

This central image is a complex collage. At the top, the word 'DERIVATIVE' is rendered in large, 3D block letters. The letters 'D', 'E', and 'V' are blue, while 'R', 'I', 'V', 'A', 'T', 'I', 'V', 'E' are white. The background is filled with various mathematical terms in different fonts and sizes, including 'integral', 'function', 'Leibniz', 'mathematics', 'limit', 'differential', 'calculus', 'slope', 'infinite', 'area', 'distance', 'point', 'method', 'modern', 'area', 'distance', 'point', 'method', 'modern', 'area', 'distance', 'point', 'method', 'modern', 'area', 'distance', 'point'. In the lower half, a hand is shown drawing a flowchart with several rectangular boxes and ovals connected by arrows. To the right, a hand holds a black marker, pointing towards a small potted tree with a green top and a brown trunk. A watering can is also visible, pouring water onto the tree. The overall theme is mathematics and education.
