

The image features several large 3D word blocks and a central diagram. The word blocks are arranged to spell out 'FUNCTION', 'CALCULUS', 'LIMITS', 'DERIVATIVE', and 'INTEGRAL'. A hand is shown holding a black marker, drawing a diagram that starts with a box labeled 'basic Limits'. This box branches into 'Finding points' and 'Speed'. Below 'Finding points' are two boxes, each leading to an oval. To the right, a small green tree is shown in a pot, with a watering can nearby. The background is filled with various mathematical terms like 'derivative', 'integral', 'mathematics', 'Leibniz', and 'calculus'.
