow. Can it be

that Man prefers to choose such a path, or is it because he just does not know?

How long must it be before mankind will know his universe and his Creator sufficiently well to live in love instead of in fear? **The answer to that is dependent upon the length of time it will still take for Man to know his universe, and to know God Aton who centers it and him. As long as Man chooses to think, or act, out of balance and close control with the Magnetic Light which centers his every cell as well as his Soul-Identity, he but weakens himself by distancing himself from his Source of power. In so doing, however, he does not escape from its absolute control and watchful care over him, no matter what he does to hurt himself.**

All of the examples given in Fig. 2 illustrate the principle of balanced control of all creating things by their Creator. It also illustrates the principle of multiplied power which Man gives to himself by ever drawing the circles of his body in closer circles of balanced relationship with his Maker in order to become a mind-Being primarily, and a body, secondary. The secret power, therefore, for any man, does not lie in his ability to **create** motion. It lies in his ability to knowingly **control** it. **A little knowledge is more powerful than a mammoth cyclotron.**

7. The trap of fear was set for you from the beginning

One day, ALL mankind shall know the Truth which is waiting unfoldment; for all the foolishness, the doubts and fears of mankind will be forever erased from their consciousness.

The consciousness which envelops the earth which has been charged with discord shall become cleansed and purified! No longer shall it weigh upon mankind and cause a pressure greater than that of the atmosphere of earth. It is rapidly being purified and the pressure is being reduced from mankind-you simply cannot yet perceive it for you have long slept in ignorance.

This day I call for the complete release of all "motherhood" of earth, into the full perfection of understanding that what is birthed can come forth in Lighted focus and cease the heinous thrust of negative production of energy. I ask for intense input upon and unto the American people for within their hands they hold the key to keeping the prison door open unto freedom. The slave-master stands at your door and is ready to turn the key which will incarcerate you for a long and miserable sequence of events. **You do not have to experience the negative impact if you choose to not to do so.** You have been given into the lies and acceptance of the doctrines which were raised forth and presented by physical Man for his own greed and power desires. You have had the wondrous ending of the play removed from your understanding so that you would march to the drum of the lie.

Our mission is great at this time for it appears that God Aton has been all but banished from the presence of the masses of

human forms. But you cannot expatriate God Aton for HE IS! He is the Light and the Light is ALL. We of the Hosts and Cohans have accepted this mission and this full glorified activity that all may feel of its Mighty Presence within selves; and in the glory of this Great Cosmic Light all shall be made Perfect! May all enter in and be the fulfilling of the Law. Would it not be wondrous if all brothers would return unto Truth that there might again be true Freedom?

In the full understanding of your Presence, remember: *only through your attention is everything made possible for you.* Without your attention upon a given thing - your focus of light wave intent - you cannot know its activity. Thus, your attention becomes the first focal point for the Power of your Presence to come through and fulfill every requirement. Through it must come all that your heart craves, all that you wish to have made manifest. Remember: where your attention rests, there flows your experience. I say to you that.

8. Message from Sananda (aka Jesus)

"It is possible to easily discern intent and meaning from my experience as Emmanuel of Nazareth. For the end of the world will bring not nothingness but the Kingdom of Heaven - for you are long from the time of "voidance". The Kingdom of Heaven: this signifies the era in which God alone will govern. Inevitably it will come, not through any human acts but solely through divine action. The world has become a matter of indifference, because the Kingdom of Heaven is coming in all its glory - one way or another. It simply behooves you to get your selves and your nations into order. Basically I only brought blessings and a good tiding for my story was of great joy and glory. I told you, his lambs, to "fear not, little flock, for it is your Father's good pleasure to give you the Kingdom. And I gave you His prayer of promise: "...Thy Kingdom come!" Thus the end is not just a kind of threat upon Man, and/or the destruction of a world, but it is a PROMISE: the Kingdom of God. But Man has slipped more and more deeply into the mire of chaos and evil intent that he must again be in the final reminding of that which is coming. For that was the greatest promise: that "The word shall go forth unto the four corners of the world that all men who will see and hear shall have opportunity of KNOWING that which is God and Godly!" I come to fulfill the prophesy - not "save" a bunch of criminals and lawbreakers - only the individual can "save" self and I can do nothing save speak in his behalf - and soon, I shall be unable to claim you are somehow ignorant by accident - for we are bringing forth the WORD and ye who deliberately turn away - are in deliberate defiance - that is between you and God.

I tell you truly, I marvel that any could come into Godliness through that which is attributed unto me! The very words are a mockery unto God and Truth.

COULD IT BE, BELOVED BROTHERS, THAT THE TRAP WAS SET FOR YOU FROM THE BEGINNING? YOU HAD BETTER BEGIN TO LOOK UNTO THE FACTS FOR YOU ARE ABOUT OUT OF TIME FOR THE CHANGING. YOU HAVE NOTHING TO FEAR FROM GOD-NOR ME. WHY DO YOU FOLLOW THE

LIES SO WILLINGLY?

How smug Man becomes as he journeys through the physical for he is blinded by that which is called "ego". God's gift unto human to set him apart is "reason" and "thought with choices of his own conjuring". Ego is that which is of the physical process which "believes" itself to be "all". Just as a serpent must shed of its outgrown skin that it might grow, so must the being shed of its ego restraints in order to grow. Is it so very difficult to see that you come from the heavens? Would it not be wondrous to KNOW that there are hither knowings unto which you can turn from your limitations and ignorance? Is it not wonder beyond wonder that there is a wholeness to the plan and a Oneness with that which is capable of filling the void within which always reaches out and seeks endlessly? Is it not joy to KNOW that there is that which is beyond the tinkering and arguments of voted-in rules of behavior-that the body of God KNOWS its guidelines and does not argue and fall to the ones who would have MORE congregation and collections in the plates on Sunday? It is not to the "homosexual" being that respect needs be given-but to the being which is manifest in that wondrous form. It is the physical "behavior" which must be confronted-not the LOVE IN THE HEART BEING OF INDIVIDUALS-FOR THERE IS NO GREATER GLORY THAN THE LOVE OF ONE BEING FOR ANOTHER AND THERE IS NO SEX DELINEATION.

All of those elements of which the demands and marches are brought forth are OF THE PHYSICAL FLESH PASSING EXPERIENCE-BUT, WHAT THE SPIRIT DOES WITH THAT EXPRESSION IS THAT WHICH SHALL BE CONFRONTED AT WHAT YOU CALL JUDGEMENT! At that moment of passage will you stand in appraisal of self-knowing that you used discipline and found that which was greater than physical self or will you have only grappled with the "physical" manifestation of the ego claim upon the expression of God? These are the reasons the Hosts have come forth and then, again, the Creator, that the "creation" might be reminded of that which IS in order to move away from that which is the passing illusion. For I assure you that in EVERY INSTANCE-THE THINGS OF PHYSICAL ARE CAST AWAY-YOU DO NOT TAKE THAT OF THE PHYSICAL WITH YOU! What mean you, "to ascend"? It seems YOU mean to take that which is PHYSICAL with you. Let me assure you that what you mean by RAPTURE is to take that which is physical-with you. Would you not cast off the shanty in favor of the marble mansion? Where is your REASON? How is it easier to believe that you will somehow sit atop clouds than that God would prepare carefully and with REASON for your needs-both for "placement" and "journey unto that placement"? This is the ego fed by the negative aspects of self which causes lack of reason-for it fears the unknown and efforts to always keep the innocent child of wonder and infinite creation bounded. It keeps you bound in fear that YOU cannot do it so you must always cling to another in hopes that somehow "his ticket" will bear the both of you! Especially if he lies unto you and pronounces that, for this or that-you can somehow "purchase" your passage.

It is said that radical certainty of my faith in God derived unprecedented intensity from his expectation of the

impending catastrophe. Well, I know not of how Man REALLY interpreted my journey - it was the time of experience for that presentation to be given forth, no more and no less-just as now with the coming again-Truth had to be set to right for further experience. I came not with great cosmic revelations at that time for the journey of the species lived in a limited mystical level of growth and understanding was only present to the level of that which was allowed to be given by Man. I am represented as being in error regarding cosmic knowledge and expectations. But what is the END of a "thing"? I can promise you that with my presence upon your world-it never again was quite the same. Even with the evil tamperings-the world was never again the SAME. When God makes known His presence, that which was is no longer.

My presence, whether immediately or far in the future, at the end casts light and shadow, puts its question to each and every man, summons him to decision. Did not the Truth come into light by compelling the living in the presence of catastrophe? For though men close their eyes to the ultimate, they are faced with it none the less. The world is not the first and last; man is destined to "die", mankind itself will not endure forever-only the spirit of Man can endure infinitely. In this situation the alternative is: with God or against God; with Creation or against Creation; good or evil. I simply remind Man of this extreme situation.

An intrinsic element in the idea of Me is somehow, suffering, terrible, limitless suffering, crowned by the most cruel of deaths. Man chooses of those things in order to hide from Godliness-it is the very fear professed from the evil. If God's chosen must suffer in such manner then "you better come over here with me and live in the 'hope' that some kind of magic' can happen to you." If God's "troops" stood strong-there would only be abundance, joy, justice and beauty within balance. The distortions are presented to terrify you into remaining within the slavery and prisons.

But use your minds. In the instance of that which I "supposedly said" on the cross- "My God, my God, why hast Thou forsaken me?"-is the very opening of the Twentysecond Psalm. Where would come these words? IN EXTREME SUFFERING THERE ARE ALWAYS THOSE THINGS WHICH COME INTO THE EXPERIENCE FROM THE DEPTHS OF AFFLICTION. It matters not as to whether or not the words were or were not spoken-it goes with the teachings as representative of a "time" in which Man was expected to be the "worm" and no "man" at all; a reproach of Men, despised of the people. And then if you stay tuned to the same channel it begins to make sense, i.e., "O my God, I cry in the daytime, but thou hearest not." I am helpless and forsaken, and God is mute? And then, in the midst of my silence and despair, everything changes: **"But Thou art holy-OUR FATHERS TRUSTED IN THEE."** Now, just WHO do you think was doing a bit of conscience tampering?

And that, chelas, is where you are AT. You are between the rock and the hard place and you refuse to see and hear that which has brought you to this brink of pain and decision. It is seemingly easier to continue in the agony and chaos than

to turn into Truth which would shower the cool life-spring of waters upon the barren lands. It is always the INNER refusal to understand and turn into KNOWING which is destructive unto the very soul of Man. So be IT. For herein I shall turn this forum unto the Christed hands. You, precious creations, are at the crossroads and the path through is very narrow indeed and closing quickly. I ask that you "fear not" but turn from your ignorance into Truth that we might get on with that which is at hand. Oh yes, early on we asked, why has Hatonn the audacity to MC the information and speakers? Because I AM ATON come with MY SON TO RECLAIM MY KINGDOM AND YOU, MY BLESSED CHILDREN. IT WILL BE MOST SUITABLE IF YOU WISH TO CONSIDER ME "THE HORSE'S MOUTH" rather than the other end of the horse where most still desire to place me. Salu"

9. Truth is remedy for fear and lie

When you, as Man, can separate that which is lie from that which is Reason and Truth, only then can you begin to come into the wondrous realms of that which is God and further your understanding of how and what IS this wondrous Creation in which you find yourself experiencing.

You see, you can now put aside your hate and mongering against Khazars and anti-Jesus assaults, etc. If you come into understanding and KNOWING OF GOD YOU HAVE IT ALL! Physical Man has set up the scheme to suit his own needs in the attainment of power over other Men-for he cannot gain power over that which he desires-GOD AND/OR NATURE CREATION. He can destroy and tear away at the fragments of both-but he cannot even begin to touch the being of God nor of the Creation in balance and total order. He can only wreck havoc among the ones and spaces of his intimate little tiny segment of experience.

IF YOU HAVE GOD-YOU HAVE POWER AND THAT, DEAR ONES, IS SIMPLY ALL THERE IS TO IT' - FORGET THE TRAPPINGS, THE RITUALS, THE FOOLISHNESS--AND THE FEAR BROUGHT THROUGH THE LIES. IF YOU HAVE GOD-YOU HAVE POWER ABOVE ALL. AS LONG AS YOU BEAR THE LIGHT IN YOUR PRESENCE-NOTHING THAT STANDS AGAINST GOD CAN ENDURE-NOTHING. THINGS DO NOT HAVE TO END AS YOU PERCEIVE THEM- IS IT NOT TIME TO WAKE UP?

I warn you that it is most important that you not be ignorant of the adversary's devices. However, it is even more important that you know wherein to place your fear and your trust. You fear not "them that can slay the body, but are not able to kill the soul: but rather fear him which is able to destroy both soul and body in hell" (separation from God of Light).

As we look out upon this vast world of strife, seeing fear in the soul of Man instead of love and happiness, and seeing greed there, also, for worthless quantities of moving matter, and seeing also desires for body-sensation rather than Mind-inspiration, we can but conclude that Man is still far from knowing that Light within him of which One Man whom

Man crucified knew when He said: "I and My Father are ONE."

Unity means Oneness. Unity balances the mate-hood of all pairs of people and equalizes their transactions in giving and regiving. Civilization has not yet progressed to the point where unity, through the giving and regiving of Love, can even be comprehended by more than a few of man's millions of beings.

Man's greatest lesson is to learn how to give. You are still in the barbarian age of TAKING - of even taking life from before birth to snuffing out of the aged. The Spiritual Age is dawning, however. Its doors are slightly ajar, but that is all, for your World-House is erected upon the sands of disunity and the thrust is to further scatter and separate you. The product of disunity is FEAR. A house divided against itself by disunity and fear must fall. Peace, happiness and prosperity cannot enter a divided house of fear.

If you now ask when peace, happiness and prosperity will come to Man, I say to you that it will come when the Light of Love unites all Men as ONE, and that shall come to pass only when Man ceases to create FEAR. So, brothers, how far do YOU think Mankind is from finding direction and unity? The entire thrust of the Elite would-be rulers is to tear you apart THROUGH TERROR AND FEAR!

The time has come in Man's unfolding when he should have more knowledge of the nature of this electric universe of motion. He has never truly known it, for he has but sensed its shadow. The real meaning of substance has never been known by Man for that which it is. He only knows it for WHAT HE SENSES IT TO BE.

10. Conclusions

All viruses are imbalanced energies which seek resolution – they are crystalline structures which cannot be killed but transmuted into something else.

Almost all viruses on this planet are man-made – they are caused by fear and lie and turned into deadly biological weapons.

Fear is opposite pole of love and lie is opposite pole of truth. Love and truth are real whereas fear and lie are illusion. Love and truth are remedies for fear and lie.

The trap of fear was set for you from the beginning.

Fear and lie are *the powerful satanic tools to control and manipulate the masses.*

Fear not, because the *White Light of Christ* cannot be penetrated by the thrust of evil, no matter who or how many project the slings and arrows to stop the WORD.

Author Profile

I was born on August 6, 1950 in Grab, Montenegro (former Yugoslavia).

1982 – Acquired my PhD in the field of atomic and plasma physics, at the same Faculty, under the title: "Regularities and Systematic trends of Stark Width and Shift Parameters of Spectral Lines in Plasmas".

1985 -1987 Spent two years as fellow of the Alexander von Humboldt Foundation from Bonn (Germany) at the University Düsseldorf developing plasma UV-spectroscopy at the tokamak UNITOR and performing measurements of the plasma instabilities in the scrape-off layer at the tokamak TEXTOR in Jullich (Germany).

1987 – 1991 Worked as the guest scientist at the Max-Planck-Institute for Plasma Physics in Garching by Munich (Germany) performing measurements of the magnetic field configuration at the stellarator W7AS as well as the measurements of the limiter heat load.

1991 – 2000 Was working in the Institute of Physics in Zemun (Serbia) on investigations of the plasma force-free configurations and in 1995 I acquired the Research Professor degree.

2000 – At the end of 2000 I chose to leave the Institute of Physics and went on my own way to discover and learn the God Aton's principles and laws of creation.

After 18 years of the progression toward that sacred goal, I finally succeeded and now I know many of the God Aton's creational principles and laws (unknown until now) and can apply

them for the simple and efficient creations which make the basis for a new life quality on this planet.

I am a pioneer, creating with a New Conscious Energy and building a new civilization without electricity.

I've developed the TESLA RADIATION BALANCER – the genuine product in form of a self-adhesive sticker certified by the Hado Life Institute of Dr. Masaru Emoto which 100% balances radiation from any device, if attached to it, protecting the human body and environment from its harmful effects and eliminating with time the damages already caused by the radiation. It can be successfully applied to: cell phones, computers, laptops, microwave ovens, cordless phones, tablets, wireless monitors, Wi-Fi routers, TV-sets, Radios, and any other source of radiation. The upgraded version of the TRB is my QRB (Quantum Radiation Balancer) which is protection from any kind of negativities, including 5G, and is integrated in the product 5GBioshield – 5gbioshield.com.

Thanks to the consistent pursuit of my Leitmotif “The Authority of Truth rather than the Truth of Authority” I have experimentally proved the true atom, cell and particle “ATON” concept. According to the “ATON” concept, atoms, cells and particles are made of light which are spinning around the centering Mind (Spirit) points (the black holes). Nature expresses energy as electric potential in only one way, which is the same way both for the atomic and for the stellar scale: by projecting mentally the rings of visible light which are spinning around the centering Spirit points. This amazing beauty of creational simplicity is the basic fundamental truth of a new science that is based on the knowledge of the cause.

I wrote two books: “GOD ATON IN THE ATOM” and “DODECA 101 LOVE ENERGY” which are available on my website.

I use to practice sport very gladly and am a unique tennis coach.

Website: <http://www.teslastyle101.com>
