found from Table-1 that for higher bit rate higher PSNR is obtained. Hence we have obtained a satisfactory result and in future we would compress NROI part using different algorithm and combine both to obtain a more better result.

Table 1: PSNR Calculation

S.No	*BPP(Bits Per Pixel)*	*PSNR(dB)*
1	0.25	44.7834
2	0.50	55.6991
3	0.75	64.1189
4	1.00	69.7988
5	1.25	73.4051
6	1.50	74.8632
7	1.75	75.3880
8	2.00	75.4566

Author Profile

Ashmika Tiwari received the B.E. degree in Electronics and Telecommunication Engineering from Bhilai Institute of Technology, Durg in 2012. Currently she is pursuing M.E degree from Shri Shankaracharya Technical Campus (SSTC), SSGI(FET), Bhilai. She has done project based on microcontroller functionality during her Bachelors degree and currently she is working on image processing

Chandrashekhar Kamargaonkar is an associated professor in the department of Electronic & Communication Engineering at Shri Shankarcharya Group of Institution, Bhilai India. He is M.E. Coordinator in the Department of Electronic &Communication Engineering at S.S.G.I. Bhilai India..He has more than 9 year experience in teaching. He has received Master Degree(M.E.) in digital electronics from S.S.G.M. College of Engineering, Shegaon India. His current area of research include Image Processing, Digital Communication, Microcontroller & Embeded System.

Dr. Monisha Sharma is an Sr. associated professor in the department of Electronic & Communication Engineering at Shri Shankarcharya Group of Institution, Bhilai,India. She was awarded Ph.D.(Electronics)degree on "Development of Highly Secured Image Encryption algorithm using multi chaotic sequences" from C.SV.T.U., Bhilai on 2010. She has published more than 46 papers in national/ international journals/conferences. She Awarded as Chhattisgarh Young Scientist Award in 2008 for "Generation of secured image for Telemetry using Adaptive Genetic Algorithm" by C.G Council of Science and Technology . Her research interests include Digital Image Processing, Secure communication, Cryptography, Stenography, Stegnanalysis, Cryptanalysis, Error Codes.
